## The CMO Survey ${ }^{\circ}$ "."

Managing Marketing Technology, Growth, and Sustainability

Firm and Industry Breakout Report Spring 2024

## Deloitte.

## The CMO Survey" :

## Managing Marketing Technology, Growth, and Sustainability

The 32 ${ }^{\text {nd }}$ Edition of The CMO Survey, Spring 2024

## Survey Sample

- 2085 marketing leaders at U.S. for-profit companies; 292 responded for a $14 \%$ response rate- $94 \%$ of respondents are VP-level or above.

## Survey Administration

- The survey was in the field from February 6-March 5.

## Survey Reports

- The Topline Report offers an aggregate view of survey results.
- The Highlights and Insights Report shares key survey metrics, trends, and insights over time.
- The Firm and Industry Breakout Report displays survey results by sectors, headcount, and sales.

## Overview of The CMO Survey ${ }^{\circledR}$

- Mission: To collect and disseminate the opinions of marketing leaders in order to predict the future of markets, track marketing excellence, and improve the value of marketing in organizations and society.
- Administration: Founded in 2008, The CMO Survey is administered twice a year. Questions repeat to observe trends over time and new questions are added to tap into marketing trends. The survey is an objective source of information about marketing and a non-commercial service dedicated to improving the field of marketing.
- Sponsors: Deloitte LLP, Duke University's Fuqua School of Business and the American Marketing Association. Sponsors support The CMO Survey with intellectual and financial resources. Survey data and participant lists are held in confidence and not shared with survey sponsors or any other parties.

## Deloitte.

## Table of Contents

## Topic 1: Macroeconomic Forecasts

1 Are you more or less optimistic about the U.S. economy compared to last quarter?
4 Rate your optimism about the U.S. economy on a scale from $0-100$ with 0 being the least optimistic.
7 Are current inflationary pressures impacting marketing spending levels in your company?

## Topic 2: Monitoring Customers and Partners

10 For this market, rank your customers' top three priorities over the next 12 months: Low price
13 For this market, rank your customers' top three priorities over the next 12 months: Superior product quality
16 For this market, rank your customers' top three priorities over the next 12 months: Superior innovation
19 For this market, rank your customers' top three priorities over the next 12 months: Excellent service
For this market, rank your customers' top three priorities over the next 12 months: Trusting relationship
For this market, rank your customers' top three priorities over the next 12 months: Customer experience
For this market, rank your customers' top three priorities over the next 12 months: Creating a positive impact on the world
31 Will you use a channel or go directly to market?

## Topic 3: Marketing Budgets

34 Marketing expenses account for what percent of your company's overall budget?
37 Marketing expenses account for what percent of your company's revenues?
40 By what percent has your marketing spending changed in the prior 12 months?
43 Relative to the prior 12 months, note your company's percentage change in spending during the next 12 months.
46 What percent of your marketing budget do you spend on social media? Now, 12 months, 5 years

## Topic 4: Growth

49 By what percent are revenues in your largest market growing or decreasing in size?
52 By what percent are your company's revenues in this market growing or decreasing?
55 Why is your company's growth performing better than the market?
$\underline{58}$ Why is your company's growth performing worse than the market?

## Topic 5: Managing Marketing Technology

Is your company using marketing technology systems?
What percent of your marketing budget do you spend on marketing technology?
Rate how well your company is performing each of the following marketing technology activities.
Which of the following metrics does your company use to evaluate the effectiveness of your Martech systems?
Is there is a gap between the actual payoffs of Martech and your hopes for these payoffs?
Rate the extent of this gap: $1-100 \% \%$ underperform relative to expectations
Do you worry about making investments in Martech solutions that may not end up surviving in the marketplace over the long run?
Rate the extent to which you focus on the following activities when managing your Martech strategy.

85 What percent of your marketing activities use Martech tools?
88 Considering all the Martech tools purchased by your company, what percent is your company currently utilizing in its operations?
91 How much impact are your current Martech tools having on your company's performance?
$\underline{94}$ Rank order how important each of the following have been in your company's adoption of new marketing technologies?
$\underline{97}$ How well do your company's Martech tools enhance the performance of each part of your company's strategy?
100 How regularly are your company's Martech tools audited and evaluated?

## Topic 6: Use of AI in Marketing

103 What percent of the time is your company using generative AI in its marketing activities?
106 Rate the degree to which your company is managing the following challenges associated with using generative AI in marketing.
109 Which statement best describes the use of Large Language Models (LLM) in your company?
112 Select the response that best captures what you believe about how transformative LLM is or will be for your marketing organization.
115 To what extent are blockchain technologies affecting your company's marketing strategies?
118 Rate how the use of AI in marketing has affected the following outcomes: sales productivity, customer satisfaction, and marketing overhead.

## Topic 7: Marketing Leadership

121 What is marketing primarily responsible for in your company?
130 These questions examine the value of marketing in your company.

## Topic 8: Marketing Organization and Jobs

133 By what percent has the size of your marketing organization grown or shrunk over the last year?
136 Compared to the number of marketing hires last year, by what percentage will your company's marketing hires change in the next year?
139 Rate your level of agreement with these questions focused on the role of creativity in your organization.
142 How well your marketing organization performs the following tasks around your model engaged customers?
145 Rate your agreement with these questions about your company's marketing knowledge (i.e., marketing practices, customer insights, and marketing plans).

## Topic 9: Marketing and Sustainability

148 What percent of your marketing budget is spent on sustainability- or climate-related issues?
151 Check all of the actions your company is likely to make in order to reduce the negative impact of its marketing-related activities on the ecological environment.
154 What specific actions is your company taking to reduce the risk of climate change?
163 Are the policies emerging around extended producer responsibility for the end-of-life of products relevant to your business?
166 To what degree are extended producer responsibility policies changing any aspect of your product strategy?

## Topic 10: Marketing Performance

169 Compared to 2023, rate your company's performance during the prior 12 months: Sales revenue, Profits, Customer acquisition, Customer retention, and Brand value

Topic 1: Macroeconomic Forecasts
Are you more or less optimistic about the U.S. economy compared to last quarter?
