

Board Policy 3460: School-Related Foreign/Overnight Out of State Status: Approved  
Travel by Students

School-related foreign/overnight out of state trips are allowed by the Dietrich School District when the experiences are an integral part of the school curriculum and contribute to the District's desired educational goals. School-related travel is intended to allow students experiences that provide them with insight, information, or knowledge that cannot be adequately developed through regular classroom experience.

Such travel shall be solely optional and by the choice of the student and their family. No such travel shall be related to any assignment, course work, or credit.

When contemplating approval of foreign/overnight out of state travel by students, the Superintendent shall take into account any travel warnings or cautions of the U.S. Department of State. The Superintendent shall seek advice concerning foreign travel from the District's legal counsel and insurance carrier.

School-related foreign/overnight out of state travel supplements regular instructional programs and affords students opportunities for enrichment. However, participation in school-related foreign and out of state travel is a privilege, not a right. As representatives of their school and District, students participating in such activities are expected to meet high standards of behavior.

Trip Plan Submission/Proposal

All student activities involving travel shall be authorized by the Superintendent. Each trip's authorization shall be based on the written rationale of the travel's educational value as well as the safety and welfare of the students involved.

Requests for trips must be submitted to the Superintendent no later than eight weeks in advance of the trip.

Trips should be scheduled as much as possible during non-school hours and days, such as spring or summer break, so that absences from other instructional programs are kept to a minimum.

Advertising, for school approved foreign travel by students, including the distribution of materials, **will** be allowed during the school day. Planning and promotion of private, non-sponsored trips shall not be conducted in any school classroom or via any official or employee school email or social media.

Private groups and organizations may not use the District in any way to promote their activities.

The Superintendent will develop procedures for trips, including the approval process, and procedures to be used in case of accident, illness, and student conduct violations.

The trip proposal must be in writing and contain the following elements:

1. Identify the purpose of the trip and an outline of anticipated educational experiences and/or course of study to be followed;
2. Identify the names of students and chaperones attending the trip;
3. Identify and plan for any special medical needs of students and chaperones attending the trip;

4. Identify adequate liability insurance to protect the District, Board members, chaperones, teachers and students;
5. Submit an itemized statement of costs, including transportation, meals, and accommodations; and
6. Submit an itemized statement of costs as appropriate to the school-sponsored trip, such as passport and visa expenses, costs of a personal nature, and optional trip insurance.

The Superintendent may enforce restrictions regarding the date, length of time, and the chaperone/student ratio as a condition of approval.

Students participating in the trip during school hours are permitted and expected to make up any school work missed. The student's absence shall be recorded as "excused." The total number of school days missed due to the trip must be included in the written proposal.

A plan must be developed for the administration of medication for any student requiring such assistance.

The proposal must include the names and numbers of chaperones, including both male and female chaperones if the proposal is for a mixed group of students.

In developing the proposal for the extended trip, the trip organizer will perform the following duties:

3. Provide detailed information on the responsibilities and rules for the students and chaperones;

### Chaperones

Trip chaperones must include at least one certified staff member from the school sponsoring the trip. Depending on the number of students involved, additional certified staff and/or parents/guardians of students going on the trip may be necessary. Chaperones shall be selected by the trip teacher/advisor. Chaperones are under the supervision of the trip teacher/advisor.

A student will be permitted to stay in the same sleeping room with a chaperone only if the chaperone is a member of the student's family. Students whose parents/guardians are not serving as chaperones will share rooms with same-sex students only.

Chaperones will agree to the following duties:

1. Supervise and be responsible for students during the entirety of the trip;
2. Ensure that students follow all legal and school requirements;

3. Establish a procedure for room checks and monitor compliance; and
4. In all ways model the behaviors expected of District students.

Any adult convicted of any sex or drug related offenses may not serve as a chaperone. The District reserves the right to request background checks on chaperones.

The safety, protection, and supervision of District students are the sole purposes for adult chaperones accompanying District students on foreign trips. Those who agree to serve as chaperones must understand and follow the established rules and policies.

The certified staff member serving as the trip organizer will carry a roster of students who are on the trip along with emergency information on each student.

Children who are not a part of the group participating in the trip may not accompany parents when the parents serve as chaperones.

**All trips must be adequately supervised with a minimum of one adult per ten students. Groups with both male and female participants must have supervision of at least one male and one female adult.]**

### Student Conduct

Students participating in the trip will be subject to all codes of conduct in District policy. Violations will result in appropriate disciplinary action.

Students and their parent/guardian are expected to be knowledgeable about the District's policy on student conduct. Trips are considered an extension of the classroom and all rules and policy pertaining to a school-sponsored activity must be followed.

Students and their parent/guardian will read and sign a code of conduct. The code of conduct will be prepared by the Superintendent and will be reviewed during the pre-trip meetings. Students who violate any school policy during an extended trip may be disciplined, including, but not limited to, being sent home at the parent/guardian's expense.

All students must return a permission slip for the trip, signed by a parent/guardian, before they will be allowed to participate in the trip.

Credit shall not be granted for any school-related travel for which a fee is charged to parents/guardians or students. Such travel shall also not be necessary for any required assignment or coursework.

The responsibilities of the principal or Superintendent include:

1. Obtaining and retaining on file written parental permission for students who are under the age of 18;

Trips will be canceled only when appropriate school authorities believe it is reasonably cautious and prudent to do so in order to ensure the safety of students and staff or to ensure the effective operation of the local school. In such cases, every effort will be made to provide as much advance notice as possible.

The District is not responsible for financial losses to students and parents due to cancellation of trips.

The authority to cancel trips rests with the Superintendent or the Superintendent's designee.
