- Oct 29** - Both Gyms Will Be Closed Due To Resurfacing (all-day)
- Oct 30** - 1st GBB Practice 1st JH basketball practice

Welcome Back

Fall seems to be coming upon us quickly. I love this time of year to see the beautiful colors in our area. There are a lot of great learning opportunities for our students during the fall season. One thing I am very excited for is our 12th grade students will have the opportunity to go learn more about the JAE Foundation in Twin Falls on October 9th. This foundation is a local mental health foundation that is partnering with many schools in the Magic Valley. We are excited for our students to go and be part of this. As part of their presentation our students will receive a pair of cowboy boots. We want to thank those generous individuals in our community who have donated to this foundation on behalf of our 22 seniors. Our seniors will be implementing boot checks with underclassmen throughout the remainder of the school year as part of this program once they have learned more about this program.

We have many exciting opportunities for our students in the next month. Our 6th grade, 5th grade and Kindergarten students will all be able to experience some learning opportunities outside of the regular classroom. As they will be participating in different field trips.

The middle of September we kicked off our reading intervention program that we started last year at the elementary. We have tweaked a few things with this program for this year and we are excited to see the success our students have in reaching their literacy goals for the year. If you have any questions regarding the reading intervention program you can contact me or Mrs. Novotny at the school.

Homecoming was last week. It was really fun for me to see students really excited and participating in the homecoming activities. Every day watching the students, especially the junior class frantically looking for the spirit stick was a lot of fun. It is really good to see the students showing school spirit and excited for all the different activities.

It is hard to believe that the 1st quarter of the school year is almost over. Our first quarter will end on October 19th. This will be students' mid term grades. Please encourage your students to work hard and get all missing work in by no later than the 19th. Parent teacher Conference will be held at the school on Wednesday October 25. Elementary students will be sent home with a scheduled time to meet with teachers. Secondary parents can attend anytime between 4:00-7:00 p.m. We highly encourage all parents to come and to come and conference with their students teacher(s)

Superintendent Stefanie Shaw

A WORD FROM OUR DEAN OF STUDENTS

Hello everyone!

School is off to a great start and I am very pleased with how the year is going. Students seem to be engaged in the classroom and learning every day. One of my main goals last year was to improve morale and student involvement. We are making strides towards that and I want to continue to improve in that area throughout the year!

We just wrapped up homecoming week and I was happy to see the students so involved. In my six years here, I think it is safe to say this is the best our students have been in terms of being engaged and wanting to participate in the activities. The parade was great, and we had great participation in the pep assembly that was put on by student council!

It is hard to believe but we are nearing the end of the fall sports season. Both junior high teams have wrapped up their seasons and will be starting basketball soon. Volleyball, cross country, and swimming are all nearing their district competitions. We hope they all perform well and can qualify for the state tournament. The football team is very close to clinching a playoff birth and can take care of that with a win against Shoshone on October 13th.

Let's continue our great start and carry it out through the entire school year. Go Blue Devils!

Mr. Astle

SENIOR SPOTLIGHT

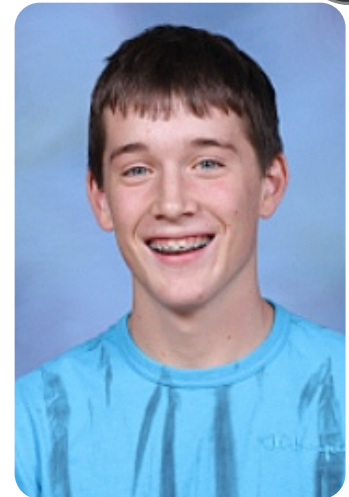

By : Amory Shaw and Fernando Ibarra

This month I got the opportunity to interview one of this year's seniors, Silvia Cobian. Silvia's plans after high school are to go to the Army. Her favorite teacher is Mrs. Wendt because she helps her with all of her work and is super nice. If she could live anywhere in the world she would want to live in California. Silvia says she won't really miss anything about highschool. Her dream job is to become a Cosmetologist. She loves the color black, loves Vans shoes, and her dream car is a Ferrari.

One of the seniors I interviewed for Senior Spotlight is Dallin Churchill. His favorite teachers were Mr. Fowles and Mr. Montero because they "helped me with math, science and other stuff." The teacher that changed his high school experience was Mr. Montero.

Dallin's biggest inspiration is Jesus Christ, and his favorite high school memory is "Yellow Lives Matter". What Dallin will miss about high school is his classmates, his friends and his family that goes to Dietrich School. Dallin's plans after high school are to work for six months, go on a mission, and then he wants to live "somewhere in Colorado." His favorite color is blue, and his favorite pair of shoes are "his blue vans". His dream car is a Dodge Challenger and his dream job is "being an owner of a mechanical engineering and invention company." We are excited to see where your future leads you Dallin!

Fall Sports

And it came to pass that I, Dallin, being exceedingly young, nevertheless being large in stature, and also having great desires to know of the mysteries of Senior fall sport players, I interviewed a few of them. I first interviewed Tallie and Ellie and I asked how they thought their team was doing. They both said that the Volleyball team was doing pretty good. So far they have won 5 games and lost 3 games. The Volleyball Senior night will be on October 5th JV at 6 and Varsity at 7:30. So go support them and good luck! They also informed me that they will indeed win State this year! I also interviewed Stryder and Rhein about Football and they both said that their team is doing good this year. The Football team has won 2 games and lost 1 game. Their Senior night will be on October 20th against Camas and kickoff is at 7:00 and they both say that they will win this game so go and support the team! Stryder said that we will have to see if they win State and Rhein says yes they will win. Denis says that the Cross Country team is doing really good this year and that they are all trying really hard. His current personal best is a 26 minute 5K. He has improved a lot from the beginning of the season. District is October 18. Kaitlyn says that the swim team this year has also improved a lot. She has beat a lot of her personal bests at each of her meets. Districts are on October 25 and State is on November 3-4. She says that she will make it to State. Go support our fall sport teams and let's go win state!

INTERVIEW WITH VICE

PRESIDENT OF THE STUDENT

COUNCIL!

BY: ALEIGHA ROBERTSON

I INTERVIEWED TALLIE CHRISTIANSEN, THE VICE PRESIDENT OF THE STUDENT COUNCIL. SOME OF THEIR PLANS ARE TO HAVE LOTS OF LOCK-INS AND FUN ACTIVITIES! THEY WOULD LOVE IT IF THERE WAS PARTICIPATION FROM THE STUDENT BODY. ONE OF HER PERSONAL GOALS IS TO BE A FRIEND TO EVERYONE. SHE JOINED STUDENT COUNCIL BECAUSE SHE WANTED HER OPINION TO BE HEARD.

¿ MYSTERY STUDENT?

I HAD THE CHANCE TO CHOOSE THIS MONTH'S MYSTERY STUDENT! THIS STUDENT LOOKS UP TO AND ASPIRES TO BE LIKE THEIR DAD, AND THEIR HERO IS BATMAN. THEIR FAVORITE BOOK IS CLIFFORD THE BIG RED DOG, THEIR FAVORITE FOOD IS PIZZA, AND THEIR FAVORITE COLOR IS BLUE. IF THEY COULD BE ANY ANIMAL THEY WOULD BE A LION. THEIR FAVORITE FAMOUS PERSON IS MAX VERSTAPPEN, AND THEIR SECRET TALENT IS GASLIGHTING PEOPLE EASILY. THREE WORDS THAT THEY WOULD USE TO DESCRIBE THEMSELVES ARE: SHORT, SLEEPY, AND FUNNY AND A RISK THAT THEY TAKE IN THEIR LIFE IS ALWAYS SPEEDING. GOOD LUCK GUESSING THE MYSTERY STUDENT THIS MONTH!

INDEPENDENCIA DE MEXICO

By:
 Cidnee,

 Denis

This month, we had the wonderful opportunity to sit down with Mrs. Dulfia, our ESL teacher, to discuss Hispanic Heritage Month. An annual celebration starting on September 15 until October 15th. Mrs. Dulfia expresses great pride in this holiday, especially in the opportunity to learn about different cultures and customs. She describes it as an experience that people can carry with them in their hearts and minds. Mrs. Dulfia also describes the importance of this month for our community, a reminder of the beautiful qualities found in our heritage. She mentioned her love for the tight-knit community here in Dietrich. How respectful and open they are to learning about our culture. In her eyes this celebration unites us, not only as Hispanics but as a bigger community!
