

Dietrich School District No. 314

1205

THE BOARD OF TRUSTEES

School Board Powers and Duties

The board shall concern itself primarily with broad questions of policy rather than with administrative details. The application of policies is an administrative task to be performed by the superintendent and district staff and who shall be held responsible for the effective administration and supervision of the entire school system.

The board, functioning within the framework of laws, court decisions, attorney general's opinions, State Department of Education regulations and similar mandates from the state and national levels of government, and recognizing the authority of the state, fulfills its mission as the governing body of a political subdivision by acting as follows in the execution of its duties:

1. Enacts policy
2. Adopts courses of study and provides instructional aides
3. Employs all staff members and fixes and prescribes their duties.
4. To fix the days of the year and the hours of the day when schools shall be in session through the adoption of the annual school calendar for students at each grade level and determines school holidays not less than the following: New Years Day, Memorial Day, Independence Day, Thanksgiving Day, and Christmas Day. Other days listed in Section 73-108, Idaho Code, if the same shall fall on a school day, shall be observed with appropriate ceremonies, and any days the State Board of Education may designate, following a proclamation by the Governor, shall be school holidays.
5. Approves the budget, financial reports, audits, major expenditures, payment of obligations and policies whereby the administration may formulate procedures, regulations, and other guides for the orderly accomplishment of business.
6. Estimates and seeks to provide funds for the operation, support, maintenance, improvement and extension of the school system.
7. Provides for the planning, expansion, improvement, financing, construction, maintenance, use and disposition of physical plants of the school system.
8. Prescribes the minimum standards needed for the efficient operation and improvements of the school system.
9. Evaluates the educational program to determine the effectiveness with which the schools are achieving the educational purpose of the school system.
10. Requires the establishment and maintenance of records, accounts, archives, management methods and procedures considered essential to the efficient conduct of school business.
11. Provides for the dissemination of information relating to the schools necessary for creating a well-informed public.
