### Certificated Staff Grievances

It is the Board's desire that procedures for settling certificated staff grievances be an orderly process within which solutions may be pursued. Further, that the procedures provide prompt and equitable resolution at the lowest possible administrative level. Additionally, it is the Board's desire that each certificated employee be assured an opportunity for orderly presentation and review of grievances without fear of reprisal.

### Grievance Definition

A grievance pursuant to this policy shall be a written allegation of a violation of Board approved District policies.

### Grievance Procedure

A staff member with a grievance is encouraged to first discuss it with their immediate supervisor, with the objective of resolving the matter promptly and informally. An exception is that complaints of sexual harassment should be addressed according to Policy 3085 and Procedure 3085P, and violation of any other protected status should be discussed with the first line administrator that is not involved in the alleged grievance. This attempt at informal resolution is not a required component of the grievance policy but is suggested in an effort to attempt to resolve disputes informally.

If the grievance is not resolved informally, and the grievant wishes to continue to seek to address the grievance, the grievant shall fill the written grievance with the principal. The written grievance shall state:

1. The policy the employee believes were violated;
2. The alleged date of violation;
3. The actor involved in the alleged violation; and
4. The remedy requested by the employee.

The written grievance must be filed with the immediate building principal within ten (10) working days of the date of the initial event allegedly giving rise to the grievance.

The immediate building principal or designee of the building principal shall meet with the grievant and shall, at the discretion of the principal or designee, conduct whatever additional meetings or investigative activities the principal or designee believes are necessary to address the grievance.

Subsequent to these activities and within a period of ten (10) working days, the principal shall provide the grievant with a written response to the grievance of the certificated employee.
