Time-Stamp Prior to Boarding!

Purchase Tickets

buy, stamp, ride

BUY FIRST

If you are not using one of the monthly or weekly tickets, you must purchase (and time-stamp) a ticket just before boarding light rail cars or before entering Prepaid Fare Zones at Hoboken, Port Imperial, Lincoln Harbor, Tonnelle Avenue, Bergenline Avenue, 2nd, 9th, 22nd, and 8th Street stations. Ticket Vending Machines (TVMs) are located near entrances or on platforms at Park & Ride lots at each station. Proof of Payment details are displayed on TVMs and Ticket Information posters at stations. Prepaid Fare Zones are prominently signed as you approach the platform.

REMEMBER TO TIME-STAMP

You must time-stamp all one-way tickets and 10-trip tickets in Validators located near TVMs just before boarding light rail cars or entering the Prepaid Fare Zones listed above. To time-stamp your ticket, insert it into the Validator with the print side up and the NJ TRANSIT logo facing to the left. The machine will date and time-stamp your ticket.

RIDE THE LINE

After you have time-stamped your ticket, simply get on board and ride. Each ticket is good for a single ride in one continuous direction of travel. NJ TRANSIT Fare Enforcement Officers make random ticket inspections on vehicles and at Prepaid Fare Zones. Keep your ticket handy until exiting your destination station, as you may be asked to show your ticket more than once during your trip. If you are a senior citizen or customer with a disability and are traveling with a reduced fare ticket, you must provide a valid form of ID upon request.

FARE INSPECTION

Customers must present a valid proof-of-payment as listed above upon request. Fare violators are subject to fine under State law N.J.A.C. 16:87—Proof of Payment.
