European Committee of the Regions @EU_CoR · Nov 16

Start-up villages can make rural areas attractive and functional places to live and work in - for all types of jobs and all generations.

🎤 #NAT Commission chair @ulandergren opens the #StartupVillageForum

#EUGreenDeal

European #StartupVillageForum Launch Event

Involve rural areas and their communities in the solutions that we are seeking for today's challenges. Without them, there will be no sustainable digital and green transitions.

Ulrika Landergren
Member of Kungsbacka Municipal Council, SE
Chair of the NAT Commission
The Renew Europe Group in the CoR

Long-term vision for rural areas

- Spain's most populous and second largest autonomous community
- 13.4% of Spanish GDP (2018)
- 45.6% of territory used for agriculture, forests cover 50% of territory
- EU's 5th region in number of nights spent in tourist accommodation
- Largest existing solar power facility in Europe. Spain's 3rd biggest producer of wind energy
- Strategic Plan to improve the competitiveness of the agricultural, livestock, fishing, agro-industrial and rural development sector of Andalusia 2020-2022

Andalusia, Spain

EPP (European People's Party)

Juan Manuel MORENO BONILLA

President of the Region of Andalusia

European Committee
of the Regions

EU State aid rules for agriculture, rural areas and forestry

- Olevano Romano is home to the Denominazione di origine controllata (DOC) wine of Cesanese di Olevano Romano
- Lazio Region:
 - 180 thousands hectares are cultivated land
 - 68 thousands farms/agricultural enterprises of which the mean surface amounts to less than 3 hectares each

Olevano Romano, Italy

Party of European Socialists (PES)

Guido MILANA

Member of Olevano Romano Municipal Council

European Committee
of the Regions

Health Emergency Response Authority

- Pays de la Loire is one of 18 regions of France; its capital Nantes the sixth-largest city with a metropolitan population of almost a **million**;
- **683mIn€** - future investment in regional health system resilience
- Home to biotechs VALNEVA & OSE Immunotherapeutic developing **anti-COVID vaccines** and XENOTHERA running clinical trails for **anti-COVID treatment**
- ATLANPOLE – dedicated **health cluster** bringing over 220 investors
- MAKAIR – open source project with 250 contributors to offer a **low cost DYI respirator**

Nantes, France

Party of European Socialists (PES)

Christophe CLERGEAU

Member of the Pays-de-la-Loire Regional Council

European Committee
of the Regions

Valencia, Spain

- The fourth most populous autonomous community of Spain with more than 5 million inhabitants
- The GDP of Valencian Community was at €111bn in 2018, which equals 9.2% of the Spanish GDP
- The Valencian forest surface covers almost 60% of the territory with a total forest area of more than 1,300,000 hectares, almost 80% protected under Natura 2000
- In Valencia, as a Mediterranean region, forests have a high risk of forest fires, especially in heavy depopulated areas with abandoned agriculture and unmanaged forests
- Valencia concentrates almost 20% of the industrial activity in the wood, furniture and paper industry in Spain

Party of European Socialists (PES)

Joan CALABUIG RULL

Regional Secretary for the European Union and External Relations of the Government of Valencia
