OUR HISTORY

Opened in 2007 on the Gearhart Golf Links, the hotel and Sand Trap pub that McMenamins inherited and expanded upon was a reincarnation of the links' first clubhouse built in the mid-1920s. The course itself is even older, having been laid out in the 1890s, making it one of the first on the West Coast. As *The Oregonian* remarked in 1923, "There is perhaps no course in the United States that is so truly similar to the famous home course of modern golf, that of the Royal and Ancient Golf club, at St. Andrews in Scotland." That makes sense, since the links' original surveyors were a group of Scotsman rehomed in Oregon. They included one Robert Livingstone, whose grand residence was in NW Portland, where McMenamins Rams Head Pub is today.
