

Nick,

As I mentioned to you our firm represents Tiger Woods. The "Tiger Woods" products listed as numbers pd6455-00, pd3569-00 and pd8708-00 at [www.pipedreamproducts.com](http://www.pipedreamproducts.com) have come to our attention. Per our conversation, you indicated that you have sold out of these products and do not intend to sell them again in the future.

At this point I ask you to do the following:

- (1) Identify all products ever offered by Pipedream bearing any portion of the name or likeness of Tiger Woods (the "Products");
- (2) Confirm that all manufacturing, distribution, marketing, advertising and sales of the Products have permanently ceased. You should be able to remove the references on your website immediately.
- (3) Confirm that all Products have been recalled from distribution;
- (4) Set forth the full amount of each Product ever ordered by Pipedream, and the full amount of each Product that has been manufactured pursuant to your orders;
- (5) Identify all manufacturers of any of the Products, and the full amount of Products received or in transit from each such manufacturer;
- (6) Set forth the full amount of each Product in inventory, if any, and identify all physical locations where such inventory is stored;
- (7) Indicate your agreement to destroy or otherwise dispose of the Products, in a manner and at a time as directed by Tiger Woods; and
- (8) Identify all wholesale customers or distributors for any of the Products (including the full address and the name of a principal or responsible ordering agent), and the amount of each Product that has been sold to each such customer or distributor, including all dates of sale.

Thank you.

Tom
