

Hazardous Waste Program

Hazardous Waste Generator Manifest Exception Report

Important: In accordance with 40 CFR 262.42 (as incorporated by reference in ARM 17.53.601), large and small quantity generators of hazardous waste who do not receive a copy of the manifest signed by the designated facility must submit an exception report. Large quantity generators (LQG) must submit the report within 45 days and small quantity generators (SQG) must submit the report within 60 days of the original shipment date. A generator may comply with 40 CFR 262.42 by submitting this form to DEQ.
