Season 5 of the Berkeley Remix Podcast

The 5th season of our podcast, *The Berkeley Remix*, is now live! It dives into the long history of the East Bay Regional Park District, which was founded in 1934. Over the course of three episodes, we explore its integral role in fighting the 1991 Oakland Hills Fire, being on the forefront of gender equality in the workplace, and how its efforts to preserve land benefited the local equestrian community.

-Episode 1: You Really Love Your Land, Don't You?
