WHAT'S AHEAD?

The best of Intersolar North America and Energy Storage North America returns to San Diego!

Leading Products & Solutions

- **Connect and do business with 500+ exhibitors** (including Fluence, Google, Enervate Solar, Jinko Solar, ESS, Inc., Churod Americas, Soligent, Electriq Power, GM Energy, IronRidge, and many more) showcasing their solutions within what will be a sold-out exhibit hall.

[See the growing list here](#)

Forward-Looking Insights & Education

- **Select from 24 educational sessions** focused on technology, policy, safety, financing, and more—tailored to the informational needs of solar, storage, and EV infrastructure professionals.

[Explore the conference highlights](#)

Connect with Industry Peers

- **Build your professional network** and strengthen existing relationships during the Thursday Night Party, exhibit hall happy hours, and networking events.
- **Utilize the matchmaking platform** to meet suppliers and schedule onsite meetings.

Experience Fierce (but Friendly) Competition

- **Cheer on solar + storage install teams** from across North America as they compete for over \$15,000 in cash prizes during the **live Solar Games competition**.

Five special features you won't want to miss!

- 1 **Deep-dive workshops** led by industry experts and trusted organizations (including NABCEP).
- 2 **A Networking Breakfast** to connect and build community.
- 3 **The Hub** - an educational and interactive case study-style presentation area.
- 4 **The EV Charging Infrastructure pavilion** featuring exhibitors in the solar, storage and EV charging markets.
- 5 An **outdoor exhibition space** with mobile showrooms, EVs, and equipment displays offering in-person product experiences.
