

TOWNSITE CODE and/or PLAT CODES (PLAT NUMBER FIELD)

These are the **only authorized** codes.

- Townsite codes are only to be used if the U.S. Survey Number is not present.
- Plat codes are only to be used if a plat number is not given on the document for the subdivisions named in this listing only.
- These codes can only be used for the designated district and for the exact name given.

If in doubt, please check with your supervisor.

Individual district listings are below in alphabetical order.
