33. Opinion on Raising Debt Ceiling

As you may know, the limit on the country's overall liabilities, including the federal deficit and other government debts, is called the debt ceiling. In order for the U.S. Treasury to incur debt above the ceiling, Congress needs to vote to raise the ceiling, which it has done regularly in the past. Congress is currently considering whether to raise the debt ceiling, since the current limit has been reached. What is your opinion?

42. Icwa Good or Bad

In 1978, the U.S. Congress passed the Indian Child Welfare Act (ICWA). The law puts tribal governments in charge of deciding custody for foster care and adoptions of Native American children who live on reservations. Part of this law gives Native American families or institutions priority in receiving Native American children for foster care and adoption placement. Do you think this law is a good or a bad idea?
