Glossary of the Commission's Rules)

ERRATA

Released: October 23, 2001

By the Acting Deputy Chief, Accounting Policy Division:

1. On September 17, 2001, we released an order granting the request of the Illinois Consolidated Telephone Company (ICTC) and Odin Telephone Exchange Inc. (Odin) for a waiver of the definition of "study area" contained in the Part 36 Appendix-Glossary of the Commission's rules. This erratum corrects the following errors in the released text:

The file number DA 01-1583 in the upper right-hand corner of the first page is replaced by DA 01-2258.

In the first paragraph, second sentence, "Odin" is replaced by "ICTC" and "ICTC" is replaced by "Odin". In the third sentence of that paragraph, "ICTC" is replaced by "Odin" so that the new paragraph will read as follows:

In this Order, we grant a request from the Illinois Consolidated Telephone Company (ICTC) and Odin Telephone Exchange, Inc. (Odin) for a waiver of the definition of "study area" contained in the Part 36 Appendix-Glossary of the Commission's rules. This waiver will permit ICTC to alter the boundaries of its Illinois study area to remove the Oblong and Martinsville, Illinois, telephone exchanges, which it is transferring to Odin. This waiver will also permit Odin to alter the boundaries of its Illinois study area to include the acquired exchanges.
