ERRATUM

Released: March 16, 2022

By the Chief, Wireline Competition Bureau:

On January 21, 2022, the Commission released a Report and Order and Further Notice of Proposed Rulemaking (*Report and Order*), FCC 22-2, in the above captioned proceeding. This Erratum amends the text of the *Report and Order* and Appendix A of the *Report and Order* as indicated below:

1. In paragraph 136, on page 65, the penultimate sentence is corrected to read as follows:
“However, we require providers to update their election notice to include information on device type, device make, device model, and market value of the device.”
2. Paragraph (g) of Section 54.1810, on page 159, is corrected to read as follows:
“(g) *Restrictions on switching service offerings.*

A participating provider shall not impose any restrictions on a household’s ability to switch Internet service offerings, unless, once the consumer enters a delinquent status after the bill due date, the provider limits available service plans to offerings that are covered by the full benefit amount upon advance notice to the household of the change in service.”
