

*A School You Can Have Faith In*

# *St. Mary School Algoma*

## *Enrolling Now for 2020-2021*

### *Keeping Our Students Safe*

In reopening five days a week for face-to-face instruction, the priority of St. Mary School Algoma is the health and well-being of our students, staff, and families. Our operational plans take into consideration guidelines from the Diocese of Green Bay, the CDC, state and local health agencies, and the Governor's mandates.

#### Screenings

- Temperature readings and screening protocols will be required daily for teachers and staff.
- Daily temperature readings and screening protocols will be done at home prior to students coming to school.

#### Cleaning and Disinfecting

- The building and frequently used surfaces will be disinfected regularly each day.
- Disinfection of frequently touched surfaces will occur throughout the day.

#### Strategic Social Distancing

- Mask-wearing protocol will adhere to CDC, state and local guidelines as well as Diocese of Green Bay guidelines.
- Classroom setups will honor social distancing.

#### Visitors and Volunteers

- Visitors and volunteers will be strictly limited in order to keep germs from spreading.

#### Field Trips and Assemblies

- Field trips will be delayed at this time.
- Assemblies will adhere to strict social distancing rules.

#### In-person and Virtual Learning

- Classes are expected to begin in-person, five days a week, with distancing options for students should an absence occur.
- Students and parents who prefer distance learning to in-person learning will discuss plans with the student's teacher(s).

#### Patience

- The present situation and any plans made are fluid. We thank you for your support and patience.
