WELCOME FROM ECHL COMMISSIONER

Dear ECHL Fans,

Welcome to the 2023-24 Season as we mark the 36th year of ECHL Hockey. This year we look to continue to build on our storied history and heritage that has made the ECHL the development league to the National Hockey League and American Hockey League, with over 740 players having graduated to the NHL, and bringing affordable entertainment to millions of fans in our markets.

Last season, the ECHL welcomed an average of 4,639 fans per game, marking the League's highest per-game average in nine years. Additionally, between the regular season and Kelly Cup Playoffs, an all-time record of 5,044,458 fans attended ECHL games!

We continue to pride ourselves on offering affordable entertainment to the communities we serve, welcoming sport fans, families, businesses, and groups of all sizes to enjoy an outing together and take in the exciting ECHL action and atmosphere for a combined first-class experience.

The ECHL would also like to congratulate the Florida Everblades who captured their second consecutive Kelly Cup title in 2023 in four games over the Idaho Steelheads with standing-room only crowds in both cities and the energy and the atmosphere was absolutely electric in these venues.

Our Teams continue to make an impact off the ice in their local communities as well, donating on ECHL record of over \$4M last Season. This is on top of the countless hours our Players and front office staff dedicate to local schools, hospitals, and charities to become an integral part of the community. In addition, the ECHL will once again partner with the National Hockey League in support of their Hockey Fights Cancer and Hockey is For Everyone initiatives to bring our communities together for a great cause and growing the game further throughout the continent.

The past 35 years have also allowed the ECHL to unquestionably become an integral part of the professional hockey player development process, as not only have the 740 players gone on to play in the NHL after their time in the ECHL (including 13 who made their NHL debut in 2022-23), but also countless officials, coaches and front office staff have moved on to the AHL and NHL as they have used the ECHL to develop their career. Notably from this past season, former Jacksonville and Trenton head coach Bruce Cassidy became the second consecutive former ECHL coach to lead his team to the Stanley Cup title as the Vegas Golden Knights defeated the Florida Panthers in the 2023 Stanley Cup Final.

The ECHL has been represented on the last 23 Stanley Cup champions including in 2023 with 16 individuals on the Vegas Golden Knights, including Assistant Coach Ryan Craig, players Laurent Brossoit, Adin Hill, Keegan Kolesar, Brayden Pachal, Jonathan Quick and Logan Thompson; Television Play-by-Play Announcer Dave Goucher; Television Analyst Shane Hnidy and Radio Play-by-Play Announcer Dan D'Uva. Overall, 16 individuals with ECHL ties were a part of the Golden Knights' organization, the most ECHL alums to ever included as part of the Stanley Cup champions.

Thank you on behalf of the ECHL and all of our Teams for your continued support and we hope that you and those you attend with enjoy following your favorite club and making lasting memories around the ECHL experience.

Sincerely,

Ryan Crelin
ECHL Commissioner

THE STEELHEADS WHO'S WHO

AJ WHITE // PATRICK KUDLA // MATT REGISTER // WADE MURPHY // ZANE FRANKLIN

#18 ^{AJ} WHITE

FORWARD // DEARBORN, MI : 6-2, 201 : 4/19/92

1. WHAT'S THE MOST MEMORABLE GAME YOU'VE PLAYED IN YOUR SIX SEASONS WITH THE STEELHEADS?

I WOULD SAY MY FIRST YEAR IN BOISE PLAYING ALLEN IN THE FIRST ROUND OF PLAYOFFS COMING BACK FROM BEING DOWN THREE GAMES TO NONE. WE FORCED GAME 7 BACK IN BOISE AND HEARING HOW LOUD THE CROWD WAS SOMETHING I'LL NEVER FORGET.

2. WHAT OTHER SPORTS DID YOU PLAY GROWING UP?

I PLAYED SOCCER UP UNTIL I WAS ABOUT SEVEN YEARS OLD. WE ACTUALLY HAD A REALLY GOOD TEAM GROWING UP AND EVEN PLAYED A FEW YEARS UP IN OUR AGE GROUP. ONCE I GOT TO THE AGE OF SEVEN IT TURNED INTO TRAVEL SOCCER AND IT GOT PRETTY EXPENSIVE SO MY DAD SAID I HAD TO CHOOSE EITHER HOCKEY OR SOCCER AND OBVIOUSLY I PICKED HOCKEY. IN HIGH SCHOOL ACTUALLY BELIEVE IT OR NOT I WAS A RUNNER. MY HIGH SCHOOL COACH WANTED ME TO QUIT HOCKEY AND MY DAD KIND OF LAUGHED AT HIM. THERE WAS NO SHOT I WAS QUITTING HOCKEY TO BE A RUNNER.

3. WHO'S BEEN THE FUNNIEST TEAMMATE YOU'VE PLAYED WITH HERE IN BOISE?

OWEN HEADRICK. HE IS JUST ALWAYS SMILING AND CAN'T HELP BUT SAY AND DO FUNNY THINGS AND ANYTIME HE IS AROUND IT MAKES ME LAUGH OR SMILE.

4. YOU GREW UP JUST OUTSIDE DETROIT, HOW MUCH DID THE RED WINGS INFLUENCE YOUR HOCKEY CAREER AND WHO WERE SOME OF YOUR FAVORITE PLAYERS TO WATCH?

THE DETROIT RED WINGS WERE A HUGE FACTOR FOR ME GETTING INVOLVED IN HOCKEY AND FALLING IN LOVE WITH THE GAME. WATCHING GUYS LIKE STEVE YZERMAN AND SERGEI FEDOROV SCORE BIG TIME GOALS AND HAVING TOUGHNESS WITH DARREN MCCARTY AND JOEY KOEUR MADE IT REALLY FUN TO WATCH.

5. YOU PLAYED FOUR YEARS OF COLLEGE HOCKEY AT UMASS LOWELL FROM 2012-16 HOW DID YOU END UP THERE?

IT WAS ACTUALLY MY ONLY DIVISION 1 OFFER AT THE TIME AND AFTER MY VISIT IT REALLY WAS A NO BRAINER FOR ME.

THE COACHING STAFFS PLANS AND MOTIVATION TO BECOME A TOP PROGRAM SOLD ME.

6. IF YOU COULD GO TO DINNER WITH ONE CELEBRITY WHO WOULD YOU PICK?

ADAM SANDLER. I CAN'T IMAGINE NOT LAUGHING THE WHOLE TIME AND ENJOYING ALL HIS DIFFERENT STORIES.

7. WHAT'S BEEN YOUR FAVORITE PLACE TO PLAY ON THE ROAD IN THE ECHL?

CHARLESTON, SC. I WENT THERE A HANDFUL OF TIMES DURING MY FIRST PRO SEASON IN 2017 WITH ATLANTA AND THEN IN 2018 WITH THE STEELHEADS. THE WEATHER IS BEAUTIFUL, AND THE TOWN HAS PLENTY OF THINGS TO DO.

#47 PATRICK KUDLA

DEFENSEMAN // GUELPH, ONTARIO : 6-3, 174 : 4/2/96

1. HOW DID YOU END UP IN BOISE?

I PLAYED MY FIRST FOUR PRO SEASONS OVER IN EUROPE BUT WAS LOOKING TO COMEBACK TO NORTH AMERICA TO PLAY AND SEE WHAT THE GAME WAS LIKE. I WAS BACK IN ONTARIO DURING THE SUMMER OF 2022 SKATING WITH A BUNCH OF OTHER PRO, COLLEGE, AND JUNIOR PLAYERS. ODDLY ENOUGH ONE OF THEM HAPPENED TO BE RICH PEVERLY WHO IS DIRECTOR OF PLAYER PERSONNEL WITH THE DALLAS STARS AND FROM MY HOMETOWN. I HAD CHATTED WITH HIM ABOUT GETTING IN TOUCH WITH AN ECHL TEAM AND WITH HIM WORKING IN DALLAS AND HIS TIES TO IDAHO HE INTRODUCED ME TO COACH SHEEN AND WE HIT IT OFF RIGHT AWAY.

2. HOW DID YOU LOSE YOUR TWO TEETH?

I WAS PLAYING AT THE UNIVERSITY OF GUELPH AND WE WERE PLAYING WESTERN ONTARIO, A TEAM WHICH A LOT OF MY BUDDIES WERE ON. IT WAS A 5-2 GAME I WAS BEHIND THE NET AND MY FRIEND WAS IN FRONT AND WE WERE KIND OF CHIRPING EACH OTHER IN A FRIENDLY WAY. HE SKATED ME OUT FROM BEHIND THE NET AND I COULD FEEL HIS STICK COMING UP MY SHOULDER. HE WAS KIND OF GENTLY WHACKING ME AND THEN ALL THE SUDDEN HE MISSED MY SHOULDER AND HIT ME SQUARE IN THE MOUTH. I HAVE FAKE ONES THAT I PUT IN NOW AND I WHEN I DON'T HAVE THEM IN MY MOM ISN'T VERY HAPPY HAHA.

3. WHAT'S YOUR FAVORITE RESTAURANT IN BOISE TO EAT AT?

THERE'S SO MANY TO CHOOSE FROM IN A BEAUTIFUL CITY LIKE BOISE BUT ONE THAT MY GIRLFRIEND AND I ENJOY THE MOST IS PROBABLY EUREKA! THEY HAVE SO MANY OPTIONS. YOU CAN'T GO WRONG THERE!

4. HOW DID YOU PICK THE JERSEY NUMBER 47?

47 IS SPECIAL TO ME AS IT'S A NUMBER I WEAR FOR MY MOM. SHE'S DONE SO MUCH FOR ME IN MY CAREER HELPING ME ALONG THE WAY SO I WEAR IT BECAUSE HER BIRTHDAY IS APRIL 7TH.

5. WHO HAS HAD THE BIGGEST INFLUENCE ON YOUR HOCKEY CAREER AND WHY?

I DON'T THINK THERE IS JUST ONE PERSON REALLY. I'VE BEEN VERY FORTUNATE TO HAVE A LOT OF GREAT PEOPLE IN MY CORNER ALONG THIS INCREDIBLE RIDE.

6. WHAT'S ONE PLACE YOU'VE NEVER VISITED THAT YOU HAVE ALWAYS WANTED TO GO TO?

ALMAFI COAST IN ITALY.

7. WHAT'S THE MOST MEMORABLE HOCKEY GAME YOU HAVE BEEN A PART OF?

PROBABLY A GAME I PLAYED IN THE CZECH LEAGUE. IT WAS THE FINAL GAME OF THE SEASON AND WE WERE PLAYING TO KEEP OUR TEAM IN THE TOP LEAGUE. THE BEST PART ABOUT THIS WAS THAT JAROMÍR JÁGR WAS PLAYING ON THE OTHER TEAM. BEING THE HUGE HOCKEY NERD THAT I AM GETTING THE CHANCE TO LINE UP AGAINST A GUY LIKE THAT MAKES THAT GAME PROBABLY THE MOST MEMORABLE.

6. WHO'S THE BIGGEST CHARACTER ON THE STEELHEADS AND WHY?

ZANE FRANKLIN. HE'S ALL OVER THE PLACE AND YOU NEVER KNOW WHAT KIND OF STORIES HE IS GOING TO GIVE YOU.

7. HOW'D YOU PICK THE NUMBER 43 AND HOW LONG HAVE YOU BEEN WEARING IT?

I GOT ASSIGNED 43 MY FIRST SEASON IN THE ECHL WITH THE ONTARIO REIGN. I THOUGHT IT WAS DIFFERENT AT THE TIME BECAUSE NOT A LOT GUYS WORE IT. SO EVER SINCE THEN I'VE LET IT RIDE AND WORE IT AND TAKE A LOT OF PRIDE IN WEARING IT.

8. WHAT'S YOUR PRE-GAME MEAL?

USUALLY, CHICKEN AND PASTA OR SALMON AND RICE. I KEEP IT SIMPLE AND WHATEVER I'M FEELING THAT DAY AFTER PRE-GAME SKATE I'LL EAT.

#6 WADE MURPHY

FORWARD // VICTORIA, BC : 6-0, 194 : 10/22/93

MURPHY MOST OF LIFE. WHEN I WAS REAL YOUNG, IT WAS KRAMER FROM SEINFELD BECAUSE I HAD REALLY CURLY HAIR.

2. HOW WERE YOUR PLAYING EXPERIENCES IN EUROPE AND WHAT MADE YOU WANT TO RETURN TO NORTH AMERICA TO PLAY?

I REALLY ENJOYED EUROPE HAVING THE OPPORTUNITY TO EXPERIENCE DIFFERENT CULTURES AND COUNTRIES WAS AN EYE-OPENING EXPERIENCE. IF IDAHO WASN'T SUCH A SPECIAL PLACE AND TEAM, I WOULD PROBABLY STILL BE PLAYING OVERSEAS.

3. YOU SCORED A HAT TRICK LAST YEAR IN THE PLAYOFFS ... HOW MANY HAT TRICKS HAVE YOU SCORED IN YOUR CAREER AND WHEN WERE THEY?

I DON'T KNOW EXACTLY HOW MANY HAT TRICKS I HAD DURING MINOR HOCKEY BUT THAT WAS MY FIRST PROFESSIONAL ONE AND I'LL NEVER FORGET IT OR THAT GAME.

4. YOU'RE FROM CANADA BUT YOU ARE A PRETTY BIG SEATTLE SEAHAWKS FAN ... WHERE DID THAT FANDOM COME FROM?

MOST PEOPLE FROM VICTORIA SUPPORT THE SEAHAWKS. I WILL ALWAYS BE LOYAL TO THEM. WE WENT TO A GAME AT LUMEN FIELD IN SEPTEMBER THIS YEAR AND IT'S SOMETHING EVERYONE SHOULD EXPERIENCE. YOU DON'T KNOW WHAT LOUD IS UNTIL YOU SEE A SEAHAWKS GAME.

5. WHAT ARE THREE RANDOM FACTS ABOUT YOU THAT SOMEONE MIGHT NOT KNOW BY JUST WATCHING YOU PLAY ON THE ICE?

I SHARE A BIRTHDAY WITH CURLY FROM THE THREE STOOGES. I HIT RIGHT AND THROW LEFT WHEN I PLAY BASEBALL WHICH IS RARE. AND I'VE BEEN TO 26 MLB STADIUMS AND A DOZEN OR SO MINOR LEAGUE PARKS.

6. IF YOU HAD TO MAKE A STARTING LINEUP WITH ... GILLY, BEAST, CAM, SHEENER, AND KEENAN ... WHERE WOULD YOU PUT EACH PERSON IN A HOCKEY STARTING LINEUP?

SHEENER (CENTER), GILLY (LEFT WING), CAM (RIGHT WING), BEAST (RIGHT DEFENSE), AND KEENAN (LEFT DEFENSE).

7. WHAT'S ONE ITEM OF FOOD OR MEAL YOU WOULD NEVER EAT?

CLAMS. I THINK IT'S JUST THE TEXTURE, I CAN'T DO IT.

3. WHEN'S THE LAST TIME YOU'VE BEEN FULLY CLEAN SHAVEN?

PROBABLY WHEN I WAS 18 YEARS OLD AND WENT TO WHL CAMP.

4. BEFORE COMING TO BOISE WHAT DID YOU KNOW OR WHAT HAD YOU HEARD ABOUT THE CITY?

I HAD ONLY HEAD AWESOME THINGS ABOUT BOISE AND HOW SPECIAL IT WAS TO PLAY FOR THE STEELHEADS. I DIDN'T KNOW MUCH ABOUT THE CITY BUT I'VE ENJOYED IT EVER SINCE COMING HERE LAST SEASON.

5. AT WHAT AGE DID YOU GET IN YOUR FIRST FIGHT AND WHAT DO YOU REMEMBER ABOUT IT?

IT WAS MY FOURTH GAME IN JUNIORS BUT I DON'T REMEMBER VERY MUCH ABOUT IT. I DO REMEMBER LOOKING UP AT THE JUMBOTRON AFTER THE FIGHT THINKING THAT WAS WAY EASIER THAN I THOUGHT IT WOULD BE.

FROM IDAHO TO "THE SHOW"

The Steelheads now have 24 players reach the National Hockey League with the most recent being goaltender Landon Bow. Bow made his NHL debut with the Dallas Stars on Feb. 14, 2018, becoming the 11th player to join the Steelheads' NHL affiliate since the partnership began in the mid-2000s. He is also the fifth former Steelheads goaltender to make an appearance in the NHL. The most recent call-up to the NHL was goaltender Rémi Poirier to the Dallas Stars in 2022-2023 season, but because he did not play he is not on the list. Here is the full list:

FISH TALES

THE IDAHO STEELHEADS BOOSTER CLUB

The ISBC is a non-profit organization designed to help facilitate team members' involvement in the community and to help acclimate the players to our area through charity fundraisers, children's activities, and social events where players and fans can meet.

In any given week, the Idaho Steelheads are zipping from state to state across the country, while at the same time welcoming new players to Boise or sending accomplished men to the next level of pro hockey in the AHL, all while trying to compete for a third Kelly Cup and continuing to make a positive impact here in the Treasure Valley.

Accomplishing all these goals would not be possible without a very special organization of dedicated fans who serve as one of the ECHL's most valuable support systems; the Idaho Steelheads Booster Club. "The Steelheads Booster Club is such an important part of this organization," said Steelheads Head Coach Everett Sheen. "Their devotion to helping the players and this organization is second-to-none, and we greatly appreciate the work that they do."

"It's remarkable to have such dedicated fans who care so much about the results on the ice and the team's ability to give back to Boise, and who work so hard to positively impact both," said Steelheads President Eric Trapp. "We're incredibly proud of the Booster Club and the work they do to embrace our players and help create a family environment for our organization."

The Booster Club's presence is always felt around the Steelheads team and Idaho Central Arena. Some of the team's most passionate fans are proud to call themselves Boosters, and they make an impact on game nights, as well as away from the rink.

When a new Steelheads player arrives in Boise for the first time, that player will walk into his new apartment stocked with all the necessary household items needed, such as linens, towels, kitchen utensils, cookware, small appliances; even the beds are made! The first few days of basic grocery items are in the cupboards. These items and more have all been supplied and organized by members of the Idaho Steelheads Booster Club.

After a long stint on the road, the first people the team sees at the airport are Steelheads Boosters, greeting the team with fanfare, goodies and grins.

Building such close relationships, the Steelheads and the Boosters also come together for special events during the season, like Bowling & Go Cart Nights, Meet the Team events, and a warm, homestyle Christmas banquet, complete with stockings and a gift exchange for the players.

"I'm proud of the work we've accomplished over the 26 years I've been honored to be a part of this great organization," said Rocci Johnson, an original founding member of the ISBC and creator of the Steelheads Lending Closet as well as many of the charitable events and causes the ISBC hosts annually. "It's a long way since the days of taking supplies out of our own closets at home to welcome our Steelheads to our fair city. The guys often arrived in town with just a duffel bag and not much else. Now, players arrive to a fully stocked apartment, and take part in many activities throughout the season that give them a sense of home and family here in Boise. Many players have found Boise such a welcoming community that they've wound up settling here, marrying, going into business, and raising little hockey players of their own."

The Idaho Steelheads Booster Club takes the lead on numerous charitable events during the regular season, with the annual USMC's Teddy Bear Toss for Tots among the fan-favorites. Over 25 seasons the ISBC has collected over 110,000 toys for local kids and raised nearly the same amount in cash donations. The event has become a

key component of local Marines' efforts to make a very merry Christmas for children living in the Treasure Valley.

Over the last thirteen years, the Steelheads Boosters Club has also raised tens of thousands of dollars in support of youth hockey in the Treasure Valley. Each year, funds have been granted to youth hockey programs for local children who love the sport but whose families cannot afford it.

The Bobby Skinner Youth Hockey Scholarship Fund is named in honor of a beloved Boise State Men's Hockey player, Bobby Skinner, who was killed in a tragic gun accident in 2019. "Bobby was a shining example of a dedicated athlete who worked his way up through the sport to the elite college level with determination and commitment. If others can learn from Bobby's example how to be a great human being, on and off the ice, we will all be better for it", said Rocci Johnson, founder of the ISBC's Youth Hockey Scholarship.

This year, funds from the scholarship will purchase expensive but badly needed youth goalie gear, along with hosting a 2nd Annual Youth Hockey Girls Camp this spring.

Last season, with the support of the tight-knit hockey community here in the Treasure Valley, the ISBC raised over \$30,000.00 to help offset medical costs for longtime Steelheads Zamboni driver, Paul Homola, who suffered a debilitating stroke in Dec 2022. "It's efforts like these that make me so proud to be a part of the work of the Steelheads Boosters", said ISBC President Rob McSweeney.

The Idaho Steelheads Booster Club is enthusiastically welcoming new members. Fans interested in joining can visit the Club's table at any Steelheads home game on the arena concourse behind Section 115 or visit the club's website at the link below for more information.

Join today and become a part of this special organization to meet your favorite Steelheads and make a difference in the Idaho hockey community! As Coach Sheen says, "We're very lucky to work so closely with such an incredible group."

If you are interested or have more questions, please contact our Booster President Rob McSweeney at rob.mcsweeney@albertsons.com or stop by the Booster Club table on the concourse during games.

CALLS OF THE GAME

BOARDING:

Pounding the closed fists of one hand into the open palm of the other hand. Called for driving opponent into boards.

HOOKING:

A tugging with both arms, as if pulling toward the stomach. Called for using stick or blade to hook opponent.

HOLDING:

Clasping the wrists in front of the chest. Called for using hands on opponent or his equipment.

ELBOWING:

Tapping either elbow with the opposite hand. Called when using elbow to impede opponent.

DELAYED CALLING OF PENALTY:

Referee extends arms and points to penalized Player until penalized team regains possession of puck.

CHARGING:

Rotating clenched fists around one another in front of chest. Called for taking more than three strides before checking opponent.

INTERFERENCE:

Crossed arms stationary in front of the chest. Called for having contact with opponent not in possession of the puck.

SLASHING:

A chopping motion with the edge of hand across the opposite forearm. Called for swinging stick at opponent.

WASH OUT:

Both arms swung laterally across the body with palms down. When used by the referee, it means the goal is disallowed. When used by linesman, it means no icing or offside.

SLOW WHISTLE:

The arm not holding the whistle is extended above the head. If play returns to the neutral zone without a stoppage, the arm is drawn down the instant the puck crosses the line.

CROSS CHECKING:

A forward and backward motion with both fists clenched extending from the chest. Called for hitting opponent with both hands on the stick and no part of stick on the ice.

TRIPPING:

Strike the right leg with the right hand below the knee, keeping both skates on the ice. Called for using stick, arm, or leg to cause the opponent to trip or fall.

KNEEING:

Slapping the knee with palm of hand. Called when using knee to impede opponent.

UNSPORTSMANLIKE CONDUCT:

Use of both hands to form a "T" in front of the chest.

ROUGHING:

A thrusting motion using the right arm extending from the side. Called for engaging in fisticuffs or shoving.

SPEARING:

A stabbing motion with both hands thrust out in front of the body. Called for using the stick like a spear.

ICING:

Arms folded across the chest. One linesman raises an arm over head to indicate possible icing. When his partner raises his arm, whistle is blown and the icing signal is given.

MISCONDUCT:

Placing of both hands on hips and pointing to penalized player. Called for various forms of misconduct or when a player incurs a second major penalty in a game.

HIGH STICKING:

Holding both fists clenched, one immediately above the other at the height of the forehead. Called for carrying stick above shoulder against opponent.

PENALTIES

A team plays shorthanded when one or more of its players is charged with a penalty. No team is forced to play more than two men below full (six men) strength at anytime. Whenever a third penalty is called, it is suspended until the first expires. On penalties called on the goalkeeper, a teammate serves his time in the penalty box.

MINOR PENALTY (TWO MINUTES)

Called for tripping, hooking, spearing, slashing, charging, roughing, holding, elbowing or boarding.

MAJOR PENALTY (FIVE MINUTES)

Called for fighting or when minor penalties are committed with deliberate attempt to injure. Major penalties for slashing, spearing, high sticking, butt-ending and cross-checking carry automatic game misconducts.

MISCONDUCT (10 MINUTES)

Called for various forms of unsportsmanlike behavior or when a player incurs a second major penalty in a game. This is a penalty against an individual and not a team, so a substitute is permitted.

PENALTY SHOT

A free shot, unopposed except by the goalkeeper, given to a player who is illegally impeded from behind when in possession of the puck and with no opponent between him and the goal except the goalie. The team that commits the offense is not penalized beyond the penalty shot, whether it succeeds or not.

DELAYED PENALTY

Whistle delayed until penalized team regains possession of the puck.

HOCKEY TALK

A - Letter worn on the uniform of the alternate captain (s).

ASSIST - An assist is awarded to a player for helping set up a goal. Assists are awarded to the last man or two men to handle the puck prior to the goal.

ATTACK - Advancing the puck toward your opponent's goal.

ATTACKING ZONE - The area of the rink from the opponent's blue line to the end of the rink that contains the opposition's goal. The zone where the team attempts to score.

BACKCHECK - Legal attempt by forwards on their way to their defensive zone to regain control of the puck. Forwards in the enemy zone pick up their man and skate back quickly to their own end of the ice to protect their goal and keep the opponent from shooting.

BLUE LINE - The pair of 1-foot-wide lines that extend across the ice at a distance of 60 feet from each goal. These lines divide the ice into attacking, neutral and defensive zones.

BOARDS - The wall that encloses the ice surface.

BODYCHECK - Slowing or stopping an opponent with the puck by using hip or shoulder.

BREAKAWAY - A puck carrier has a breakaway when there is no opponent between him and the opposition's goal except the goalie.

BREAKOUT - Beginning an offensive rush by passing the puck out of the defensive zone up to the neutral ice zone.

BUTT-ENDING - To hit an opponent with the end of the stick farthest from the blade. Illegal and calls for a penalty.

C - Letter worn on the uniform of the team captain.

CENTER RED LINE - The line that divides the ice in half and is the center of the neutral zone.

CHARGING - If more than three strides are taken before checking an opponent, it constitutes charging. Illegal and calls for a penalty.

CLEARING THE PUCK - When the puck is passed or shot away from the front of the net or other congested area, the player is clearing the puck.

CORNERS - Four curved areas of the hockey rink where a great deal of the action takes place.

CREASE - The area in front of the goal marked off by a thin red line in the shape of a semi-circle.

CROSS CHECKING - To hit an opponent with both hands on the stick and no part of the

stick on the ice. Calls for a penalty.

DEFENDER - A player guarding his own goal.

DEFENSIVE ZONE - A team's end zone where it tries to prevent goals from being scored.

DEKE - A deke is a fake by a puck carrier to stick handle his way around an opponent or to make the goalie move out of position.

DROP PASS - An offensive maneuver that occurs when the puck carrier leaves the puck behind to be picked up by a trailing teammate.

FACEOFF - To start the play at any time, the puck is dropped between two opposing players facing each other. Time starts when the puck is dropped.

FIVE-HOLE - The open area between the goalie's legs where the opponents frequently attempt to shoot the puck.

FORECHECK - To keep opponents in their end of the rink while trying to regain control of the puck. Forwards forecheck by hustling in the opponent's defensive zone to either keep the puck there or take it away.

FREEZING THE PUCK - A player freezes the puck by holding it against the boards with the stick or skates.

GOAL MOUTH - The area just in front of the goal and crease lines.

HEADMANNING - A forward pass made to an attacking player.

HIGHSTICKING - The carrying of the stick above shoulder level. This is always illegal. If stick is used against an opponent, it results in a penalty.

HOOING - To impede an opponent with the blade of your stick. Illegal.

ICING THE PUCK - To deliberately shoot the puck from behind the center red line over the opponent's goal line (the red line running across the front of the nets).

INTERFERENCE - To hinder or restrain a player not immediately involved in playing the puck. Illegal.

KICKED GOAL - A goal kicked into the opponent's net intentionally. It is disallowed.

MAN ADVANTAGE - A team with one or more players on the ice than its opponent.

MAJOR PENALTY - A five-minute penalty assessed for fighting and other flagrant minor infractions.

MINOR PENALTY - A two-minute penalty assessed for general infractions.

MISCONDUCT PENALTY - A 10-minute penalty against the individual, not the team. A substitute is permitted. Called for insubordination

or when a player incurs a second major penalty in a game. Game misconduct is called when any player is the first to intervene in an altercation and for major penalties of slashing, spearing, high sticking, butt-ending and cross checking.

NEUTRAL ZONE - The central ice area between the defending and attacking zones enclosed by the two blue lines is called the neutral zone.

OFFENSE - Controlling the puck or on the attack.

OFFSIDES - Called when player precedes puck into the attacking zone.

OFFSIDE PASS - Called when the puck is passed to teammate across two or more lines. Illegal and calls for a faceoff from the point where pass was originated.

OFFENSIVE ZONE - The area of the rink within the opponent's blue line that contains opposition's goal. It's the zone where teams attempt to score.

ONE-TIMER - Hitting the puck directly after receiving a pass. The player takes his backswing while the puck is on its way to him and aims the puck at the net.

PENALTY BOX - The area opposite the team benches where penalized players serve their designated time. No player may leave this area until his penalty has expired (or if he is serving a minor penalty, he may leave if the opposition scores.)

PENALTY KILLING - The act of preventing goals while playing short-handed.

PENALTY SHOT - A penalty shot is a one-on-one showdown between an offensive player and the goalie. Penalty shots are called when a player is fouled from behind and denied a breakaway scoring opportunity. They're also called for deliberately displacing the goal post during a breakaway, or when a defending player other than the goalie covers the puck in the crease. The player who was impeded takes the puck from the center ice and skates in alone on the goalie to attempt to score. The player can score only on the original shot.

POINT - The point is a position just inside the opposition's blue line close to the boards on either side of the rink. A defenseman usually mans this position when his team is in control of the puck in the opponent's zone.

POINT MAN - The defenseman in the attacking zone.

POKE CHECK - Players try to dislodge the puck carrier by stabbing at it with the blade of the stick. Legal.

POWER PLAY - When a team has the advantage of an extra man because of a penalty to the other team, they are on the power play.
