**Directors' report**  
**for the year ended 30 June 2017 (continued)**

**Principal activities**

During the financial year ended 30 June 2017, the principal activities of the Group were to:

- Reduce the prevalence and impact of depression and anxiety conditions, and suicide in the Australian community by supporting people to protect and manage their mental health and to recover when they are unwell.
- Reduce people's experiences of stigma and discrimination relating to depression, anxiety conditions and suicide.
- Improve people's opportunities to get effective support and services at the right time for depression and anxiety conditions and to prevent suicide.
- Use best practices to deliver integrated, evidence-based and cost-efficient initiatives through our people and resources.

There were no significant changes in the nature of the activities of the Group during the year.

**Review and result of operations**

The Group's surplus from ordinary activities for financial year 2017 amounted to \$4,313,067 (2016 deficit: \$6,716,034). The Company's surplus from ordinary activities for the financial year 2017 amounted to \$4,152,138 (2016 deficit: \$6,274,891).

The Group has been granted exemption from income tax under Section 50-5 of the Income Tax Assessment Act (1997). Beyond Blue Limited was initially funded for a five year term from 2000–2005. Commonwealth funding is contracted until 30 June 2019, State and Territory Government funding is contracted for periods up to 30 June 2020.

**Change in state of affairs**

Effective 30 June 2017 The Honourable Jeffrey Kennett retired as the Chair of Beyond Blue Limited. Effective 1 July 2017 The Honourable Julia Gillard was appointed to the position of Chair of Beyond Blue Limited.

During the financial year under review, Prof Brett McDermott retired from his position as a member of the Board on 18 October 2016. Ms Kate Carnell AO joined the Board on 13 December 2016 and The Hon. Rob Knowles AO joined the Board on 1 February 2017.

**Events subsequent to reporting date**

In the interval between the end of the financial year and the date of this report, no item, transaction or event of a material and unusual nature likely, in the opinion of the Directors of the Company, has arisen to affect significantly the operations of the Group, the results of those operations, or the state of affairs of the Group, in future financial years.

**Directors' report**  
**for the year ended 30 June 2017 (continued)**

**Likely developments**

It is not foreseen that the Group will undertake any change in its general direction during the coming financial year. The Group will continue to pursue its objective of increasing the capacity of the Australian community to respond effectively to depression and anxiety and to prevent suicide through its principal activities.

**Indemnification and insurance of officers and auditors**

***Indemnification***

The company has not indemnified or made a relevant agreement for indemnifying against a liability any person who is or has been an officer or auditor of the Company.

***Insurance premiums***

During the financial year the Company has paid premiums in respect of directors' and officers' liability and legal expenses insurance contracts for the year ended 30 June 2017. Such insurance contracts insure against certain liability (subject to specific exclusions) persons who are or have been directors or executive officers of the Company. The directors have not included details of the nature of the liabilities covered or the amount of the premium paid in respect of the directors' and officers' liability and legal expenses' insurance contracts, as such disclosure is prohibited under the terms of the contract.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**1. Reporting entity**

Beyond Blue Limited (the "Company") is a company limited by guarantee, domiciled in Australia. The address of the Company's registered office is 290 Burwood Road, Hawthorn, VIC, 3122. The consolidated financial statements of the Company as at and for the year ended 30 June 2017 comprise the Company and its subsidiary (together referred to as the "Group".) The Company is a not-for-profit entity primarily involved in the business of creating change to protect everyone's mental health and improving the lives of individuals, families and communities in Australia, affected by anxiety, depression and suicide.

**2. Basis of preparation**

**(a) Statement of compliance**

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (AASBs) (including Australian Accounting Interpretations) adopted by the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-Profits Commission Act 2012. The financial statements were approved by the Board of Directors on 17 October 2017.

**(b) Basis of measurement**

The financial statements have been prepared on the historical cost basis. Historical cost is generally based on the fair values of the consideration given in exchange for assets.

**(c) Functional and presentation currency**

These financial statements are presented in Australian dollars, which is the Group's functional currency.

**(d) Use of estimates and judgements**

The preparation of financial statements in conformity with AASBs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The major areas of judgement refer to plant and equipment, and intangible assets estimates with respect to:

- residual values;
- the estimated costs of dismantling, removing or restoring items of plant and equipment
- useful lives; and
- depreciation methods.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**3. Significant accounting policies**

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, and have been applied consistently by group entities.

**(a) Basis of consolidation**

**(i) Subsidiaries**

Subsidiaries are entities controlled by the Group. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases.

**(ii) Loss of control**

Upon the loss of control, the Group derecognises the assets and liabilities of the subsidiary, any non-controlling interests and the other components of equity related to the subsidiary. Any surplus or deficit arising on the loss of control is recognised in profit or loss. If the Group retains any interest in the previous subsidiary, then such interest is measured at fair value at the date that the control is lost. Subsequently it is accounted for as an equity-accounted investment or as an available-for-sale financial asset depending on the level of influence retained.

**(iii) Transactions eliminated on consolidation**

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the consolidated financial statements.

**(b) Financial instruments**

**(i) Non-derivative financial assets**

The Group initially recognises loans and receivables and deposits on the date that they are originated. All other financial assets are recognised initially on the trade date at which the Group becomes a party to the contractual provisions of the instrument.

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Group is recognised as a separate asset or liability.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The Group has the following non-derivative financial assets: financial assets at fair value through profit or loss, held-to-maturity financial assets, and trade and other receivables.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**3. Significant accounting policies (continued)**

**(b) Financial instruments (continued)**

**(i) *Non-derivative financial assets (continued)***

*Held-to-maturity financial assets*

If the Group has the positive intent and ability to hold term deposits to maturity, then such financial assets are classified as held-to-maturity. Held-to-maturity financial assets are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, held-to-maturity financial assets are measured at amortised cost using the effective interest method, less any impairment losses. Held to maturity financial assets comprise term deposits.

*Trade and other receivables*

Trade and other receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, trade and other receivables are measured at amortised cost using the effective interest method, less any impairment losses. Refer to note 3(f).

*Cash and cash equivalents*

Cash and cash equivalents comprise cash balances and call deposits with original maturities of three months or less from the acquisition date which are subject to insignificant risk of change in their face value, and are used by the Group in the management of its short term commitments.

**(ii) *Non-derivative financial liabilities***

All financial liabilities are recognised initially on the trade date at which the Group becomes a party to the contractual provisions of the instrument. The Group derecognises a financial liability when its contractual obligations are discharged, or cancelled or expired.

The Group classifies non-derivative financial liabilities into the other financial liabilities category. Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortised cost using the effective interest method. Other financial liabilities comprise trade and other payables.

**(iii) *Share Capital***

The Company is limited by guarantee and does not have any share capital. The liability of the members is limited to \$50 each.

**(c) Plant and equipment**

**(i) *Recognition and measurement***

Items of plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the asset.

When parts of an item of plant and equipment have different useful lives, they are accounted for as separate items of plant and equipment.

**(c) Plant and equipment (continued)**

**(i) Recognition and measurement (continued)**

Gains and losses on disposal of an item of plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of plant and equipment and are recognised net within other income or expense in surplus or deficit.

**(ii) Subsequent costs**

The cost of replacing a part of an item of plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of plant and equipment are recognised in surplus or deficit.

**(iii) Depreciation**

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value. Significant components of individual assets are assessed and if a component has a useful life that is different from the remainder of that asset, that component is depreciated separately.

Depreciation is recognised in surplus or deficit on a straight-line basis over the estimated useful lives of each component of an item of plant and equipment. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Group will obtain ownership by the end of the lease term.

The estimated useful lives in the current and comparative periods are as follows:

- Furniture and fittings	2–5 years
- Computer equipment	2–5 years
- Office equipment	2–5 years
- Leasehold improvements	3–5 years

Depreciation methods, useful lives and residual values are re-assessed at the reporting date.

**(d) Intangibles**

Other intangible assets that are acquired by the Group and have finite useful lives are measured at cost less accumulated amortisation and accumulated impairment losses. Other intangible assets comprise computer software and website development.

**(i) Subsequent expenditure**

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in surplus or deficit as incurred.

**(ii) Amortisation**

Amortisation is calculated over the cost of the asset, or another amount substituted for cost, less its residual value.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**3. Significant accounting policies (continued)**

**(d) Intangibles (continued)**

**(ii) Amortisation (continued)**

Amortisation is recognised in the surplus and deficit on a straight line basis over the estimated useful lives of intangible assets, from the date that they are available for use. The estimated useful life for the current and comparative periods is as follows:

- Computer software	3 years
- Website development	3 years

Amortisation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

**(e) Leased assets**

All leases held during the year are operating leases and are not recognised in the Group's statement of financial position.

**(f) Impairment**

**(i) Non-derivative financial assets**

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets (including equity securities) are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Group on terms that the Group would not consider otherwise, indications that a debtor or issuer will enter bankruptcy, or the disappearance of an active market for a security. In addition, for an investment in an equity security, a significant or prolonged decline in its fair value below its cost is objective evidence of impairment.

The Group considers evidence of impairment for receivables and held-to-maturity investment securities at both a specific asset and collective level. All individually significant receivables and held-to-maturity investment securities are assessed for specific impairment.

All individually significant receivables and held-to-maturity investment securities found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Receivables and held-to-maturity investment securities that are not individually significant are collectively assessed for impairment by grouping together receivables and held-to-maturity investment securities with similar risk characteristics.

In assessing collective impairment the Group uses historical trends of the probability of default, timing of recoveries and the amount of loss incurred, adjusted for management's judgement as to whether current economic and credit conditions are such that the actual losses are likely to be greater or less than suggested by historical trends.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**3. Significant accounting policies (continued)**

**(f) Impairment (continued)**

**a. Non-derivative financial assets (continued)**

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Losses are recognised in surplus or deficit and reflected in an allowance account against receivables or held-to-maturity investments. Interest on the impaired asset continues to be recognised through the unwinding of the discount. When a subsequent event (e.g. repayment by a debtor) causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through surplus or deficit.

**b. Non-financial assets**

The carrying amounts of the Group's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in surplus or deficit.

The recoverable amount of an asset is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

**(g) Employee benefits**

**(i) Long-term employee benefits**

The Group's net obligation in respect of long-term employee benefits other than defined benefit plans is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on government bonds that have maturity dates approximating the terms of the Group's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

**(ii) Short-term employee benefits**

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. Liabilities for employee benefits for wages, salaries and annual leave represent present obligations resulting from employees' services provided to reporting date and are calculated at undiscounted amounts based on remuneration wage and salary rates that the Group expects to pay as at reporting date including related on-costs, such as workers compensation insurance and payroll tax.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**3. Significant accounting policies (continued)**

**(h) Revenue**

**(i) Government funding**

Funding comprises the amounts received from the Commonwealth, State and Territory Governments.

The Group has elected to early adopt the revenue recognition requirements of AASB 15 *Revenue from Contracts with Customers*. The standard has an application date of 1 January 2019 with early adoption permitted.

The standard has been applied retrospectively to each prior reporting period presented in accordance with AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and the transitional provisions required under AASB 15 *Revenue from Contracts with Customers*.

Revenue from government funding is recognised when the specific performance obligations within an enforceable government funding contract are satisfied. Revenue is deferred where the performance obligations or the contractual milestones of the funding agreement have not been met and where the contractual arrangements require the repayment of funds not committed to program delivery. The amount of income deferral as at 30 June 2017 is \$15,736,633 (2016: \$nil).

**(ii) Donations**

Donations are recognised as revenue upon receipt.

**(iii) Interest**

Interest is recognised as revenue on an accruals basis.

**(iv) Other investment income**

Other investment income is recognised on contracted terms.

**(i) Lease payments**

Payments made under operating leases are recognised in surplus or deficit on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

*Determining whether an arrangement contains a lease*

At inception of an arrangement, the Group determines whether such an arrangement is or contains a lease. A specific asset is the subject of a lease if fulfilment of the arrangement is dependent on the use of that specified asset. An arrangement conveys the right to use the asset if the arrangement conveys to the Group the right to control the use of the underlying asset.

At inception or upon reassessment of the arrangement, the Group separates payments and other consideration required by such an arrangement into those for the lease and those for other elements on the basis of their relative fair values. If the Group concludes for a finance lease that it is impracticable to separate the payments reliably, an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. Subsequently the liability is reduced as payments are made and imputed finance charge on the liability is recognised using the Group's incremental borrowing rate.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**3. Significant accounting policies (continued)**

**(j) Finance income and expenses**

Finance income comprises interest income on funds invested and fair value gains on financial assets at fair value through profit or loss. Interest income is recognised as it accrues, using the effective interest method. Finance expense comprises changes in the fair value of financial assets at fair value through profit and loss.

**(k) Income tax**

The Group has an exemption from income tax under Section 50-5 of the Income Tax Assessment Act (1997).

**(l) Goods and services tax**

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the Australian Tax Office (ATO) is included as a current asset or liability in the balance sheet.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

**(m) Adoption of new and revised Accounting Standards**

**Amendments to Accounting Standards that are mandatorily effective for the current reporting period**

The Group has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to their operations and effective for an accounting period that begins on or after 1 July 2016.

New and revised Standards and amendments thereof and Interpretations effective for the current year end that are relevant include:

- *AASB 1057 Application of Australian Accounting Standards and AASB 2015-9 Amendments to Australian Accounting Standards – Scope and Application Paragraphs*
- *AASB 2014-4 Amendments to Australian Accounting Standards – Clarification of Acceptable Methods of Depreciation and Amortisation*
- *AASB 2015-1 Amendments to Australian Accounting Standards – Annual Improvements to Australian Accounting Standards 2012-2014 Cycle*
- *AASB 2015-2 Amendments to Australian Accounting Standards – Disclosure Initiative: Amendments to AASB 101*

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**3. Significant accounting policies (continued)**

**New and revised Australian Accounting Standards in issue but not yet effective**

At the date of authorisation of the financial statements, the Group has not applied the following new and revised Australian Accounting Standards, Interpretations and amendments that have been issued but are not yet effective:

**(m) Adoption of new and revised Accounting Standards (continued)**

**4. Determination of fair values**

A number of the Group's accounting policies and disclosures require the determination of fair value, for both financial and non-financial assets and liabilities. Fair values have been determined for measurement and/or disclosure purpose based on the following methods.

When applicable, further information about the assumptions made in determining fair value is disclosed in the notes specific to the asset or liability.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**5. Financial risk management**

**(a) Overview**

The Group has exposure to the following risks from its use of financial instruments:

- credit risk
- liquidity risk
- market risk

This note presents information about the Group's exposure to each of the above risks, its objectives and policies and processes for measuring and managing risk. Further quantitative disclosures are included throughout this financial report specifically under note 17.

**(b) Risk management framework**

The Board of Directors has overall responsibility for the establishment and oversight of the risk management framework.

Risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The Group, through its training and management standards and procedures, is developing a disciplined and constructive control environment in which all employees understand their roles and obligations.

**(c) Credit risk**

Credit risk is the risk of financial loss to the Group if a counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from operating activities and investments.

*Trade and other receivables*

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Geographically there is no concentration of credit risk.

*Investments*

The Group limits its exposure to credit risk by only investing in liquid securities and only with counterparties that have a credit rating equal to or better than the Group.

**(d) Liquidity risk**

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

**Notes to the consolidated financial statements**  
**for the year ended 30 June 2017**

**5. Financial risk management (continued)**

**(e) Market risk**

Market risk is the risk that changes in market prices, such as interest rates and equity prices, will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

All investment transactions are carried out within the guidelines of the Group's Investment Policy.

**(c) Interest rate risk**

At the reporting date the interest rate profile of the Group's interest bearing financial instruments was:

	Note	Consolidated		Company	
		2017 \$	2016 \$	2017 \$	2016 \$
<b>Fixed rate instruments</b>

Cash at bank balances	10	26,104,761	13,891,559	26,067,200	13,687,651

*Fair value sensitivity analysis for fixed rate instruments*

The Group does not account for any fixed rate financial assets and liabilities at fair value through surplus or deficit. Therefore a change in interest rates at the reporting date would not affect surplus or deficit.

*Cash flow sensitivity analysis for variable rate instruments*

A change of 100 basis points in interest rates at the reporting date would have increased (decreased) surplus or deficit by the amounts shown below. This analysis assumes that all other variables remain constant. The analysis was performed on the same basis for 2017.

	Surplus or Deficit		Surplus or Deficit

## Beyond Blue Limited

Dear Members,

In accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, I am pleased to provide the following declaration of independence to the Directors of Beyond Blue Limited.

As the lead audit partner for the audit of the financial statements of Beyond Blue Limited for the financial year ended 30 June 2017, I declare to the best of my knowledge and belief, there have been no contraventions of:

- i. the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- ii. any applicable code of professional conduct in relation to the audit.

Yours sincerely,

DELOITTE TOUCHE TOHMATSU

## **Independent Auditor's Report to the Members of Beyond Blue Limited**

### **Opinion**

We have audited the financial report of Beyond Blue Limited (the "Entity") which comprises the statement of financial position as at 30 June 2017, the statement of profit or loss and other comprehensive income, the statement of cash flows and the statement of changes in equity for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity, comprising the company and the entities it controlled at the year's end or from time to time during the financial year as set out on pages 7 to 32.

In our opinion, the financial report of the Entity is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (the ACNC Act), including:

- (a) giving a true and fair view of the Entity's financial position as at 30 June 2017 and of its financial performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards, and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the auditor independence requirements of the ACNC Act and the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Other Information**

The Directors are responsible for the other information. The other information comprises the Director's Report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **The Responsibilities of the Directors for the Financial Report**

The Directors are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and is appropriate to meet the needs of the members. The Directors' responsibility also includes such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

# Deloitte

- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
