All notices shall state the time, date and location of the meeting, and shall include an agenda listing all the items to be considered at the meeting. In the case of a videoconference meeting, the notice shall identify all locations at which Commission members will be physically present and shall state that the public may attend the meetings at such locations. In the case of an executive meeting or session, the purpose of the executive meeting or session shall be stated in the agenda. A two-thirds vote of the Commission shall be required to change the agenda for any meeting after notice has been filed and posted, provided that no change shall be made to add a matter of reasonably major importance to the agenda.

The reason for holding such a meeting or session shall be publicly announced and the vote of each Commission member on the question of holding a meeting or session closed to the public shall be recorded and entered into the minutes of the meeting.

RULE 10. Exceptions. "Meetings" as that term is used in Rules 6, 7, 11 and 12 shall not include any of the following:
