Notes from Will Caron:

Dec 2: Third time's the charm. This version addresses major concerns with previous proposed boundaries in Central O'ahu, the Pearl Harbor area and the Ewa Plain. Windward and East Honolulu remains the same in this version. As with previous versions, the goal is to keep communities together and increase equity within the democratic process by ensuring low-income and under-served communities do not have their political voices diluted.

Nov 24: Revised House District Plan with slight alteration to the Salt Lake area districts to address feedback regarding HD29, 30, 31 issues.

Oct 18: Revised version of O'ahu State House redistricting map, incorporating feedback from communities.
