Re: Disclosures by Retired Federal Bureau of Investigation Employee

Dear Mr. Leavitt:

I am writing in response to your letter to the Department of Justice (DOJ) Office of the Inspector General (OIG), dated June 8, 2024, in which a client of Empower Oversight made disclosures to the DOJ OIG about certain concerning questions that Federal Bureau of Investigation (FBI) employees may have been asked in connection with your client's FBI security clearance investigation. Based on subsequent communications with your office, we understand that you may have similar information from additional FBI employees. The OIG is available to receive any such information you or these additional employees may want to provide to us.

Thank you for bringing these matters to our attention.

Sincerely,

M. Sean O'Neill
