Model B-Section 6(c) corrected language

Local Government Model B Regulations Section 6(c) “Financial Disclosure-employees and appointed officials”

There is an error in the text of Model B. The text of Section 6(c) currently reads:

On or before April 30 of each year during which an official or employee holds office, an official or employee shall file a statement disclosing gifts received during the preceding calendar year from any person that contracts with or is regulated by *County, City, or Town*, including the name of the business entity in which the individual directly or indirectly, though an interest in one or a combination of other business entities, holds a 10% or greater interest. The donor of the gift and the approximate retail value at the time of receipt.

There were no recent changes made to this section. The correct language is as follows:

On or before April 30 of each year during which an official or employee holds office, an official or employee shall file a statement disclosing gifts received during the preceding calendar year from any person that contracts with or is regulated by *County, City or Town*, including the name of the donor of the gift and the approximate retail value at the time of receipt.

The Commission will work on correcting the language at a later date. Please contact William J. Colquhoun, General Counsel, at (410) 260-6177, if you have any additional questions.
