

Instructions to submit video to ALA National Headquarters

### Step 1: Find a quiet room with good lighting.

If shooting during the day, take advantage of natural lighting. The window should be in front of you, not behind you. Make a test video with lights off and with lights on to find the best lighting.

## Step 2: Hold phone horizontally

This is necessary for consistency for the final video.

#### **Step 3: Record Message** Remember to smile.
