1. Except as noted, amounts shown in this table are cash received and deposited into the Motor License Fund; these amounts may therefore vary from amounts shown on an accrual basis used for financial accounting statement purposes.
2. Amounts shown as "Commission Allocation" are 14% of the 55 mills of Oil Franchise Tax distributed to the Commission from the Motor License Fund. Historical payments reflect actual distribution to the Commission. Annual Commission Allocation is shown for Commonwealth's fiscal year. The amounts shown are subject to annual adjustments made by PennDOT before transfer to the Commission.
3. Estimates included in the Governor's Executive Budget for the Commonwealth's 2016-17 fiscal year. The estimates shown vary from year to year depending primarily on the timing of payment dates. Commission allocation estimates are determined by multiplying Commission's 14% allocation by the total estimated revenues from the additional 55 mills.
