The Woods Services Award

In memory of Luther W. Lord
May 9, 1918 – March 5, 1976

Woods Services is a private, non-profit organization in Langhorne, Pa., that is licensed by the Commonwealth of Pennsylvania. Founded in 1913 as the Woods Schools, it is an advocacy and service organization for people with exceptional challenges, disabilities, and complex needs. Woods Services has two simple goals – to advance the quality of life and standard of care for individuals with disabilities. Since its founding, Woods Services has been recognized as one of the most respected and comprehensive programs of its kind. Woods Services has broadened its mission to serve people of all ages and levels of care with a unique model that drives greater achievement for individuals – and best practices for the industry. Today, it is one of five affiliate organizations that comprise Woods, a premier health and human services enterprise dedicated to excellence and innovation in its system of services. Other affiliate programs include: Brian's House in Chester County, Pa., Allies, Inc. and Archway Programs in New Jersey, and Tabor Services in southeastern Pennsylvania.

The Woods Services Award was created in 1978 in the memory of Luther Wellington Lord, who served as a residential supervisor for more than 23 years at the Woods Schools. During his years of service, he founded and coordinated the BSA program at the Schools, and it was under his supervision that the first national Eagle Scout Award for an individual with disabilities was achieved.

Luther Lord was an active member of the National Advisory Committee on Scouting for the Handicapped (the predecessor to the National Special Needs and Disabilities Awareness Committee), and served as the course director for national workshops at Philmont Scout Ranch and Schiff Scout Reservation and for numerous area and local courses.

The Boy Scouts of America may present this prestigious award to no more than two adults each year for their exceptional service to Scouts with disabilities.
