In Re: Praxis Venture LP

FHFC CASE NO.: 2021-091VW

ORDER GRANTING WAIVER OF RULE 67-21.003(8)(g)

THIS CAUSE came on for consideration and final action before the Board of Directors of the Florida Housing Finance Corporation on December 10, 2021, pursuant to a “Petition for Waiver” (“Petition”). Florida Housing Finance Corporation (“Florida Housing”) received the Petition on November 18, 2021, from Praxis Venture LP (“Petitioner”). Notice of the Petition was published on November 22, 2021, in Volume 47, Number 225, of the Florida Administrative Register. Florida Housing has received no comments concerning the Petition. After careful review of the record and being otherwise fully advised in the premises, the Board of Directors (the “Board”) of Florida Housing hereby finds:

1. The Board has jurisdiction over the subject matter of this case and the parties hereto.
2. On August 1, 2019, the Housing Finance Authority of Broward County made a loan to Petitioner in the amount of \$22,000,000 financed by the proceeds of multifamily housing revenue bonds to assist in the rehabilitation of an affordable housing development in Broward County known as Praxis of Deerfield Beach.

FILED WITH THE CLERK OF THE FLORIDA
HOUSING FINANCE CORPORATION

Tommy R. Lamoreaux DATE: 12/13/2021

Petitioner also applied for and was awarded 4% Housing Credits to assist in the rehabilitation of this Development.

3. Rule 67-21.003(8)(g), Fla. Admin. Code (2018), provides:

(8) Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application is deemed complete. Those items are as follows:

* * *

(g) Development Type. . . .

4. In its Application for funding under the RFA, Petitioner selected the Development Type of “Garden Apartments.” However, while four of seven buildings in the Development are under four stories high, 128 of the 224 total units in the Development are located in the three 4-story buildings of the Development, meaning that the Application should have indicated that the Development Type was “Mid-Rise 4-stories.” Petitioner therefore requests a waiver to allow it to change the Development Type in the Application from Garden Apartments to Mid-Rise 4 stories. Allowing this change would not impact Florida Housing’s review of the Application. Petitioner asserts that it will suffer a substantial hardship if the waiver is not granted because it will be unable to proceed with the rehabilitation of this Development using 4% Housing Credits.

5. The Board finds that granting the waiver will not have any impact on other participants in funding programs administered by Florida Housing, nor would it have a detrimental impact on Florida Housing or the Development.

6. Section 120.542(2), Florida Statutes provides in pertinent part:

Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness.

7. Petitioner has demonstrated that the waiver is needed in order to efficiently serve elderly persons. Petitioner has also demonstrated that the purpose of the underlying statute, which is to “encourage development of low-income housing in the state” (§420.5099, Fla. Stat.), would still be achieved if the waiver is granted.

8. The Board finds that strict application of the above Rule under these circumstances would cause substantial hardship to Petitioner, and that granting this request furthers Florida Housing's statutory mandate to provide safe, sanitary and affordable housing to the citizens of Florida.

IT IS THEREFORE ORDERED:

Petitioner's request for a waiver of Rule 67-21.003(8)(g), Fla. Admin. Code (2018) is hereby **GRANTED** to permit Petitioner to change its Development Type from “Garden Apartments” to “Mid-Rise 4 Stories.”

DONE and ORDERED this 10th day of December, 2021.
