APPLICATION NO. 2022-237S

v.

FLORIDA HOUSING FINANCE  
CORPORATION,

Respondent.

**PETITION FOR WAIVER OF RULE 67-48.0072(21)(B) (5/18/21)**

Petitioner, Everglades Village Phase 5.6, LLC, a Florida limited liability company (the "Petitioner") submits its petition to Respondent, Florida Housing Finance Corporation (the "Corporation"), for a waiver of Rule 67-48.0072(21)(b), F.A.C. (the "Rule") in effect at the time Petitioner submitted its application in response to the Corporation's Request for Applications 2022-104 (the "RFA"), to allow Petitioner an additional extension of the Firm Loan Commitment deadline for SAIL Funding allocated to Petitioner pursuant to the RFA. In support of this petition (the "Petition"), Petitioner states as follows:

2. Pursuant to the RFA, Petitioner timely submitted its application for SAIL funding. See Application No. 2022-237S (the "Application"). Petitioner was preliminarily awarded Four Million Three Hundred Thousand Dollars (\$4,300,000.00) in SAIL funding under the RFA (the "SAIL Award"). Pursuant to the Rule, Applicant was required to complete credit underwriting and execute a SAIL firm commitment within twelve (12) months of the Applicant's acceptance to enter into credit underwriting. The invitation to credit underwriting was accepted on March 18, 2022, and, as such, the original firm commitment deadline was March 18, 2023.

3. On April 10, 2023, Petitioner requested approval of extension of the firm commitment deadline until September 17, 2023, which request was approved at the Corporation's April 28, 2023 Board meeting. Petitioner paid a one (1%) percent extension fee in connection with approval of the foregoing extension. For the reasons explained more fully below, the SAIL Award Firm Loan Commitment will not be issued by the September 17, 2023 deadline. Petitioner is requesting an extension of the Firm Loan Commitment issuance deadline until March 18, 2024.

4. On May 15, 2023, Petitioner timely submitted its application for Construction Inflation Response Viability Funding pursuant to RFA 2023-2011 ("Viability RFA"). See application No. 2023-240V. Petitioner received a Notice of Preliminary Award of \$1,000,000.00 of Viability funding under RFA 2023-211 on June 14, 2023. Petitioner accepted the award on June 21, 2023.

5. The SAIL Award is a critical part of the financing for the new construction of affordable family housing to be known as Everglades Village Phase 5.6, serving income qualifying farmworkers (the “Development”). The development is located in Miami-Dade County.

**B. Rules from Which the Waiver is Sought.**

6. The relevant portions of the Rules in effect at the time the SAIL funds were awarded for which this waiver is sought, provide as follows:

(b) Rule 67-48.0072 provides that “(21) Information required by the Credit Underwriter shall be provided as follows:

\*\*\*

(b) For SAIL, EHCL, and SAIL, unless stated otherwise in a competitive solicitation, the firm loan commitment must be issued within twelve (12) months of the Applicant’s acceptance to enter credit underwriting. Unless an extension is approved by the Corporation in writing, failure to achieve credit underwriting report approval and issuance of a firm loan commitment by the specified deadline shall result in withdrawal of the preliminary commitment. Applicants may request one (1) extension of up to six (6) months to secure a firm loan commitment. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting the extension and shall detail the time frame to achieve a firm loan commitment. In determining whether to grant an extension, the Corporation shall consider the facts and circumstances of the Applicant’s request, inclusive of the responsiveness of the Development team and its ability to deliver the Development timely. The Corporation shall charge a non-refundable extension fee of one (1) percent of each loan amount if the request to extend the credit underwriting and firm loan commitment process beyond the initial twelve (12) month deadline is approved. If, by the end of the extension period, the Applicant has not received a firm loan commitment, then the preliminary commitment shall be withdrawn.” Rule 67-48.0072(21)(b), F.A.C. (2021).

**C. Statute Implemented.**

7. The Rule for which a waiver is requested is implementing, among other sections of the Florida Housing Finance Corporation Act (the “Act”), the statute that created the SAIL program. See § 420.5087, Florida Statutes (2021).

8. Pursuant to Chapter 120.542(1), Florida Statutes, “strict application of uniformly applicable rule requirements can lead to unreasonable, unfair, and unintended results in particular instances. The Legislature finds that it is appropriate in such cases to adopt a procedure for agencies to provide relief to persons subject to regulation.” Therefore, under Section 120.542(1), Florida Statutes and Chapter 28-104, F.A.C., the Corporation has the authority to grant waivers to its requirements when strict application of these requirements would lead to unreasonable, unfair, and unintended consequences in particular instances. Specifically, Section 120.542(2) states:

“Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person and when application of a rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, “substantial hardship” means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, “principles of fairness” are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.” Section 120.542(2), Florida Statutes.

9. In this instance, Petitioner meets the standards for a waiver.

**D. Justification for Petitioner’s Requested Waiver**

10. Petitioner was previously granted an extension to secure a firm loan commitment of the SAIL Award to September 18, 2023. Petitioner is requesting an additional extension of the deadline to secure a Firm Loan Commitment for the SAIL Award until March 18, 2024. This extension may not be granted without a waiver of the Rule. The reasons for this request are as set forth below.

11. Petitioner has made substantial progress towards closing of financing and commencement of construction of the Development. Petitioner has obtained a financial commitment for first mortgage construction and permanent financing, and has completed building

and civil engineering plans. Notwithstanding the foregoing, the Development stalled due to a series of interest rate increases to its construction and permanent loans that reduced the amount of available first mortgage financing, which in turn required Petitioner to seek additional financing sources.

12. In addition, initial negotiations with multiple general contractors resulted in a determination that budgeted construction costs were insufficient to meet construction labor and materials cost inflation. This situation was further exacerbated by the Development's small size.

13. In response to these difficulties, Petitioner submitted its application under RFA 2023-211 and received Board approval of a Viability award of \$1,000,000 on June 9, 2023, and accepted the award on June 14, 2023.

14. Given this sourcing of new capital, Petitioner has contracted with its engineering professional to update the civil plans and has prepared bid packages for prospective general and civil contractors. Petitioner anticipates selecting a general contractor in the fourth quarter of 2023 and submittal of requested credit underwriting information shortly thereafter.

15. The requested waiver will ensure the availability of SAIL funding which will otherwise be lost as a consequence of the fee payment described herein.

#### **E. Conclusion**

16. The facts set forth in Sections 10 through 14 of this Petition demonstrate the hardship and other circumstances which justify Petitioner's request for a Rule waiver. A denial of the Petition would (a) result in substantial economic hardship to Petitioner, as it has incurred substantial costs to date insuring that the Development proceeds to completion; (b) deprive Miami-Dade County of the provision of much needed affordable housing for farmworkers; and (c) violate principles of fairness. Section 120.52(2), Florida Statutes. As discussed above, the above-

described delays have been caused by circumstances outside Petitioner's control, and make it impossible to meet the September 18, 2023 deadline for issuance of a Firm Loan Commitment.

17. As demonstrated above, the requested waiver serves the purposes of Section 420.5087, Florida Statutes, and the Act, as a whole, because one of their primary goals is to facilitate the availability of decent, safe, and sanitary housing in the State of Florida to low income persons and households. Further, by granting the requested waiver, the Corporation would recognize principles of fundamental fairness in the development of affordable rental housing.

18. The waiver being sought is permanent in nature. Should the Corporation require additional information, a representative of Petitioner is available to answer questions and to provide all information necessary for consideration of this Petition.

WHEREFORE, Petitioner respectfully requests that the Corporation:

- A. Grant this Petition and all the relief requested therein;
- B. Grant a waiver of the Rule to allow for an additional extension of the deadline to secure a Firm Loan Commitment from September 18, 2023 to March 18, 2024, and not require that an additional extension fee be imposed;
- C. Award such further relief as may be deemed appropriate.

Respectfully submitted,
