<sup>7</sup> Tick (at least) one and explain why the processing is necessary for it. Examples:

(a) a task attributed to your EUI by legislation, e.g. procedures under the staff regulations or tasks assigned by an Agency's founding regulation. Please mention the specific legal basis (e.g. "Staff Regulations Article X, as implemented by EUI IR Article Y", instead of just "Staff Regulations")

(a2) not all processing operations required for the functioning of the EUIs are explicitly mandated by legislation; recital 17 explains that they are nonetheless covered here, e.g. internal staff directory, access control.

(b) a specific legal obligation to process personal data, e.g. obligation to publish declarations of interest in an EU agency's founding regulation.

(c) this is rarely used by the EUIs.

(d) if persons have given free and informed consent, e.g. a photo booth on EU open day, optional publication of photos in internal directory;

(e) e.g. processing of health information by first responders after an accident when the person cannot consent.
