

BOSNIA AND HERZEGOVINA

Report in accordance with the UN Resolution 59/92, entitled "Information on confidence-building measures in the field of conventional arms", adopted by the General Assembly on December 3, 2004

Regarding the UN Resolution No. 59/92 "Information on confidence building measures in the field of conventional arms", Bosnia and Herzegovina actively participate in the creation of the information regulated by the agreements whose aims are the confidence building measures in the field of the conventional arms.

It is important to emphasize that Bosnia and Herzegovina actively participate in the implementation process of all obligations of the relevant UN Resolutions, obligations of the Forum for Security Cooperation of the OSCE, as well as of the Conventions mentioned below:

- a) The Convention on the Prohibition of Chemical Weapons;
- b) The Convention on the Prohibition of Bacteriological/Biological and Toxin Weapons;
- c) The Convention on the Prohibition of Antipersonnel Mines
