N 56-05

The Permanent Mission of Georgia to the United Nations presents its compliments to the Department of Disarmament Affairs of the United Nations and has the honour to inform, pursuant to the UNGA resolution 59/87 on "Confidence-building measures in the regional and subregional context", that Georgia addresses the issue on the regional level in the framework of the 1999 Vienna Document on Confidence-Building Measures and on the sub-regional level in the framework of Document on Confidence- and Security-Building Measures in the Naval Field in the Black Sea (2001).

The Permanent Mission of Georgia to the United Nations further has honour to inform the Department of Disarmament Affairs of the United Nations, pursuant to the UNGA resolution 59/92 on "Information on confidence-building measures in the field of conventional arms", that the issues raised in the resolution is regulated by Georgia in the framework of the 1999 Vienna Document on Confidence-Building Measures.

The Permanent Mission of Georgia to the United Nations avails itself of this opportunity to renew to the Department of Disarmament Affairs of the United Nation assurances of its highest consideration.

New York, 28 April 2005
