

What are crime stoppers? You may have seen posters around your campus that could be advertising this and usually say “If you see something say something”.

My name is Nayla Morales and I am an upcoming junior at Palmview High School, in Mission Texas. I have been involved in the Crime Stoppers program since my freshman year. I am a proud member of the La Joya ISD campus crime stoppers, proudly representing the program at a state level with the Texas Crime Stoppers Student Ambassadors.

I am proud to say that I am part of the La Joya Independent School District which is student-focused, data-driven, and results-oriented. At the La Joya ISD district, they care about student safety. Our district is overseen by many people whose main priority is the students. They have set police officers at all 28 elementary campuses, 8 middle school campuses, 3 main high school campuses, and 6 early college campuses 2 of which are alternative campuses. La Joya Independent School District is committed to providing Educational Excellence through rigor, relevance, relationships, and personal responsibility.

I encourage everyone to not be scared and speak up. Your voice matters, school should be a safe environment for everyone. The crime stoppers can help prevent potentially illegal crime and dangerous activity in school campuses.

Let's keep our schools safe from crime and drugs. Report all illegal activities to our Cell phone App! Search P3 is available on iOS and Android.
