## Entrepreneurs with Disabilities Day

October 17, 2023

*Texas' entrepreneurial spirit is one of our state's greatest attributes. Texas is known as a place where businesses can thrive, thanks to reasonable regulations, low taxes, a fair legal environment, an educated workforce and an unparalleled quality of life. That can-do attitude is significant among Texan entrepreneurs with disabilities, and we understand that these entrepreneurs should have access to the support they need for their businesses to thrive.*

*Texas is committed to garnering entrepreneurial resources and support for those with disabilities to ensure they have what they need to start and grow their businesses. While there are still many obstacles that these entrepreneurs must overcome, it is important to advocate for policies that support them and their businesses. By reducing barriers to prosperity, we create a bright future for the Lone Star State in which it is not our challenges that define us, but rather how we rise above them.*

*First Lady Cecilia Abbott joins me in extending best wishes.*

*In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 7th day of October, 2023..*

Greg Abbott  
Governor of Texas
