WORKFORCE LEADERS SAY

On-the-job training programs like apprenticeships are a key tool in bridging the middle-skills gap in Texas. This earn-while-you-learn model helps Texans develop sought-after skills and prepare for high-wage, high-demand careers available in our growing economy.

Chairman Bryan Daniel, Commissioner Representing the Public, Texas Workforce Commission

With 80 years of experience, our truly American apprenticeship system continues to be the premier 'earn while you learn' road to success and the middle class. ""

Dudley Light, Regional Director, Office of Apprenticeship, U.S. Department of Labor Apprentices in Texas will learn the competencies vital to building a successful career...while simultaneously contributing to the local and global economy.

Texas Governor Greg Abbott

WHAT IS REGISTERED **APPRENTICESHIP?**

Registered apprenticeship is on-the-job training and classroom instruction that prepares students for highly-skilled jobs in various industries.

For each year of a registered apprenticeship program, an apprentice will receive approximately 2,000 hours of paid on-thejob training and a minimum of 144 hours of related classroom instruction. Registered apprenticeship programs are offered for one to six years.

Upon program completion, an apprentice receives an industry-recognized certification that is **portable** from state to state.

Apprenticeship Benefits Students

Full-time, paid opportunities to earn while you learn

On-the-job training and classroom instruction

Marketable skills for in-demand occupations

Industry certification that is portable anywhere in the nation

Little to no student loan debt

Dual accreditation through postsecondary institutions

Increased wages with satisfactory progress in classroom instruction and on-the-job training
