Ordering App

How to Set Up Triton2Go Mobile Ordering App

Download the **Transact Mobile Ordering App** from the Apple or Google Play Store

Follow set-up instructions in app. Make sure to select the **Triton2Go logo**

Use the app to order your next meal from Dining Services! **Enable notifications** so you know when your food is ready for pickup

Pick up your Triton2Go order at the designated pickup area

Enjoy!

Don't forget – you'll receive **loyalty points** for each order and completing challenges. You can use these points to enter contests and **win great prizes!**
