Notes to Condensed Consolidated Financial Statements (Unaudited)

NOTE 1 – BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

All references in this report to “we,” “us,” or “our” are to Big Lots, Inc. and its subsidiaries. We are a home discount retailer in the United States (“U.S.”). At May 4, 2024, we operated 1,392 stores in 48 states and an e-commerce platform. We make available, free of charge, through the “Investor Relations” section of our website (www.biglots.com) under the “SEC Filings” caption, our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and amendments to those reports filed or furnished pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (“Exchange Act”), as soon as reasonably practicable after we file such material with, or furnish it to, the Securities and Exchange Commission (“SEC”). The contents of our websites are not part of this report.

The accompanying condensed consolidated financial statements and these notes have been prepared in accordance with the rules and regulations of the SEC for interim financial information. The condensed consolidated financial statements reflect all normal recurring adjustments which management believes are necessary to present fairly our financial condition, results of operations, and cash flows for all periods presented. The condensed consolidated financial statements, however, do not include all information necessary for a complete presentation of financial condition, results of operations, and cash flows in conformity with accounting principles generally accepted in the United States of America (“GAAP”). Interim results may not necessarily be indicative of results that may be expected for, or actually result during, any other interim period or for the year as a whole. We have historically experienced seasonal fluctuations, with a larger percentage of our net sales and operating profit realized in our fourth fiscal quarter. The accompanying condensed consolidated financial statements and these notes should be read in conjunction with the audited condensed consolidated financial statements and notes included in our Annual Report on Form 10-K for the fiscal year ended February 3, 2024 (“2023 Form 10-K”).

Fiscal Periods

Our fiscal year ends on the Saturday nearest to January 31, which results in fiscal years consisting of 52 or 53 weeks. Unless otherwise stated, references to years in this report relate to fiscal years rather than calendar years. Fiscal year 2024 (“2024”) is comprised of the 52 weeks that began on February 4, 2024 and will end on February 1, 2025. Fiscal year 2023 (“2023”) was comprised of the 53 weeks that began on January 29, 2023 and ended on February 3, 2024. The fiscal quarters ended May 4, 2024 (“first quarter of 2024”) and April 29, 2023 (“first quarter of 2023”) were both comprised of 13 weeks.

Liquidity

The Company has incurred net losses and used cash in operating activities in 2022, 2023, and the first quarter of 2024. The Company is currently in compliance with the covenants under the agreements governing its indebtedness (see [Note 2](#) for additional information on these agreements and covenants) and its current aggregate available borrowings under the 2022 Credit Agreement and Term Loan Facility are \$213.9 million, subject to certain borrowing base limitations discussed in [Note 2](#). Due to ongoing negative macroeconomic factors and their uncertain impacts on the Company’s business, results of operations, and cash flows, the Company expects to experience further operating losses and expects to experience difficulty remaining in compliance with such covenants.

As further described below, management has implemented plans to reduce costs, improve sales, and enhance its financial flexibility and liquidity.

However, based on our current cash and liquidity projections, and uncertainties with respect to the mitigating effect of management’s plans, the Company has concluded there is a significant likelihood that it will be unable to comply with the Excess Availability Covenant under the 2022 Credit Agreement and the Term Loan Facility within the next 12 months, which raises substantial doubt about the Company’s ability to continue as a going concern. Failure to comply with the Excess Availability Covenant would result in an event of default which could result in an acceleration of our obligations under the Term Loan Facility and the 2022 Credit Agreement. We can provide no assurance that the lender parties under the Term Loan Facility or the 2022 Credit Agreement would waive the Company’s failure to comply with the Excess Availability Covenant.

Notwithstanding the above, the Company intends to vigorously pursue its plans to enhance its liquidity, improve the performance of the business, and avoid a covenant violation. The Company is evaluating various alternatives to improve its available liquidity, including but not limited to, lease concessions and deferrals, entering a letter of credit facility, managing its working capital and raising additional capital. The Company is also seeking to further monetize assets, such as its remaining owned real estate property, through outright sale or sale and leaseback opportunities. Further, the Company is seeking to monetize certain pending litigation claims to which the Company is a plaintiff, which we expect would improve the Company’s

liquidity position, if actioned. The Company also plans to drive significant improvements in sales and profitability through our key strategic actions, which include, among others, our actions to increase penetration of extreme bargains and closeouts, improve merchandise presentations that highlight our best deals and encourage basket growth and visit frequency, and drive productivity and efficiency in our business by aggressively pursuing operating expense and capital outlay reductions, which includes continuing to achieve savings through our Project Springboard initiative. These plans have not been finalized, are subject to market conditions, and are not fully within the Company's control, and therefore cannot be deemed probable; however, management believes that, in aggregate, these plans have the potential to maintain the Company's compliance with the Excess Availability Covenant.

The unaudited condensed consolidated financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts and classification of liabilities that might result from the outcome of the uncertainty referenced above.

Long-Lived Assets

Our long-lived assets primarily consist of property and equipment - net and operating lease right-of-use assets. If the net book value of a store's long-lived assets is not recoverable by the expected undiscounted future cash flows of the store, we estimate the fair value of the store's assets and recognize an impairment charge for the excess net book value of the store's long-lived assets over its fair value (categorized as Level 3 under the fair value hierarchy). Fair value at the store level is typically based on projected discounted cash flows over the remaining lease term, which may include market comparative information for similar properties.

During the first quarter of 2024, the Company recorded aggregate asset impairment charges of \$68.2 million related to 244 underperforming store locations, which were comprised of \$44.2 million of operating lease right-of-use assets and \$24.0 million of property and equipment - net. The asset impairment charges were recorded within selling and administrative expenses in our condensed consolidated statements of operations and comprehensive loss.

A significant decline in our financial performance could negatively affect the results of our assessments of the recoverability of our property and equipment-net and operating lease right-of-use assets and estimated fair value at the store level, resulting in future impairment charges.

In the first quarter of 2023, the Company recorded aggregate asset impairment charges of \$83.8 million related to 237 underperforming store locations, which were comprised of \$62.1 million of operating lease right-of-use assets, \$22.4 million of property and equipment - net, partially offset by a gain on extinguishment of a lease liability resulting from a lease cancellation from a previous impaired store of \$0.7 million.

In the first quarter of 2023, the Company completed the sale of one owned store location that was held for sale at the end of fiscal 2022 with an aggregate net book value of \$0.7 million. The net cash proceeds on the sale of real estate were \$4.4 million and resulted in a gain after related expenses of \$3.8 million.

Fair Value of Financial Instruments

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy, as defined below, gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

Level 1, defined as observable inputs such as unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2, defined as observable inputs other than Level 1 inputs. These include quoted prices for similar assets or liabilities in an active market, quoted prices for identical assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The carrying value of accounts receivable and accounts payable approximates fair value because of the relatively short maturity of these items.

Selling and Administrative Expenses

Selling and administrative expenses include store expenses (such as payroll and occupancy costs) and costs related to warehousing, distribution, outbound transportation to our stores, advertising, purchasing, insurance, non-income taxes, accepting credit/debit cards, impairment charges, and overhead. Our selling and administrative expense rates may not be comparable to those of other retailers that include warehousing, distribution, and outbound transportation costs to stores in cost

of sales. Distribution and outbound transportation costs included in selling and administrative expenses were \$75.3 million and \$140.2 million for the first quarter of 2024 and the first quarter of 2023, respectively. Distribution and outbound transportation costs in the first quarter of 2023 included \$53.6 million of expenses associated with the exit of the former synthetic lease for our Apple Valley, California distribution center and \$8.6 million to operate and wind down the Company's four forward distribution centers, which were closed in the second quarter of 2023.

Advertising Expense

Advertising costs, which are expensed as incurred, consist primarily of television and print advertising, digital, social media, internet and e-mail marketing and advertising, payment card-linked marketing and in-store point-of-purchase signage and presentations. Advertising expenses are included in selling and administrative expenses. Advertising expenses were \$24.1 million and \$24.8 million for the first quarter of 2024 and the first quarter of 2023, respectively.

The following table provides supplemental cash flow information for the first quarter of 2024 and the first quarter of 2023:

Reclassifications

We periodically assess, and make minor adjustments to, our product hierarchy, which can impact the roll-up of our merchandise categories. Our financial reporting process utilizes the most current product hierarchy in reporting net sales by merchandise category for all periods presented. Therefore, there may be minor reclassifications of net sales by merchandise category compared to previously reported amounts.

Recent Accounting Pronouncements

In November 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2023-07, *Segment Reporting (Topic 280) - Improvements to Reportable Segment Disclosures*, which updates reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. The amendments are effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. Management is currently evaluating this ASU to determine its impact on the Company's disclosures.

In December 2023, the FASB issued ASU 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which expands the requirements for income tax disclosures in order to provide greater transparency. The amendments are effective for fiscal years beginning after December 15, 2024. Early adoption is permitted. The amendments should be applied prospectively. Management is currently evaluating this ASU to determine its impact on the Company's disclosures.

There are currently no additional new accounting pronouncements with a future effective date that are of significance, or potential significance, to us.

NOTE 2 – DEBT

Bank Credit Facility

On September 21, 2022, we entered into a five-year asset-based revolving credit facility (as amended, the “2022 Credit Agreement”) in an aggregate committed amount of up to \$900 million (the “Commitments”) that expires on September 21, 2027. In connection with our entry into the 2022 Credit Agreement, we paid bank fees and other expenses in the aggregate amount of \$3.4 million, which are being amortized over the term of the 2022 Credit Agreement.

On April 18, 2024, concurrent with our entry into the Term Loan Facility (as defined below), the Company entered into the First Amendment to the 2022 Credit Agreement (the “ABL Amendment”). The ABL Amendment amended the 2022 Credit Agreement to, among other things, (1) permit the Term Loan Facility, (2) expand the scope of collateral to include non-working capital assets and a mortgage on the Company’s corporate headquarters located in Columbus, Ohio, (3) revise the borrowing base formula to include the Term Loan Pushdown Reserve (as defined below), (4) increase the interest rate spreads and replace CDOR with CORRA, (5) replace the fixed charge coverage ratio covenant with the Excess Availability Covenant (as defined below), and (6) make other changes to the 2022 Credit Agreement to conform with the Term Loan Facility. In connection with our entry into the ABL Amendment, we paid bank fees and other expenses in the aggregate amount of \$2.2 million, which are being amortized over the term of the 2022 Credit Agreement. The bank fees and other expenses related to the ABL Amendment and the remaining unamortized fees from the 2022 Credit Agreement are recorded within other assets on the condensed consolidated balance sheets.

Revolving loans under the 2022 Credit Agreement are available in an aggregate amount equal to the lesser of (1) the aggregate Commitments and (2) a borrowing base consisting of eligible credit card receivables and eligible inventory (including in-transit inventory), subject to customary exceptions and reserves, including the Term Loan Pushdown Reserve (the “ABL Borrowing Base”). Under the 2022 Credit Agreement, we may obtain additional Commitments on no more than five occasions in an aggregate amount of up to \$300 million, subject to agreement by the lenders to increase their respective Commitments and certain other conditions. The 2022 Credit Agreement includes a swing loan sublimit of 10% of the then applicable aggregate Commitments and a \$90 million letter of credit sublimit. Loans made under the 2022 Credit Agreement may be prepaid without penalty. Borrowings under the 2022 Credit Agreement are available for general corporate purposes, working capital and to repay certain of our indebtedness as of closing. Our obligations under the 2022 Credit Agreement are guaranteed by the Loan Parties (other than the Borrowers) and, after giving effect to the ABL Amendment, our obligations under the 2022 Credit Agreement are secured by (a) a first priority lien on substantially all of the Loan Parties’ working capital assets, including credit card receivables and inventory, and (b) a second priority lien on substantially all of the Loan Parties’ non-working capital personal property assets, including fixtures, machinery, equipment, and intellectual property, and a second priority mortgage on the Company’s corporate headquarters located in Columbus, Ohio, in each case subject to certain permitted liens. The pricing and certain fees under the 2022 Credit Agreement fluctuate based on our borrowing availability under the 2022 Credit Agreement. The 2022 Credit Agreement allows us to select our interest rate for each borrowing from multiple interest rate options. The interest rate options are generally derived from the prime rate, adjusted daily simple SOFR or one, three or six month adjusted Term SOFR. We will also pay an unused commitment fee of 0.20% per annum on the unused Commitments. The 2022 Credit Agreement contains an environmental, social and governance (“ESG”) provision, which may provide favorable pricing and fee adjustments if we meet ESG performance criteria to be established by a future amendment to the 2022 Credit Agreement.

The 2022 Credit Agreement contains customary affirmative and negative covenants (including, where applicable, restrictions on our ability to, among other things, incur additional indebtedness, pay dividends, redeem or repurchase stock, prepay certain indebtedness, make certain loans and investments, dispose of assets, enter into restrictive agreements, engage in transactions with affiliates, modify organizational documents, incur liens and consummate mergers and other fundamental changes) and events of default, including a cross default to other material indebtedness. In addition, after giving effect to the ABL Amendment, the 2022 Credit Agreement requires us to maintain minimum excess availability (“Excess Availability Covenant”) of at least the greater of (i) \$80.0 million or (ii) 10% of the lesser of the aggregate Commitments under the 2022 Credit Agreement (currently \$900.0 million) and the ABL Borrowing Base (the “Maximum Credit Amount”) (without giving effect to the Term Loan Pushdown Reserve). A violation of these covenants would result in a default under the 2022 Credit Agreement which would permit the lenders to restrict our ability to further access the 2022 Credit Agreement for loans and letters of credit and could require the immediate repayment of any outstanding loans under the 2022 Credit Agreement.

The fair values of our long-term obligations under the 2022 Credit Agreement are estimated based on quoted market prices for the same or similar issues and the current interest rates offered for similar instruments. These fair value measurements are classified as Level 2 within the fair value hierarchy. We believe the carrying value of our debt is a reasonable approximation of fair value.

Term Loan Facility

On April 18, 2024, the Company entered into a Credit Agreement (the “Term Loan Facility”) among the Company and Big Lots Stores, LLC, as borrowers (the “Borrowers”), all other domestic subsidiaries of the Company, as guarantors (together with the Borrowers, the “Loan Parties”), 1903P Loan Agent, LLC (the “Term Loan Agent”), as administrative agent and collateral agent, and the other lenders named therein. The Term Loan Facility provides for a “first in, last out” delayed draw term loan facility in an aggregate committed amount of up to \$200 million (the “Term Loan Facility Commitments”). At commencement of the Term Loan Facility, the Company drew down \$50 million in total borrowings under the Term Loan Facility.

Loans under the Term Loan Facility are available in an aggregate amount equal to the lesser of (1) the aggregate Term Loan Facility Commitments and (2) a borrowing base calculated based on specified percentages of eligible inventory, credit card receivables, real estate, fixtures, machinery and equipment, subject to customary exceptions and reserves (the “Term Loan Borrowing Base”). If at any time the amounts borrowed under the Term Loan Facility exceed the Term Loan Borrowing Base, the Company is required to maintain a reserve against the ABL Borrowing Base in an amount equal to such excess (the “Term Loan Pushdown Reserve”). Borrowings under the Term Loan Facility are available for general corporate purposes, working capital and to repay a portion of our indebtedness outstanding under the 2022 Credit Agreement.

All amounts of the Term Loan Facility outstanding on the maturity date will be due and payable in full on September 21, 2027. The Term Loan Facility requires mandatory prepayments in connection with certain sales or dispositions of assets, the incurrence of certain additional debt, certain issuances of additional equity, the receipt of certain extraordinary receipts, subject to certain exceptions and, in the case of certain sales or other dispositions, reinvestment rights. Some mandatory prepayments are subject to a prepayment fee. Subject to compliance with applicable provisions and tests under the 2022 Credit Agreement, voluntary prepayments under the Term Loan Facility are permitted at any time upon proper notice and, in certain instances, a prepayment fee.

Amounts borrowed under the Term Loan Facility bear interest at a variable rate indexed to SOFR plus a pricing margin ranging from 9.25% to 10.00% per annum based on our total borrowings under the Term Loan Facility. Interest payments under the Term Loan Facility are due on the first day of each calendar month. As of May 4, 2024, the interest rate on the outstanding Term Loan Facility borrowings was 14.6%.

The Term Loan Facility requires the Borrowers to satisfy the Excess Availability Covenant. In addition, the Term Loan Facility contains customary covenants and restrictions on the Company’s and its subsidiaries’ activities, including, but not limited to, limitations on the incurrence of additional indebtedness, liens, negative pledges, guarantees, investments, loans, asset sales, mergers, acquisitions, prepayment of other debt, distributions, dividends, the repurchase of capital stock, transactions with affiliates, the ability to change the nature of its business or its fiscal year, and permitted activities of the Company.

The Term Loan Facility also contains customary events of default that include, among other things, non-payment defaults, inaccuracy of representations and warranties defaults, covenant defaults, cross default to material indebtedness, bankruptcy and insolvency defaults, material judgment defaults, ERISA defaults, structural defaults under the loan documents and a change of control default. The occurrence of an event of default could result in the acceleration of our obligations under the Term Loan Facility. Under certain circumstances, a default interest rate will apply on any amount payable under the Term Loan Facility during the existence of an event of default at a per annum rate equal to 2.00% above the applicable interest rate for any principal and 2.00% above the rate applicable for base rate loans for any other interest.

All obligations under the Term Loan Facility are guaranteed by the Loan Parties (other than the Borrowers) and secured by (a) a second priority lien on substantially all of the Loan Parties’ working capital assets, including credit card receivables and inventory, and (b) a first priority lien on substantially all of the Loan Parties’ non-working capital personal property assets, including fixtures, machinery, equipment, and intellectual property, and a first priority mortgage on the Company’s corporate headquarters located in Columbus, Ohio, in each case, subject to certain permitted liens.

The Company recorded deferred financing costs associated with the issuance of the Term Loan Facility. As of May 4, 2024, the debt financing costs associated with the Term Loan Facility were \$4.6 million and had unamortized costs of \$4.5 million. These costs will be amortized over the respective contractual term of the Term Loan Facility. The aggregate outstanding principal amount of the Term Loan Facility is presented on the condensed consolidated balance sheets, net of unamortized costs.

The fair values of our long-term obligations under the Term Loan Facility are estimated based on quoted market prices for the same or similar issues and the current interest rates offered for similar instruments. These fair value measurements are classified as Level 2 within the fair value hierarchy. We believe the carrying value of our debt is a reasonable approximation of fair value.

As of May 4, 2024, we had an aggregate borrowing base (as defined under the 2022 Credit Agreement and Term Loan Facility) of \$956.7 million under the 2022 Credit Agreement and Term Loan Facility. At May 4, 2024, we had \$578.2 million in aggregate borrowings outstanding under the 2022 Credit Agreement and Term Loan Facility and \$53.6 million committed to outstanding letters of credit, leaving \$324.9 million of aggregate availability under the 2022 Credit Agreement and Term Loan Facility, subject to certain borrowing base limitations as further discussed above.

Secured Insurance Premium Financing Obligation

In the second quarter of 2023, we entered into three individual financing agreements (“2023 Term Notes”) in an aggregate amount of \$16.2 million, which are secured by unearned prepaid insurance premiums. The 2023 Term Notes were paid in full as of May 4, 2024. The 2023 Term Notes carried annual interest rates ranging from 7.1% to 8.5%. The Company did not receive any cash in connection with its entry into the 2023 Term Notes.

In 2023, we entered into an immaterial financing arrangement for server and software equipment, which is included within the 2023 Term Notes balance noted within the table below.

Debt was recorded in our condensed consolidated balance sheets as follows:

Instrument (In thousands)	May 4, 2024		February 3, 2024

NOTE 3 – SYNTHETIC LEASE

Synthetic Lease

The 2023 Synthetic Lease (as defined below) related to our Apple Valley, CA distribution center was terminated and paid off on August 25, 2023 in connection with the closing of the sale and leaseback transactions described in more detail in [Note 10](#).

On March 15, 2023, AVDC, LLC (“Lessee”), a wholly-owned indirect subsidiary of the Company, Bankers Commercial Corporation (“Lessor”), the rent assignees parties thereto (“Rent Assignees” and, together with Lessor, “Participants”), MUFG Bank, Ltd., as collateral agent for the Rent Assignees (in such capacity, “Collateral Agent”), and MUFG Bank, Ltd., as administrative agent for the Participants, entered into a Participation Agreement (the “Participation Agreement”), pursuant to which the Participants funded \$100 million to Wachovia Service Corporation (“Prior Lessor”) to finance Lessor’s purchase of the land and building related to our Apple Valley, CA distribution center (“Leased Property”) from the Prior Lessor.

Also on March 15, 2023, we entered into a Lease Agreement and supplement to the Lease Agreement (collectively, the “Lease” and together with the Participation Agreement and related agreements, the “2023 Synthetic Lease”) pursuant to which the Lessor agreed to lease the Leased Property to Lessee for an initial term of 60 months. The Lease could have been extended for up to an additional five years, in one-year or longer annual periods, with each renewal subject to approval by the Participants. The 2023 Synthetic Lease required Lessee to pay basic rent on the scheduled payment dates in arrears in an amount equal to (a) a per annum rate equal to Term SOFR for the applicable payment period plus a 10 basis point spread adjustment plus an applicable margin equal to 250 basis points multiplied by (b) the portion of the lease balance not constituting the investment by Lessor in the Leased Property. In addition to basic rent, Lessee was required to pay all costs and expenses associated with the use or occupancy of the Leased Property, including without limitation, maintenance, insurance and certain indemnity payments. GAAP treatment of the synthetic lease refinancing transaction required us to treat the assignment of the purchase option from Prior Lessor to Lessor as a deemed acquisition of the Leased Property due to the Company’s control of the Leased Property under GAAP at the time the assigned purchase option was exercised. Accordingly, the Company applied sale and leaseback accounting to the transfer of the property from the Prior Lessor to the Lessor. The transaction met the criteria of a “failed sale-

leaseback” under GAAP, which required us to record an asset for the deemed acquisition and an equivalent financing liability that represents the cost to acquire the Leased Property.

Concurrently with Lessor’s purchase of the Leased Property from Prior Lessor, the participation agreement and lease agreement associated with our former synthetic lease arrangement, in each case entered into on November 30, 2017, and most recently amended on September 21, 2022 (the “Prior Synthetic Lease”), were terminated effective on March 15, 2023. In connection with the termination of the Prior Synthetic Lease, the Company paid a termination fee of approximately \$53.4 million to Prior Lessor using borrowings under the 2022 Credit Agreement. As a result of the termination of the Prior Synthetic Lease, the ABL Borrowing Base is no longer subject to a reserve for the outstanding balance under the Prior Synthetic Lease.

NOTE 4 – SHAREHOLDERS’ EQUITY

Earnings per Share

No adjustments were required to be made to our weighted-average common shares outstanding for purposes of computing basic and diluted earnings per share for all periods presented. At May 4, 2024, performance share units that vest based on a relative total shareholder return (“TSR PSUs” see [Note 5](#) for a more detailed description of these awards), shareholder value creation awards (“SVCA PSUs” - see [Note 5](#) for a more detailed description of these awards), and certain restricted stock units (“RSUs”) with a minimum performance requirement (see [Note 5](#) for a more detailed description of these awards) were excluded from our computation of earnings (loss) per share because the minimum applicable performance conditions had not been attained. Antidilutive RSUs, performance share units (“PSUs”), SVCA PSUs, and TSR PSUs are excluded from the calculation because they decrease the number of diluted shares outstanding under the treasury stock method. The aggregate number of RSUs, PSUs, SVCA PSUs, and TSR PSUs that were antidilutive, as determined under the treasury stock method, was 1.1 million and 0.9 million for the first quarter of 2024 and the first quarter of 2023, respectively. Due to the net loss recorded in the condensed consolidated statements of operations, any potentially dilutive shares were excluded from the denominator in computing diluted earnings (loss) per common share for the first quarter of 2024 and the first quarter of 2023.

Share Repurchase Programs

On December 1, 2021, our Board of Directors authorized the repurchase of up to \$250 million of our common shares (“2021 Repurchase Authorization”). Pursuant to the 2021 Repurchase Authorization, we may repurchase shares in the open market and/or in privately negotiated transactions at our discretion, subject to market conditions, our compliance with the terms of the 2022 Credit Agreement and Term Loan Facility, and other factors. The 2021 Repurchase Authorization has no scheduled termination date. In the first quarter of 2024 and first quarter of 2023, no shares were repurchased under the 2021 Repurchase Authorization. As of May 4, 2024, we had \$159.4 million available for future repurchases under the 2021 Repurchase Authorization.

Common shares acquired through repurchase authorizations are held in treasury at cost and are available to meet obligations under equity compensation plans and for general corporate purposes.

In addition to shares repurchased under the repurchase authorizations, purchases of common shares reported in the condensed consolidated statements of shareholders’ equity and the condensed consolidated statements of cash flows include shares repurchased to satisfy income tax withholdings associated with the vesting of share-based awards. In the first quarter of 2024 and first quarter of 2023, purchases of common shares reported in the condensed consolidated statements of shareholders’ equity and condensed consolidated statements of cash flows were solely comprised of shares repurchased to satisfy income tax withholdings associated with the vesting of share-based awards.

Dividends

The Company declared and paid cash dividends per common share during the quarterly periods presented as follows:

	Dividends Per Share		Amount Declared	Amount Paid
			<i>(In thousands)</i>	
2024:				
First quarter	\$	—	\$ (11)	\$ 159
Total	\$	—	\$ (11)	\$ 159

The amount of dividends declared may vary from the amount of dividends paid in a period due to the vesting of share-based awards. Furthermore, dividends declared may fluctuate on a periodic basis due to the forfeiture of unpaid dividends associated with unvested share-based awards. Forfeitures of unpaid dividends result in a reversal of amounts previously declared which may produce a negative balance during the period. On May 23, 2023, our Board of Directors suspended the Company’s quarterly cash dividend. The payment of any future dividends will be at the discretion of our Board of Directors and will

depend on our financial condition, results of operations, capital requirements, compliance with applicable laws and agreements and any other factors deemed relevant by our Board of Directors.

NOTE 5 – SHARE-BASED PLANS

We have issued RSUs, PSUs, SVCA PSUs, and TSR PSUs under our shareholder-approved equity compensation plans. We recognized share-based compensation expense of \$2.7 million and \$4.1 million in the first quarter of 2024 and the first quarter of 2023, respectively.

Non-vested Restricted Stock Units

The following table summarizes the non-vested RSU activity for the first quarter of 2024:

	Number of Shares	Weighted Average Grant-Date Fair Value Per Share
Outstanding non-vested RSUs at February 3, 2024	1,910,203	\$ 12.54
Granted	987,147	3.90
Vested	(485,611)	18.12
Forfeited	(126,110)	11.83
Outstanding non-vested RSUs at May 4, 2024	2,285,629	\$ 7.33

The non-vested RSUs granted in 2022, 2023, and the first quarter of 2024 generally vest, and are expensed, on a ratable basis over three years from the grant date of the award, if the grantee remains employed by us through the vesting dates. We estimated that the attainment of the financial performance objective associated with certain RSUs granted in 2022 will fall below the minimum required performance threshold. The RSUs granted in 2024 and 2023 have no required financial performance objectives. The RSUs granted in 2024 were only issued to certain executive members of management.

Performance Share Units

We awarded PSUs to certain members of management in 2021, which would vest if certain financial performance objectives were achieved over a three-year performance period and the grantee remained employed by us through that performance period. The performance period for the 2021 PSUs ended on February 3, 2024, and the applicable financial performance objectives were not achieved. As a result, the 2021 PSUs were forfeited on the first trading day after the filing of our 2023 Form 10-K and no share-based compensation expense was recognized.

As a result of the process used to establish the financial performance objectives, we established the grant date for 2022 PSUs in the first quarter of 2024, when we communicated the financial performance objectives for the third fiscal year of the award to the award recipients, which also established the service inception date, the fair value of the awards, and the associated expense recognition period for the 2022 PSUs. If we meet the applicable threshold financial performance objectives over the three-year performance period and the grantee remains employed by us through the end of the performance period, the PSUs will vest on the first trading day after we file our Annual Report on Form 10-K for fiscal 2024.

The number of shares distributed upon vesting of the 2022 PSUs depends on the average performance attained during the three-year performance period compared to the performance targets established by the Human Capital and Compensation Committee, and may result in the distribution of an amount of shares that is greater or less than the number of 2022 PSUs granted, as defined in the award agreement.

In 2023, we issued PSUs to certain members of management, which will vest if minimum financial performance objectives are achieved over a three-year performance period and the grantee remains employed by us during the remainder of the service period. The financial performance objectives will be established for each fiscal year within the three-year performance period and are generally approved by the Human Capital and Compensation Committee during the first quarter of the respective fiscal year.

As a result of the process used to establish the financial performance objectives, we met the requirements for establishing a grant date and subsequently the service inception date, fair value of the awards, and associated expense recognition period for the second tranche of 2023 PSUs after the Human Capital and Compensation Committee established the 2024 fiscal year financial performance objectives in the first quarter of 2024. If we meet the applicable threshold financial performance

objectives for any of the three tranches and the grantee remains employed by us through the end of the performance period, the PSUs will vest on the first trading day after we file our Annual Report on Form 10-K for the last fiscal year in the three-year performance period. The 2024 financial performance objectives established in the first quarter of 2024 applied to the 2022 PSU awards, 2023 PSU awards, and the 2024 performance cash awards mentioned in the “Cash Awards” section.

The number of shares distributed upon vesting of the 2023 PSUs depends on the average performance attained during the three-year performance period compared to the financial performance objectives established by the Human Capital and Compensation Committee, and may result in the distribution of an amount of shares that is equal to or less than the number of 2023 PSUs granted.

In 2022 and 2023, in addition to PSUs, we also awarded TSR PSUs to certain members of management, which vest based on the achievement of TSR targets relative to a peer group over a three-year performance period and require the grantee to remain employed by us through the end of the performance period. If we meet the applicable performance thresholds over the three-year performance period and the grantee remains employed by us through the end of the performance period, the TSR PSUs will vest on the first trading day after we file our Annual Report on Form 10-K for the last fiscal year in the performance period. We use a Monte Carlo simulation to estimate the fair value of the TSR PSUs on the grant date and recognize expense over the service period. The TSR PSUs have a contractual period of three years.

The number of shares distributed upon vesting of the TSR PSUs depends on the average performance attained during the three-year performance period compared to the performance targets established by the Human Capital and Compensation Committee, and may result in the distribution of an amount of shares that is greater or less than the number of TSR PSUs granted, as defined in the award agreement.

In 2023, we also awarded SVCA PSUs to certain members of management, which vest based on the achievement of multiple share price performance goals over a three-year contractual term and require the grantee to remain employed by us through the end of the contractual term. We use a Monte Carlo simulation to estimate the fair value of the SVCA PSUs on the grant date and recognize expense ratably over the service period. If we meet the applicable performance thresholds over the three-year performance period and the grantee remains employed by us through the end of the contractual term, the SVCA PSUs will vest at the end of the contractual term. If the share price performance goals applicable to the SVCA PSUs are not achieved prior to expiration, the unvested portion of the awards will be forfeited.

In the first quarter of 2024, we did not issue PSUs, SVCA PSUs, or TSR PSUs to any members of management. Instead, we granted performance-based cash awards and time-based cash awards to certain members of management. See the “Cash Awards” section of this note for additional details regarding these awards.

We have begun or expect to begin recognizing expense related to PSUs, TSR PSUs, and SVCA PSUs as follows:

Issue Year	PSU Category	Outstanding Units at May 4, 2024	Actual Grant Date	Expected Valuation (Grant) Date	Actual or Expected Expense Period
2022	TSR PSU	44,031	Fiscal 2022		Fiscal 2022 - 2024
2022	PSU	176,162	March 2024		Fiscal 2024
2023	PSU (“FY23 Tranche”)	141,485	August 2023		Fiscal 2023 - 2025
2023	PSU (“FY24 Tranche”)	141,485	March 2024		Fiscal 2024 - 2025
2023	PSU (“FY25 Tranche”)	141,485		March 2025	Fiscal 2025
2023	TSR PSU	106,109	March 2023		Fiscal 2023 - 2025
2023	SVCA PSU	433,985	March 2023		Fiscal 2023 - 2025
Total		1,184,742			

We recognized \$0.2 million and \$0.4 million of share-based compensation expense related to PSUs, TSR PSUs and SVCA PSUs in the first quarter of 2024 and the first quarter of 2023, respectively.

At May 4, 2024, we estimated that our financial performance will fall below the threshold performance objectives established for the 2022 PSUs and the FY24 Tranche of the 2023 PSUs. As of May 4, 2024, financial performance objectives have not been set for the FY25 Tranche of the 2023 PSUs. As a result, only the 2022 PSUs, the FY23 Tranche of the 2023 PSUs and the FY24 Tranche of the 2023 PSUs were deemed outstanding at May 4, 2024. In the first quarter 2024, we did not recognize share-based compensation expense related to the 2022 PSUs or the FY24 Tranche of the 2023 PSUs.

The following table summarizes the activity related to PSUs, TSR PSUs, and SVCA PSUs for the first quarter of 2024:

	Number of Units	Weighted Average Grant- Date Fair Value Per Share
Outstanding PSUs, TSR PSUs, and SVCA PSUs at February 3, 2024	978,683	\$ 7.34
Granted	332,049	3.90
Vested	—	—
Forfeited	(267,475)	6.70
Outstanding PSUs, TSR PSUs, and SVCA PSUs at May 4, 2024	1,043,257	\$ 6.41

The following activity occurred under our share-based plans during the respective periods shown:

	First Quarter	
<i>(In thousands)</i>	2024	2023
Total fair value of restricted stock vested	\$ 1,858	\$ 3,410

The total unearned compensation expense related to all share-based awards outstanding, excluding the FY25 Tranche of the 2023 PSUs, was approximately \$12.0 million at May 4, 2024. We expect to recognize this compensation cost through February 2026 based on existing vesting terms with the weighted-average remaining expense recognition period being approximately 1.8 years from May 4, 2024.

Cash Awards

In the first quarter of 2024, in lieu of awarding RSUs, we issued time-based cash awards to certain members of management, which vest, and are expensed, on a ratable basis over the three-year period following the grant date of the award. These awards do not contain any required financial performance objectives. The grant date cash value of these awards was \$6.3 million.

In the first quarter of 2024, in lieu of awarding PSUs, we awarded performance-based cash awards to certain members of management, which will vest if minimum financial performance objectives are achieved over a three-year performance period and the grantee remains employed by us during the performance period. The financial performance objectives will be established for each fiscal year within the three-year performance period and are generally approved by the Human Capital and Compensation Committee during the first quarter of the respective fiscal year. In the first quarter of 2024, the Human Capital and Compensation Committee established the financial performance objectives for the 2024 fiscal year which apply to the 2024 performance-based cash awards. Additionally, the performance-based cash awards contain a feature that allows the Company to settle the vested award through the issuance of cash, a variable number of shares, or a combination of both, as determined by the Human Capital and Compensation Committee in its sole discretion. Based on the shares available to be issued under the amended and restated 2020 Long-Term Incentive Plan (“2020 LTIP”), the Company does not expect to be able to settle these awards in shares. Therefore, these awards will be classified as liability awards unless it becomes probable that they can be settled in shares. The grant date cash value of these awards was \$13.1 million.

We recognized compensation expense of \$0.3 million during the first quarter of 2024 related to the cash awards described above. The time-based cash awards and performance-based cash awards have been recorded as a liability within accrued operating expenses in our condensed consolidated balance sheets.

NOTE 6 – INCOME TAXES

The provision for income taxes was based on a current estimate of the annual effective tax rate, adjusted to reflect the effect of discrete items.

We have estimated the reasonably possible expected net change in unrecognized tax benefits through May 4, 2024, based on (1) expected cash and noncash settlements or payments of uncertain tax positions, and (2) lapses of the applicable statutes of limitations for unrecognized tax benefits. The estimated net decrease in unrecognized tax benefits for the next 12 months is approximately \$2.0 million. Actual results may differ materially from this estimate.

We record income tax expense, income tax receivable, and deferred tax assets and related liabilities based on our best estimates. Additionally, we assess the likelihood of realizing the benefits of our deferred tax assets. Our ability to recover these deferred tax assets depends on several factors, including our ability to project future taxable income. In evaluating future taxable income, significant weight is given to positive and negative evidence that is objectively verifiable. As of May 4, 2024, the Company remains in a historical three-year cumulative loss position, which is significant objective negative evidence in considering whether deferred tax assets are realizable. Such objective evidence limits the ability to consider other subjective evidence, such as the projection of future taxable income. Accordingly, we have maintained a full valuation allowance on our deferred tax assets as of the first quarter of 2024. The change in valuation allowance increased by \$33.7 million to \$192.9 million at the end of first quarter of 2024 compared to \$159.2 million at the end of fourth quarter of 2023.

NOTE 7 – CONTINGENCIES**Legal Proceedings**

We are involved in legal actions and claims arising in the ordinary course of business. We currently believe that each such action and claim will be resolved without a material effect on our financial condition, results of operations, or liquidity. However, litigation involves an element of uncertainty. Future developments could cause these actions or claims to have a material effect on our financial condition, results of operations, and liquidity.

NOTE 8 – BUSINESS SEGMENT DATA

Our six merchandise categories are as follows: Food; Consumables; Soft Home; Hard Home and Other; Furniture; and Seasonal. The Food category includes our beverage & grocery; specialty foods; and candy & snacks departments. The Consumables category includes our health, beauty and cosmetics; plastics; paper; pet; infant; stationery; and chemical departments. The Soft Home category includes our apparel; hosiery; jewelry; frames; fashion bedding; utility bedding; bath; window; decorative textile; and area rugs departments. The Hard Home and Other category includes our small appliances; table top; food preparation; home maintenance; home organization; toys; and electronics departments; and other offerings. The Furniture category includes our upholstery; mattress; ready-to-assemble; home décor; and case goods departments. The Seasonal category includes our lawn & garden; summer; Christmas; and other holiday departments.

We periodically assess, and make minor adjustments to, our product hierarchy, which can impact the roll-up of our merchandise categories. Our financial reporting process utilizes the most current product hierarchy in reporting net sales by merchandise category for all periods presented. Therefore, there may be minor reclassifications of net sales by merchandise category compared to previously reported amounts.

The following table presents net sales data by merchandise category:

	First Quarter	
<i>(In thousands)</i>	2024	2023
Furniture	\$ 291,649	\$ 312,144
Consumables	173,924	194,265
Seasonal	160,764	177,008
Soft Home	152,588	174,685
Food	136,907	157,036
Hard Home	93,280	108,439
Net sales	\$ 1,009,112	\$ 1,123,577

NOTE 9 – SUPPLIER FINANCE PROGRAM

In 2023 and through February 16, 2024, we facilitated a voluntary supply chain finance (“SCF”) program through a participating financial institution. This SCF program enabled our suppliers to sell their receivables due from the Company to a participating financial institution at their discretion. As of February 16, 2024, the participating financial institution suspended funding and we have chosen to suspend the program until such time that unsecured funding is available.

As of May 4, 2024 and April 29, 2023, the SCF program had \$0.0 million and \$55.0 million of revolving capacity, respectively. Prior to February 16, 2024, we were not a party to the agreements between the participating financial institution and the suppliers in connection with the SCF program. The range of payment terms we negotiated with our suppliers was consistent, irrespective of whether a supplier participated in the SCF program. No guarantees were provided by the Company or any of our subsidiaries under the SCF program.

The following table summarizes changes in the supplier finance program balance:

<i>(In thousands)</i>	First Quarter	
	2024	2023
Confirmed obligations outstanding at beginning of period	\$ 17.8	\$ 35.4
Invoices confirmed during period	4.4	29.7
Confirmed invoices paid during period	(22.2)	(51.8)
Confirmed obligations outstanding at period end	\$ —	\$ 13.3

The amounts payable to the participating financial institution for suppliers who voluntarily participate in the SCF program are included within the accounts payable on our condensed consolidated balance sheets. Amounts under the SCF program included within accounts payable were \$17.8 million, \$0.0 million, and \$13.3 million as of February 3, 2024, May 4, 2024, and April 29, 2023, respectively. Payments made under the SCF program to the financial institution, like payments of other accounts payable, are a reduction to our operating cash flow.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS FOR PURPOSES OF THE SAFE HARBOR PROVISIONS OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

The Private Securities Litigation Reform Act of 1995 (“Act”) provides a safe harbor for forward-looking statements to encourage companies to provide prospective information, so long as those statements are identified as forward-looking and are accompanied by meaningful cautionary statements identifying important factors that could cause actual results to differ materially from those discussed in the statements. We wish to take advantage of the “safe harbor” provisions of the Act.

Certain statements in this report are forward-looking statements within the meaning of the Act, and such statements are intended to qualify for the protection of the safe harbor provided by the Act. The words “anticipate,” “estimate,” “approximate,” “expect,” “objective,” “goal,” “project,” “intend,” “plan,” “believe,” “will,” “should,” “may,” “target,” “forecast,” “guidance,” “outlook,” and similar expressions generally identify forward-looking statements. Similarly, descriptions of our objectives, strategies, plans, goals or targets are also forward-looking statements. Forward-looking statements relate to the expectations of management as to future occurrences and trends, including statements expressing optimism or pessimism about future operating results or events and projected sales, earnings, capital expenditures and business strategy. Forward-looking statements are based on a number of assumptions concerning future conditions that may ultimately prove to be inaccurate. Forward-looking statements are and will be based upon management’s then-current views and assumptions regarding future events and operating performance, and apply only as of the dates of such statements. Although we believe the expectations expressed in forward-looking statements are based on reasonable assumptions within the bounds of our knowledge, forward-looking statements, by their nature, involve risks, uncertainties and other factors, any one or a combination of which could materially affect our business, financial condition, results of operations or liquidity.

Forward-looking statements that we make herein and in other reports and releases are not guarantees of future performance and actual results may differ materially from those discussed in such forward-looking statements as a result of various factors, including, but not limited to, the current economic and credit conditions, inflation, the cost of goods, our inability to successfully execute strategic initiatives, competitive pressures, economic pressures on our customers and us, our inability to implement strategic actions and alternatives to improve our performance and liquidity and mitigate the existence of “substantial doubt” regarding our ability to continue as a going concern, our inability to increase cash flow to support our operating activities and fund our obligations and working capital needs, the availability of brand name closeout merchandise, trade restrictions, freight costs, the risks discussed in the Risk Factors section of our most recent Annual Report on Form 10-K, and other factors discussed from time to time in our other filings with the SEC, including Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. This report should be read in conjunction with such filings, and you should consider all of these risks, uncertainties and other factors carefully in evaluating forward-looking statements.

Readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date they are made. We undertake no obligation to publicly update forward-looking statements whether as a result of new information, future events or otherwise. Readers are advised, however, to consult any further disclosures we make on related subjects in our public announcements and SEC filings.

OVERVIEW

The discussion and analysis presented below should be read in conjunction with the accompanying condensed consolidated financial statements and related notes. Each term defined in the notes to the accompanying condensed consolidated financial statements has the same meaning in this item and the balance of this report.

The following are the results from the first quarter of 2024 that we believe are key indicators of our operating performance when compared to our operating performance from the first quarter of 2023:

- Net sales decreased \$114.5 million, or 10.2%.
- Comparable sales for stores open at least fifteen months, plus our e-commerce net sales, decreased \$108.3 million, or 9.9%.
- Gross margin dollars decreased \$20.8 million, while gross margin rate increased 190 basis points to 36.8% of net sales.
- Selling and administrative expenses decreased \$87.9 million to \$533.0 million. As a percentage of net sales, selling and administrative expenses increased 250 basis points to 52.8% of net sales.
- Included within our selling and administrative expenses were closing costs and other related expenses associated with the closure of our forward distribution centers (“FDCs”), which decreased \$7.7 million from \$8.6 million in the first quarter of 2023 to \$0.9 million in the first quarter of 2024.
- Also included within our selling and administrative expenses in the first quarter of 2024 were professional fees related to a cost reduction and productivity initiative (“Project Springboard”) of \$3.6 million.
- Operating loss rate was (19.1)% compared to an operating loss rate of (23.2)% in the first quarter of 2023.
- Diluted earnings (loss) per share was \$(6.99) per share in the first quarter of 2024 compared to diluted loss per share of \$(7.10) in the first quarter of 2023.
- Long-term debt increased \$72.2 million from \$501.6 million in the first quarter of 2023 to \$573.8 million for the first quarter of 2024. The Company ended the first quarter of 2024 with \$324.9 million of aggregate available borrowings under the 2022 Credit Agreement and Term Loan Facility, subject to certain borrowing base limitations, compared to \$366.7 million at the end of the first quarter of 2023.
- Inventory decreased by 12.7%, or \$137.8 million, from \$1,087.7 million at the end of the first quarter of 2023 to \$949.9 million at the end of the first quarter of 2024.

See the discussion and analysis below for additional details regarding our operating results.

FIRST QUARTER OF 2024 COMPARED TO FIRST QUARTER OF 2023

Net Sales

Net sales by merchandise category (in dollars and as a percentage of total net sales), net sales change (in dollars and percentage), and comparable sales (“comp” or “comps”) in the first quarter of 2024 compared to the first quarter of 2023 were as follows:

(\$ in thousands)	First Quarter							
	2024		2023		Change		Comps	
Furniture	\$ 291,649	29.0%	\$ 312,144	27.7%	\$ (20,495)	(6.6)%	(5.6)%	
Consumables	173,924	17.2%	194,265	17.3%	(20,341)	(10.5)%	(7.9)%	
Seasonal	160,764	15.9%	177,008	15.8%	(16,244)	(9.2)%	(15.2)%	
Soft Home	152,588	15.1%	174,685	15.5%	(22,097)	(12.6)%	(11.3)%	
Food	136,907	13.6%	157,036	14.0%	(20,129)	(12.8)%	(10.2)%	
Hard Home	93,280	9.2%	108,439	9.7%	(15,159)	(14.0)%	(13.7)%	
Net sales	\$ 1,009,112	100.0 %	\$ 1,123,577	100.0 %	\$ (114,465)	(10.2)%	(9.9)%	

We periodically assess, and make minor adjustments to, our product hierarchy, which can impact the roll-up of our merchandise categories. Our financial reporting process utilizes the most current product hierarchy in reporting net sales by merchandise category for all periods presented. Therefore, there may be minor reclassifications of net sales by merchandise category compared to previously reported amounts.

Net sales decreased \$114.5 million, or 10.2%, to \$1,009.1 million in the first quarter of 2024, compared to \$1,123.6 million in the first quarter of 2023. The decrease in net sales was primarily driven by a 9.9% decrease in our comps, which decreased net sales by \$108.3 million, and a 0.3% decrease in our non-comparable sales, which decreased net sales by \$6.2 million. The decrease in non-comparable sales was driven by the net decrease of 35 stores since the first quarter of 2023. Our comps are calculated based on the results of all stores that were open at least fifteen months plus our e-commerce net sales.

In the first quarter of 2024, we experienced decreased comps and net sales in all of our merchandise categories. Our home products categories, which include Furniture, Seasonal, Soft Home, and Hard Home, continue to be negatively impacted by macroeconomic pressures affecting our customers’ discretionary spending in the first quarter of 2024. Our Furniture and

Seasonal categories continue to be impacted by a decrease in demand for large-ticket products as customers remain cautious with discretionary spending.

While our Furniture category experienced a decrease in comps and net sales in the first quarter of 2024, this category performed relatively better than other home product categories in the first quarter of 2024, due to Broyhill® branded products returning to normal in-stock levels as compared to the shortage we experienced in the first quarter of 2023, as a result of the closure of our largest Broyhill® brand supplier.

Our Seasonal category experienced decreased sales and net comps largely driven by our lawn & garden department, as performance in this department relies on sales of large-ticket items. In addition, our lawn & garden department was impacted by our overall reduced promotional and markdown activity compared to the first quarter of 2023.

Although our Food and Consumables categories are less sensitive to changes in discretionary spending, they have experienced higher decreased sales and net comps in the first quarter of 2024 compared to our home product categories. While all departments within our Food category experienced a decrease in comps and net sales in the first quarter of 2024, our candy and snacks departments experienced the most significant decline. We believe these departments were significantly impacted by the lack of Bargain and Extreme Bargain product assortments. We are focusing on increasing our Bargain and Extreme Bargain assortments within these departments throughout the remainder of 2024.

Gross Margin

Gross margin dollars decreased \$20.8 million, or 5.3%, to \$371.7 million for the first quarter of 2024, compared to \$392.5 million for the first quarter of 2023. The decrease in gross margin dollars was due to a decrease in net sales, which decreased gross margin dollars by \$40.0 million, partially offset by an increase in gross margin rate, which increased gross margin dollars by \$19.2 million. Gross margin as a percentage of net sales increased 190 basis points to 36.8% in the first quarter of 2024 compared to 34.9% in the first quarter of 2023. The gross margin rate increase was primarily due to a lower markdown rate. The lower markdown rate was a result of better alignment of our inventory purchase activity to consumer demand compared to the first quarter of 2023, which reduced promotional activity.

Selling and Administrative Expenses

Selling and administrative expenses were \$533.0 million for the first quarter of 2024, compared to \$620.9 million for the first quarter of 2023. The decrease of \$87.9 million, or (14.2)%, was primarily attributable to the absence of a lease payment related to the exit of our Prior Synthetic Lease of \$53.6 million in first quarter of 2023, and decreases in the termination costs and related expenses for the exit of our FDC operations of \$7.7 million, store asset impairment charges of \$15.6 million (see [Note 1](#) to the accompanying condensed consolidated financial statements) resulting from a review of underperforming stores, store occupancy expense of \$1.9 million, and credit card and bank fees of \$1.7 million. The decrease in store occupancy expense was primarily the result of a lower year-over-year store count and operating lease right-of-use asset impairments recorded in the trailing twelve months, which decreased amortization expense on operating lease right-of-use assets, partially offset by increased lease expense associated with lease renewals and sale and leaseback transactions completed in 2023. The decrease in credit card and bank fees was primarily driven by the decreased sales volume compared to the first quarter of 2023. These decreases were partially offset by an increase in professional fees related to Project Springboard of \$3.6 million.

As a percentage of net sales, selling and administrative expenses decreased 250 basis points to 52.8% for the first quarter of 2024 compared to 55.3% for the first quarter of 2023.

Depreciation Expense

Depreciation expense decreased \$5.0 million to \$31.6 million in the first quarter of 2024, compared to \$36.6 million in the first quarter of 2023. The decrease in depreciation expense was driven by the absence of FDC related depreciation, asset impairment charges recorded in the last twelve months, decreased capital expenditures in the trailing twelve months, and the absence of depreciation for store properties sold in the last twelve months.

Depreciation expense as a percentage of sales decreased 20 basis points compared to the first quarter of 2023.

Gain on Sale of Real Estate

In the first quarter of 2023, the Company completed the sale of one owned store location with an aggregate net book value of \$0.7 million. The net cash proceeds on the sale of real estate were \$4.4 million and resulted in a gain after related expenses of \$3.8 million. There were no sales of real estate completed in the first quarter of 2024.

Interest Expense

Interest expense was \$12.0 million in the first quarter of 2024, compared to \$9.1 million in the first quarter of 2023. The increase in interest expense was primarily driven by higher total average borrowings (including in connection with our entry into the new Term Loan Facility) and an increase in our weighted average interest rate. We had total average borrowings of \$660.2 million in the first quarter of 2024 compared to total average borrowings of \$574.5 million in the first quarter of 2023. The increase in total average borrowings was driven by borrowings under our 2022 Credit Agreement and Term Loan Facility in the first quarter of 2024 compared to the first quarter of 2023. The increase in our weighted average interest rate throughout the first quarter of 2024 compared to the first quarter of 2023 was primarily due to a year-over-year increase in Term SOFR, which is the basis for interest accrued on borrowings under the 2022 Credit Agreement and Term Loan Facility.

Income Taxes

The effective income tax rate for the first quarter of 2024 and the first quarter of 2023 was (0.1)% and 23.8%, respectively. The change in the effective income tax rate was a result of a full valuation allowance on our deferred assets as of the first quarter of 2024 compared to no valuation allowance recorded as of the first quarter of 2023. The effect of the change in valuation allowance was partially offset by the effect of carry back employment related tax credits and state net operating losses to prior fiscal periods.

Known Trends and 2024 Guidance

In 2024, the U.S. economy has continued to face macroeconomic challenges including elevated inflation, which has adversely impacted the buying power of our customers. We incorporated our current best estimate of these impacts into the guidance below.

As of June 6, 2024, we expect the following in the second quarter of 2024:

- a comparable sales decrease in the mid-to-high single digits compared to the second quarter of 2023, representing a modest improvement from the first quarter of 2024;
- gross margin rate improvement of approximately at least 300 basis points compared to the second quarter of 2023, driven by reduced markdown activity, lower freight costs and cost savings initiatives; and
- combined selling and administrative expenses and depreciation, excluding termination costs and related expenses for the exit of our FDC operations, down low to mid-single digits compared to the second quarter of 2023.

For 2024, we expect capital expenditures of approximately \$60 million.

Capital Resources and Liquidity

On September 21, 2022, we entered into the 2022 Credit Agreement, a five-year asset-based revolving credit facility in an aggregate committed amount of up to \$900 million (the “Commitments”) that expires on September 21, 2027. In connection with our entry into the 2022 Credit Agreement, we paid bank fees and other expenses in the aggregate amount of \$3.4 million, which are being amortized over the term of the 2022 Credit Agreement.

On April 18, 2024, concurrent with our entry into the Term Loan Facility, we entered into the First Amendment to Credit Agreement (the “ABL Amendment”), which amended the 2022 Credit Agreement to, among other things, (1) permit the Term Loan Facility, (2) expand the scope of collateral to include non-working capital assets and a mortgage on the Company’s corporate headquarters located in Columbus, Ohio, (3) revise the borrowing base formula therein to include the Term Loan Pushdown Reserve (as defined in [Note 2](#)), (4) increase the interest rate spreads and replace CDOR with CORRA, (5) replace the fixed charge coverage ratio covenant with an Excess Availability Covenant (as defined in [Note 2](#)), and (6) make other changes to the 2022 Credit Agreement to conform with the Term Loan Facility.

Revolving loans under the 2022 Credit Agreement are available in an aggregate amount equal to the lesser of (1) the aggregate Commitments and (2) a borrowing base consisting of eligible credit card receivables and eligible inventory (including in-transit inventory), subject to customary exceptions and reserves, including the Term Loan Pushdown Reserve (the “ABL Borrowing Base”). The 2022 Credit Agreement includes a swing loan sublimit of 10% of the then applicable aggregate Commitments and a \$90 million letter of credit sublimit. Loans made under the 2022 Credit Agreement may be prepaid without penalty. Borrowings under the 2022 Credit Agreement are available for general corporate purposes, working capital and to repay certain of our indebtedness as of closing. All obligations under the 2022 Credit Agreement are guaranteed by the Loan Parties (other than the Borrowers) and, after giving effect to the ABL Amendment, our obligations under the 2022 Credit Agreement are secured by (a) a first priority lien on substantially all of the Loan Parties’ working capital assets, including credit card receivables and inventory, and (b) a second priority lien on substantially all of the Loan Parties’ non-working capital personal property assets, including fixtures, machinery, equipment, and intellectual property, and a second priority mortgage on the Company’s corporate headquarters located in Columbus, Ohio, in each case subject to certain permitted liens. The pricing and

certain fees under the 2022 Credit Agreement fluctuate based on our borrowing availability under the 2022 Credit Agreement. The 2022 Credit Agreement allows us to select our interest rate for each borrowing from multiple interest rate options. The interest rate options are generally derived from the prime rate, adjusted daily simply SOFR or one, three or six month adjusted Term SOFR. We also pay an unused commitment fee of 0.20% per annum on the unused Commitments. The 2022 Credit Agreement contains an environmental, social and governance (“ESG”) provision, which may provide favorable pricing and fee adjustments if we meet ESG performance criteria to be established by a future amendment to the 2022 Credit Agreement.

The 2022 Credit Agreement contains customary affirmative and negative covenants (including, where applicable, restrictions on our ability to, among other things, incur additional indebtedness, pay dividends, redeem or repurchase stock, prepay certain indebtedness, make certain loans and investments, dispose of assets, enter into restrictive agreements, engage in transactions with affiliates, modify organizational documents, incur liens and consummate mergers and other fundamental changes) and events of default, including a cross default to other material indebtedness. In addition, after giving effect to the ABL Amendment, the 2022 Credit Agreement requires us to comply with an Excess Availability Covenant (the requirements of which are described in [Note 2](#)). A violation of these covenants would result in a default under the 2022 Credit Agreement which would permit the lenders to restrict our ability to further access the 2022 Credit Agreement for loans and letters of credit and could require the immediate repayment of any outstanding loans under the 2022 Credit Agreement. At May 4, 2024, we were in compliance with the covenants of the 2022 Credit Agreement and Term Loan Facility.

On April 18, 2024, the Company entered into the Term Loan Facility, among the Company and Big Lots Stores, LLC, as borrowers (the “Borrowers”), all other domestic subsidiaries of the Company as guarantors (together with the Borrowers, the “Loan Parties”), 1903P Loan Agent, LLC, (the “Term Loan Agent”), as administrative agent and collateral agent, and the other lenders named therein. The Term Loan Facility provides for a “first in, last out” delayed draw term loan facility in an aggregate committed amount of up to \$200 million. At commencement of the Term Loan Facility, the Company drew down \$50.0 million in total borrowings under the Term Loan Facility.

Loans under the Term Loan Facility are available in an aggregate amount equal to the lesser of (1) the aggregate Commitments and (2) a borrowing base calculated based on specified percentages of eligible inventory, credit card receivables, real estate, fixtures, machinery and equipment, subject to customary exceptions and reserves (the “Term Loan Borrowing Base”). If at any time the amounts borrowed under the Term Loan Facility exceed the Term Loan Borrowing Base, the Company is required to maintain a reserve against the ABL Borrowing Base in an amount equal to such excess (“the Term Loan Pushdown Reserve”). Borrowings under the Term Loan Facility are available for general corporate purposes, working capital and to repay a portion of our indebtedness outstanding under the 2022 Credit Agreement.

All amounts of the Term Loan Facility outstanding on the maturity date will be due and payable on September 21, 2027. The Term Loan Facility requires mandatory prepayments in connection with certain sales or dispositions of assets, the incurrence of certain additional debt, certain issuances of additional equity and receipt of certain extraordinary receipts, subject to certain exceptions and, in the case of certain sales or other dispositions, reinvestment rights. Some mandatory prepayments are subject to a prepayment fee. Subject to compliance with applicable provisions and tests under the 2022 Credit Agreement, voluntary prepayments under the Term Loan Facility are permitted at any time upon notice and, in certain instances, a prepayment fee.

Amounts borrowed under the Term Loan Facility bear interest at a variable rate indexed to SOFR plus a pricing margin ranging from 9.25% to 10.00% per annum, based on our total borrowings under the Term Loan Facility. Interest payments under the Term Loan Facility are due on the first day of each calendar month. As of May 4, 2024, the interest rate on the outstanding Term Loan Facility borrowings was 14.6%.

The Term Loan Facility requires the Borrowers to satisfy the Excess Availability Covenant. In addition, the Term Loan Facility contains customary covenants and restrictions on the Company’s and its subsidiaries’ activities, including, but not limited to, limitations on the incurrence of additional indebtedness, liens, negative pledges, guarantees, investments, loans, asset sales, mergers, acquisitions, prepayment of other debt, distributions, dividends, the repurchase of capital stock, transactions with affiliates, the ability to change the nature of its business or its fiscal year, and permitted activities of the Company.

The Term Loan Facility also contains customary events of default that include, among other things, non-payment defaults, inaccuracy of representations and warranties defaults, covenant defaults, cross default to material indebtedness, bankruptcy and insolvency defaults, material judgment defaults, ERISA defaults, structural defaults under the loan documents and a change of control default. The occurrence of an event of default could result in the acceleration of our obligations under the Term Loan Facility. Under certain circumstances, a default interest rate will apply on any amount payable under the Term Loan Facility during the existence of an event of default at a per annum rate equal to 2.00% above the applicable interest rate for any principal and 2.00% above the rate applicable for base rate loans for any other interest.

All obligations under the Term Loan Facility are guaranteed by the Loan Parties (other than the Borrowers) and secured by (a) a second priority lien on substantially all of the Loan Parties' working capital assets, including credit card receivables and inventory, and (b) a first priority lien on substantially all of the Loan Parties' non-working capital personal property assets, including fixtures, machinery, equipment, and intellectual property, and a first priority mortgage on the Company's corporate headquarters located in Columbus, Ohio, in each case, subject to certain permitted liens.

As of May 4, 2024, we had an aggregate borrowing base (as defined under the 2022 Credit Agreement and Term Loan Facility) of \$956.7 million under the 2022 Credit Agreement and Term Loan Facility. At May 4, 2024, we had \$578.2 million in aggregate borrowings outstanding under the 2022 Credit Agreement and Term Loan Facility and \$53.6 million committed to outstanding letters of credit, leaving \$324.9 million of aggregate availability under the 2022 Credit Agreement and Term Loan Facility, subject to certain borrowing base limitations as further discussed above.

The primary source of our liquidity is cash flows from operations and borrowings under the 2022 Credit Agreement and the Term Loan Facility. Our net loss and, consequently, our cash (used in) provided by operating activities are impacted by net sales volume, seasonal sales patterns, and operating (loss) profit margins. Historically, our cash provided by operations typically peaks in the fourth quarter of each fiscal year due to net sales generated during the holiday selling season. Generally, our working capital requirements peak late in our third fiscal quarter or early in our fourth fiscal quarter as we build our inventory levels prior to the holiday selling season. We have historically funded those requirements with cash provided by operations and borrowings under our credit facilities. Cash requirements include, among other things, capital expenditures, working capital needs, interest payments, and other contractual commitments.

The Company has incurred net losses and used cash in operating activities in 2022, 2023, and the first quarter of 2024. The Company is currently in compliance with the covenants under the agreements governing its indebtedness (see [Note 2](#) for additional information on these agreements and covenants) and its current aggregate available borrowings under the 2022 Credit Agreement and Term Loan Facility are \$213.9 million, subject to certain borrowing base limitations discussed in [Note 2](#). Due to ongoing negative macroeconomic factors and their uncertain impacts on the Company's business, results of operations, and cash flows, the Company expects to experience further operating losses, and expects to experience difficulty remaining in compliance with such covenants.

As further described below, management has implemented plans to reduce costs, improve sales, and enhance its financial flexibility and liquidity.

However, based on our current cash and liquidity projections, and uncertainties with respect to the mitigating effect of management's plans, the Company has concluded there is a significant likelihood that it will be unable to comply with the Excess Availability Covenant under the 2022 Credit Agreement and the Term Loan Facility within the next 12 months, which raises substantial doubt about the Company's ability to continue as a going concern. Failure to comply with the Excess Availability Covenant would result in an event of default which could result in an acceleration of our obligations under the Term Loan Facility and the 2022 Credit Agreement. We can provide no assurance that the lender parties under the Term Loan Facility or the 2022 Credit Agreement would waive the Company's failure to comply with the Excess Availability Covenant. We anticipate that potential failures under the Excess Availability Covenant may begin in the first quarter of fiscal 2025, although uncertainty in our forecasts and macroeconomic factors, as well as the achievement of the plans described below, may impact the timing of a potential violation.

Notwithstanding the above, the Company intends to vigorously pursue its plans to enhance its liquidity, improve the performance of the business, and avoid a covenant violation. The Company is evaluating various alternatives to improve its available liquidity, including but not limited to, lease concessions and deferrals, entering a letter of credit facility, managing its working capital, and raising additional capital. The Company is also seeking to further monetize assets, such as its remaining owned real estate property, through outright sale or sale and leaseback opportunities. Further, the Company is evaluating the prospect of monetizing pending litigation claims to which the Company is a plaintiff, which we expect would improve the Company's liquidity position, if actioned. The Company also plans to drive significant improvements in sales and profitability through our key strategic actions, which include, among others, our actions to increase penetration of extreme bargains and closeouts, improve merchandise presentations that highlight our best deals and encourage basket growth and visit frequency, and drive productivity and efficiency in our business by aggressively pursuing operating expense and capital outlay reductions, which includes continuing to achieve savings through our Project Springboard initiative. These plans have not been finalized, are subject to market conditions, and are not fully within the Company's control, and therefore cannot be deemed probable; however, management believes that, in aggregate, these plans have the potential to maintain the Company's compliance with the Excess Availability Covenant.

The unaudited condensed consolidated financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts and classification of liabilities that might result from the outcome of the uncertainty referenced above.

On December 1, 2021, our Board of Directors authorized the repurchase of up to \$250 million of our common shares under the 2021 Repurchase Authorization. Pursuant to the 2021 Repurchase Authorization, we may repurchase shares in the open market and/or in privately negotiated transactions at our discretion, subject to market conditions, our compliance with the terms of the 2022 Credit Agreement and the Term Loan Facility, and other factors. The 2021 Repurchase Authorization has no scheduled termination date. In the first quarter of 2024, we did not purchase any shares under the 2021 Repurchase Authorization. As of May 4, 2024, we had \$159.4 million available for future repurchases under the 2021 Repurchase Authorization.

On May 23, 2023, our Board of Directors suspended the Company's quarterly cash dividend. The declaration of any future dividends will be at the discretion of our Board of Directors and will depend on our financial condition, results of operations, capital requirements, compliance with applicable laws and agreements and any other factors deemed relevant by our Board of Directors.

In the first quarter of 2024, we paid approximately \$0.2 million in dividends compared to \$9.6 million in the first quarter of 2023. The decrease in dividends paid was due to the suspension of the Company's quarterly cash dividend in the second quarter of 2023, which resulted in no quarterly dividend paid in the first quarter 2024 compared to a quarterly dividend paid in the first quarter 2023. The dividends paid in the first quarter of 2024 are a result of accrued dividends related to share-based awards that vested in the first quarter of 2024.

The following table compares the primary components of our cash flows from the first quarter of 2024 compared to the first quarter of 2023:

<i>(In thousands)</i>	2024	2023	Change
Net cash used in operating activities	\$ (146,939)	\$ (168,938)	\$ 21,999
Net cash used in investing activities	(15,743)	(12,481)	(3,262)
Net cash provided by financing activities	\$ 160,256	\$ 188,009	\$ (27,753)

Cash used in operating activities decreased \$22.0 million to \$146.9 million in the first quarter of 2024 compared to \$168.9 million in the first quarter of 2023. The decrease in cash used in operating activities was primarily due to the decrease in net loss after adjusting for non-cash activities such as non-cash impairment charge, non-cash lease expense, and the change in in operating lease liabilities related to the refinance of the AVDC synthetic lease in the first quarter of 2023. The decrease was also due to the combined impact of the change in inventory and accounts payable balances, driven by a year-over-year decrease in inventory purchase volumes.

Cash used in investing activities increased by \$3.3 million to \$15.7 million in the first quarter of 2024 compared to \$12.5 million of cash used in investing activities in the first quarter of 2023. The increase was driven by a decrease in proceeds received on the sale of property and equipment compared to the first quarter 2023, in which we sold one owned store property, partially offset by a decrease in capital expenditures. The decrease in capital expenditures was primarily due to decreased investments in new stores and other strategic initiatives.

Cash provided by financing activities decreased by \$27.8 million to \$160.3 million in the first quarter of 2024 compared to \$188.0 million in the first quarter of 2023. The decrease was driven by a decrease in net proceeds from long-term debt, partially offset by a decrease in dividends paid due to the absence of a dividend payment in the first quarter of 2024, a decrease in payment for treasury shares acquired to satisfy income tax withholdings associated with the vesting of share-based awards, and an increase in payments for debt issuance costs arising from our entry into the Term Loan Facility and the ABL Amendment.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates, judgments, and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period, as well as the related disclosure of contingent assets and liabilities at the date of the financial statements. On an ongoing basis, management evaluates its estimates, judgments, and assumptions, and bases its estimates, judgments, and assumptions on historical experience, current trends, and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. See [Note 1](#) to our condensed consolidated financial statements included in our 2023 Form 10-K for additional information about our accounting policies.

The estimates, judgments, and assumptions that have a higher degree of inherent uncertainty and require the most significant judgments are outlined in Management's Discussion and Analysis of Financial Condition and Results of Operations contained in our 2023 Form 10-K. Had we used estimates, judgments, and assumptions different from any of those discussed in our 2023 Form 10-K, our financial condition, results of operations, and liquidity for the current period could have been materially different from those presented.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We are subject to market risk from exposure to changes in interest rates on borrowings under the 2022 Credit Agreement. We had \$528.2 million of borrowings under the 2022 Credit Agreement at May 4, 2024. An increase of 1% in our variable interest rate on our expected future borrowings could affect our financial condition, results of operations, or liquidity through higher interest expense by approximately \$5.3 million. We are also subject to market risk from exposure to changes in interest rates on future borrowings under the Term Loan Facility.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our Principal Executive Officer and Principal Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as that term is defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act) as of the end of the period covered by this report. Based on that evaluation, our Principal Executive Officer and Principal Financial Officer have each concluded that such disclosure controls and procedures were effective as of the end of the period covered by this report.

Changes in Internal Control Over Financial Reporting

There were no changes in our internal control over financial reporting (as that term is defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) that occurred during our most recent fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Part II. Other Information

Item 1. Legal Proceedings

For information regarding certain legal proceedings to which we have been named a party or are subject, see [Note 7](#) to the accompanying condensed consolidated financial statements.

Item 1A. Risk Factors

Except as set forth below, during the first quarter of 2024, there were no material changes to our risk factors as disclosed in the 2023 Form 10-K.

Our net losses and use of cash in operating activities in 2022, 2023 and the first quarter of 2024, as well as our current cash and liquidity projections, raise substantial doubt about our ability to continue as a going concern.

Based on our net losses and use of cash in operating activities in 2022, 2023 and the first quarter of 2024 and our current cash and liquidity projections, we have concluded there is a significant likelihood that we will be unable to comply with the Excess Availability Covenant under the 2022 Credit Agreement and the Term Loan Facility within the next 12 months, which raises substantial doubt about our ability to continue as a going concern. Our unaudited condensed consolidated financial statements do not include any adjustments relating to the recoverability of recorded asset amounts or the amounts and classification of liabilities that may result if we do not continue as a going concern.

(b) Delayed Draw Term Loans.

(i) Subject to the terms and conditions set forth herein, each Lender severally agrees to make a Delayed Draw Term Loan denominated in U.S. Dollars to the Borrowers at any time on or before the Delayed Draw Commitment Termination Date in a principal amount up to the Applicable Percentage of such Lender of the Delayed Draw Term Loans requested at such time at the time such Delayed Draw Term Loans are made; provided, that, the aggregate amount of all Delayed Draw Term Loans by each Lender shall not exceed the Delayed Draw Term Loan Commitment of such Lender (as in effect immediately prior to the making of the initial Delayed Draw Term Loans, except as otherwise provided in Section 2.01(b)(iii) below). Each Delayed Draw Term Loan shall be available to the Borrowers from and after the Closing Date until the Delayed Draw Commitment Termination Date, subject to the satisfaction of the conditions set forth in Section 4.02 and the following conditions:

(A) the Administrative Agent shall have received the request of the Borrower Representative for such Delayed Draw Term Loan not less than seven (7) calendar days prior to the date of the funding of such Delayed Draw Term Loan (or such shorter notice period as the Administrative Agent may agree);

(B) as of the date of each Delayed Draw Term Loan, no Default or Event of Default shall exist or have occurred and be continuing;

(C) the Administrative Agent shall have received the information set forth on Schedule 5.01(e) as of the week ended immediately prior to the proposed Funding Date in the same form as such information is included in a Borrowing Base Certificate not less than the two (2) Business Days prior to the proposed funding date of each Delayed Draw Term Loan;

(D) as of the date of each Delayed Draw Term Loan, the aggregate amount of the then outstanding Closing Date Term Loans plus the Delayed Draw Term Loans shall not exceed the Term Loan Exposure Limitation;

(E) the aggregate principal amount of all of the Delayed Draw Term Loans shall not exceed the Delayed Draw Term Loan Commitments (as in effect immediately prior to the making of the initial Delayed Draw Term Loans, but subject to such amounts as may be reborrowed as Delayed Draw Term Loans pursuant to Section 2.01(b)(iii) below); and

(F) there shall be no more than ten (10) Delayed Draw Term Loans during the term of this Agreement (or such other number as Administrative Agent may hereafter agree) and no more than one Delayed Draw Term Loan in any 14-day period.

(ii) The Delayed Draw Term Loan Commitment of each Lender will be reduced by the amount of each Delayed Draw Term Loan by such Lender upon the making of such Delayed Draw Term Loan by such Lender, except to the extent provided for in Section 2.01(b)(iii). The Delayed Draw Term Loans shall constitute Loans under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from any guarantees and the security interests created by the Loan Documents.

(iii) The Delayed Draw Term Loans are not a revolving credit facility and may not be repaid and redrawn and any Delayed Draw Term Loans repaid hereunder are not available for reborrowing, except, that, to the extent that each Lender shall have received a payment of principal of either a Closing Date Term Loan or a Delayed Draw Term Loan previously made by it and no Default or Event of Default exists or has occurred and is continuing, following the date of the receipt of such payment and its application to the repayment of the Closing Date Term Loan or Delayed Draw Term Loan, as applicable, the Borrowers may reborrow as Delayed Draw Term Loans (the "Reborrowed Loans"), the amount of the Closing Date Term Loans and Delayed Draw Terms Loans that have previously been repaid in an aggregate principal amount for all such Reborrowed Loans that are made pursuant to this Section 2.01(h)(iii) up to \$25,000,000 at any time outstanding (and the Delayed Draw Term Loan Commitments of the Lenders shall not be reduced to the extent of the making of Delayed Draw Term Loans based on amounts thereof previously repaid pursuant to this clause (iii)), provided, that, as to any such Delayed Draw Term Loans to be reborrowed;

(A) each of the conditions to the making of any Delayed Draw Term Loans constituting Reborrowed Loan provided herein, including this Section 2.01(b) and Section 4.02, shall be satisfied with respect to such Delayed Draw Term Loan;

(B) the request for a Reborrowed Loan that is made pursuant to the terms of this clause (iii) and the date of the funding of such Reborrowed Loan shall be on or before the date that is the six-month anniversary of the date of the receipt by the Administrative Agent of the repayment of the applicable Reborrowed Loan or the Closing Date Term Loans that is the basis for such Reborrowed Loan (and such request shall specify the date and amount of the repayment that is the basis for such request);

(C) no Reborrowed Loan that is made pursuant to the terms of this clause (iii) shall be repaid prior to the date that is sixty (60) days from the date such Reborrowed Loan is made (but without limitation of the obligation to make any mandatory payments or payments upon any an Event of Default or after any acceleration of any of the Obligations or the Maturity Date or otherwise upon the demand of the Administrative Agent in accordance with the terms hereof); and

(D) any principal payments in respect of the Term Loans shall only be applied to repayment of the Reborrowed Loans one time in any eleven (11) full calendar months as directed by the Borrowers and the Borrowers shall notify the Administrative Agent of any payment that is to be so applied at the time such principal payment is made.

SECTION 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Type made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required. Any Protective Advance shall be made in accordance with the procedures set forth in Section 2.04.

(b) All Borrowings shall be denominated in U.S. Dollars. Subject to Section 2.14, each Borrowing shall be comprised entirely of Term SOFR Rate Loans. Each Lender at its option (or the Administrative Agent, in the case of a Protective Advance) may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender (or the Administrative Agent, in the case of a Protective Advance) to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.14, 2.15, 2.16 and 2.17 shall apply to such Affiliate to the same extent as to such Lender or the Administrative Agent, as the case may be); provided, however, (i) the exercise of such option shall be recorded in the Register in

accordance with Section 9.04(b)(iv) and such Affiliate shall have provided the tax forms required by 2.17(f) to the Administrative Agent, and (ii) any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement.

SECTION 2.03 Requests for Borrowings.

(a) To request a Borrowing, the Borrower Representative shall notify the Administrative Agent of such request in a Borrowing Request in writing (delivered by hand, telecopy or e-mail) and, in each case, signed by a Borrower (or Borrower Representative on behalf of the Borrowers), not later than 11:00 a.m. (or such later time as the Administrative Agent may consent to in its discretion), (x) one (1) Business Day before the date of the proposed Borrowing of the Closing Date Term Loans and (y) seven (7) days before the proposed Borrowing of any Delayed Draw Term Loan. Each such Borrowing Request shall be irrevocable and shall specify the following information:

(i) the aggregate principal amount of such Borrowing; provided that each Borrowing of a Delayed Draw Term Loan shall be in a principal amount of \$10,000,000 or a whole multiple of \$1,000,000 in excess thereof;

(ii) the date of such Borrowing, which shall be a Business Day;

(iii) the location and number of the Funding Account of a Borrower (together with such other information with respect thereto as the Administrative Agent may request) that shall be specified in such Borrowing Request to which the proceeds of such Borrowing are to be paid; and

(iv) that the conditions precedent set forth in Section 4.02, as applicable, have been satisfied as of the date of such Borrowing Request and in Section 2.01(b) in the case of any Delayed Draw Term Loan.

(b) Any Borrowing Request that shall fail to specify any of the information required by the preceding provisions of this Section 2.03 be rejected by the Administrative Agent if such failure is not corrected promptly after the Administrative Agent shall give written or telephonic notice thereof to the Borrower Representative and, if so rejected, will be of no force or effect. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 Protective Advances.

(a) Subject to the limitations set forth below, after the Closing Date, the Administrative Agent, by and through an Affiliate, is authorized by the Borrowers and the Lenders, from time to time in the Administrative Agent's sole discretion (but shall have absolutely no obligation to), to make additional Loans to the Borrowers on behalf of itself and the other Lenders, which the Administrative Agent, in its Permitted Discretion, deems necessary or desirable (i) to preserve or protect the applicable Collateral, or any portion thereof, (ii) to enhance the likelihood of, or maximize the amount of, repayment of the applicable Loans and other applicable Obligations, or (iii) to pay any other amount chargeable to or required to be paid by the applicable Borrower pursuant to the terms of the Loan Documents, including payments of reimbursable expenses (including costs, fees, and expenses as described in Section 9.03) and other sums payable under the Loan Documents (any of such Loans are herein referred to as "Protective Advances"); provided that (i) the aggregate principal amount of outstanding Protective Advances shall not, at any time, exceed ten percent (10%) of the Aggregate Commitments (as in effect immediately prior to the making of the Closing Date Term Loans). The Protective Advances shall be secured by the Liens

in favor of the Administrative Agent in and to the applicable Collateral and shall constitute Obligations hereunder. All Protective Advances shall be in U.S. Dollars and ABR Loans (or at the Administrative Agent's option Term SOFR Rate Loans). The Administrative Agent's authorization to make Protective Advances may be revoked at any time by the Required Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent's receipt thereof. At any time the conditions precedent set forth in Section 4.02 have been satisfied, the Administrative Agent may request the Lenders to make Delayed Draw Term Loans to repay a Protective Advance (but without any requirement for a request or other information from a Borrower for such Loan). At any other time the Administrative Agent may require the Lenders to fund their risk participations described in Section 2.04(b).

(b) Upon the making of a Protective Advance by the Administrative Agent (whether before or after the occurrence of a Default), each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Administrative Agent, without recourse or warranty, an undivided interest and participation in such Protective Advance in proportion to its Applicable Percentage. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Protective Advance.

SECTION 2.05 Reserved.

SECTION 2.06 Term Notes.

(a) The Closing Date Term Loans made by the Lenders shall be evidenced by the Closing Date Term Loan Notes, duly executed by the Borrowers, dated the Closing Date, payable to each Lender in the principal amount equal to the Closing Date Term Loan made by such Lender. Each Delayed Draw Date Term Loan made by the Lenders shall be evidenced by the Delayed Draw Term Note, duly executed by the Borrowers, dated the Closing Date payable to each Lender in the principal amount equal to the total Delayed Draw Term Loan Commitment of such Lender.

(b) Upon receipt by Borrower Representative of an affidavit of any Lender as to the loss, theft, destruction or mutilation of a Term Note and an appropriate indemnity with respect thereto, and upon cancellation of such loss, stolen, destroyed or mutilated Term Note, the Borrowers will issue, in lieu thereof, a replacement of such Term Note in favor of the applicable Lender, in the same principal amount thereof and otherwise of like tenor.

SECTION 2.07 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by such Lender hereunder on the proposed date thereof by wire transfer of immediately available funds by 3:00 p.m., New York time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's Applicable Percentage. The Administrative Agent will make such Loans available to the applicable Borrower by promptly crediting the amounts so received, in like funds, to the applicable Funding Account; provided that Loans made to finance the reimbursement of a Protective Advance shall be retained by the Administrative Agent.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made

such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the rate reasonably determined by the Administrative Agent to be the cost to it of funding such amount or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the applicable Borrower, and the applicable Borrower shall pay such interest at the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Any payment by the applicable Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.08 [Reserved].

SECTION 2.09 Termination and Reduction of Commitments; Increase in Commitments.

(a) Unless previously terminated the Delayed Draw Term Loan Commitments shall terminate on the Delayed Draw Commitment Termination Date.

(b) The Borrowers may at any time terminate all Delayed Draw Term Loan Commitments not previously terminated upon (i) the payment in full in cash of all outstanding Loans, together with accrued and unpaid interest thereon, (ii) the payment in full in cash of the accrued and unpaid fees, and (iii) the payment in full in cash of all reimbursable expenses and other Secured Obligations, together with accrued and unpaid interest thereon.

(c) The Borrowers may from time to time reduce the Delayed Draw Term Loan Commitments not previously reduced; provided that (i) each reduction of the Delayed Draw Term Loan Commitments shall be in an amount that is an integral multiple of \$10,000,000 and (ii) the Borrowers shall not terminate or reduce the Delayed Draw Term Loan Commitments if, after giving effect to any concurrent prepayment of the Term Loans in accordance with Section 2.11, the Aggregate Term Loan Exposure outstanding at such time exceeds the Term Loan Exposure Limitation.

(d) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Delayed Draw Term Loan Commitments under paragraph (b) or (c) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided that a notice of termination of the Delayed Draw Term Loan Commitments delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Delayed Draw Term Loan Commitments shall be permanent. Each reduction of the Delayed Draw Term Loan Commitments shall be made ratably among the Lenders in accordance with their respective Delayed Draw Term Loan Commitments (based on such Commitments as in effect immediately prior to the initial Delayed Draw Term Loan).

SECTION 2.10 Repayment of Loans; Evidence of Debt.

(a) The Borrowers hereby unconditionally promise to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan on the Maturity Date, and (ii) to the Administrative Agent the then unpaid amount of each Protective Advance on the earlier of the Maturity Date and demand by the Administrative Agent.

(b) [Reserved].

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof, and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

SECTION 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (g) of this Section. If such notice is given by the Borrower Representative, the Borrowers shall make such prepayment, together with the Prepayment Fee, and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 2.16. Each such prepayment shall be applied to the Loans of the Term Lenders in accordance with their respective Applicable Percentage.

(b) [Reserved].

(c) Within one (1) Business Day of the date of receipt by any Loan Party of the Net Proceeds of any voluntary or involuntary sale or other Disposition of Term Loan Priority Collateral (including Net Proceeds of insurance or arising from a Casualty or condemnations and payments in lieu thereof), other than any sale or other Disposition from one Loan Party to another Loan Party or any sale or other Disposition of the AVDC Equipment so long as no Event of Default exists or has occurred and is continuing), the Borrowers shall prepay the outstanding principal amount of the Term Loans in an amount equal to one hundred percent (100%) of such Net Proceeds received by such Person in connection with such sales or other Dispositions, provided, that, (i) in the case of a Casualty with respect to the Eligible Real Estate, or in the case of a Casualty with respect to the Equipment and FF&E, so long as (A) no Default or Event of Default shall have occurred and is continuing or would result therefrom, (B) the Borrower Representative shall have given the Administrative Agent prior written notice of the Borrowers' intention to apply such monies to the costs of replacement of the properties or assets that are the subject

(a) Unascertainable; Increased Costs; Deposits Not Available. If at any time:

(i) on or prior to the first day of an Interest Period, the Administrative Agent shall have determined (which determination shall be conclusive and binding absent manifest error) that (x) the Term SOFR Rate applicable to a Loan cannot be determined pursuant to the definition thereof, including, without limitation, because such rate is not available or published on a current basis or (y) a fundamental change has occurred in the foreign exchange or interbank markets with respect to such rate (including, without limitation, changes in national or international financial, political or economic conditions or currency exchange rates or exchange controls), or

then the Administrative Agent shall have the rights specified in Section 2.14(c) and 2.14(d), as applicable.

(b) Illegality. If at any time any Lender shall have determined, or any Governmental Body shall have asserted, that the making, maintenance or funding of any Loan, or the determination or charging of interest rates based upon the Term SOFR Rate has been made impracticable or unlawful, by compliance by such Lender in good faith with any Law or any interpretation or application thereof by any Governmental Body or with any request or directive of any such Governmental Body (whether or not having the force of Law), or any Governmental Body has imposed material restrictions on the authority of such Lender to purchase, sell, or take deposits of U.S. Dollars in the applicable interbank market,

then the Administrative Agent shall have the rights specified in Section 2.14(c) and 2.14(d), as applicable.

(c) Administrative Agent's Rights. In the case of any event specified in Section 2.14(a) above, the Administrative Agent shall promptly so notify the Lenders and the Borrower Representative thereof, and in the case of an event specified in Section 2.14(b) above, such Lender shall promptly so notify the Administrative Agent and endorse a certificate to such notice as to the specific circumstances of such notice, and the Administrative Agent shall promptly send copies of such notice and certificate to the other Lenders and the Borrowers.

(i) [Reserved].

(ii) If at any time the Administrative Agent makes a determination under Section 2.14(a): (A) if the Borrower Representative has previously notified the Administrative Agent of its request for a Term SOFR Rate Loan, and such Term SOFR Rate Loan has not yet been made, such notification shall be deemed to provide for an ABR Loan with respect to such Loans in the amount

specified therein, and (B) any outstanding affected Loans shall be deemed to have been converted into ABR Loans at the end of the applicable Interest Period.

(iii) If any Lender notifies the Administrative Agent of a determination under Section 2.14(b), the Borrowers shall, subject to the Borrowers' indemnification Obligations under Section 2.16, as to any Term SOFR Rate Loan of the Lender, on the date specified in such notice either convert such Loan to an ABR Loan or prepay such Loan in accordance with Section 2.11. Absent due notice from the Borrower Representative of conversion or prepayment, such Loan shall automatically be converted to an ABR Loan otherwise available with respect to such Loan upon such specified date.

(d) Benchmark Replacement Setting.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (A) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (B) if a Benchmark Replacement is determined in accordance with clause (2), (3), or (4) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice from the Lenders comprising the Required Lenders of objection to (i) with respect to a Benchmark Replacement determined in accordance with clause (2) or (3) of the definition of "Benchmark Replacement", the related Benchmark Replacement Adjustment and (ii) with respect to a Benchmark Replacement determined in accordance with clause (4) of the definition of "Benchmark Replacement", such Benchmark Replacement.

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent may make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrowers and the Lenders of (A) the implementation of any Benchmark Replacement, and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption, or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrowers of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to paragraph (iv) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to

this Agreement or any other Loan Document except, in each case, as expressly required pursuant to this Section.

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate and either (I) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (II) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor; and (B) if a tenor that was removed pursuant to clause (A) above either (I) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (II) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Borrower Representative’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower Representative may revoke any pending request for a Loan bearing interest based on the Term SOFR Rate, and, failing that, the Borrower Representative will be deemed to have converted any such request into a request for a Loan of or conversion to Loans bearing interest under for ABR Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate.

(vi) Definitions. As used in this Section:

“Available Tenor” means, as of any date of determination and with respect to the then-current Benchmark, (x) if such Benchmark is a term rate or is based on a term rate, any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such Benchmark (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor of such Benchmark that is then-removed from the definition of “Interest Period” pursuant to clause (iv) of this Section. For avoidance of doubt, the Available Tenor for Term SOFR Rate is one month.

“Benchmark” means, initially, with respect to Obligations, interest, fees, commissions, or other amounts denominated in, or calculated with respect to, U.S. Dollars, the Term SOFR Rate; provided that if a Benchmark Transition Event has occurred with respect to the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to this Section.

“Benchmark Replacement” means, with respect to any Benchmark Transition Event, the sum of (A) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower Representative, giving due consideration to (x) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (y) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to

the then-current Benchmark for syndicated credit facilities denominated in U.S. Dollars at such time and (B) the related Benchmark Replacement Adjustment; provided, that if the Benchmark Replacement as determined above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Loan Documents; and provided further, that any Benchmark Replacement shall be administratively feasible as determined by the Administrative Agent in its sole discretion.

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower Representative, giving due consideration to (A) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (B) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for syndicated credit facilities denominated in U.S. Dollars at such time.

“Benchmark Replacement Date” means a date and time determined by the Administrative Agent, which date shall be no later than the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (A) the date of the public statement or publication of information referenced therein and (B) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date determined by the Administrative Agent, which date shall promptly follow the date of the public statement or publication of information referenced therein;

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means, the occurrence of one or more of the following events, with respect to the then-current Benchmark for any Currency:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by a Governmental Authority having jurisdiction over the Administrative Agent, the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Board, the Federal Reserve

Bank of New York, the central bank for the Currency applicable to such Benchmark, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) or a Governmental Authority having jurisdiction over the Administrative Agent announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means the period (if any) (x) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for any Currency for all purposes hereunder and under any Loan Document in accordance with this Section 2.14(d), and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for such Currency for all purposes hereunder and under any Loan Document in accordance with this Section 2.14(d).

“Unadjusted Benchmark Replacement” means the applicable Benchmark Replacement excluding the related Benchmark Replacement Adjustment.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing, converting into or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such

Lender or such other Recipient hereunder (whether of principal, interest or otherwise), then, upon request of such Lender or such other Recipient, the applicable Borrowers will pay to such Lender or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitment of, or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower Representative accompanied by a certificate setting forth in reasonable detail any amount or amounts and upon such delivery of such items, shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than nine (9) months prior to the date that such Lender notifies the Borrower Representative of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 9-month period referred to above shall be extended to include the period of retroactive effect thereof.

(e) [Reserved].

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Term SOFR Rate Loan other than on the last day of an Interest Period applicable thereto or ABR Loan on a day other than the Interest Payment Date therefor (in all cases including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.11), (b) the conversion of any Term SOFR Rate Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term SOFR Rate Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.09(d) and is revoked in accordance therewith), or (d) the assignment of any Term SOFR Rate Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower Representative pursuant to Section 2.19 or 2.02(d), then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense (excluding any loss of margin or profit therefrom) attributable to such event which in the reasonable judgment of such Lender, such Lender incurred. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) with respect to a Term SOFR Rate Loan, the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the SOFR Rate that would have been applicable to such Loan (but not including the Applicable Rate, margin or profit applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at

the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the applicable interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower Representative and upon delivery of such items shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

SECTION 2.17 Withholding of Taxes; Gross-Up.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the calculation of the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were

correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the calculation of the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Administrative Agent and at the time or times prescribed by applicable law, such properly completed and executed documentation reasonably requested by the Borrower Representative or the Administrative Agent or prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower Representative or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(i) Without limiting the generality of the foregoing, in the event that any Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower Representative and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), executed copies of IRS Form W-9 (or successor form) certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), whichever of the following is applicable:

(A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable (or successor form), establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E, as applicable (or successor form), establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(B) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, executed copies of IRS Form W-8ECI (or successor form);

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of a Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable (or successor form); or

(D) to the extent a Foreign Lender is not the Beneficial Owner, executed copies of IRS Form W-8IMY (or successor form), accompanied by IRS Form W-8ECI (or successor form), IRS Form W-8BEN or W-8BEN-E, as applicable (or successor form), a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9 (or successor form), and/or other certification documents from each Beneficial Owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(A) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower Representative and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(B) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Representative or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines in its sole discretion exercised in good faith that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to

this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 2.17, the term "applicable law" includes FATCA.

SECTION 2.18 Payments Generally; Allocation of Proceeds; Sharing of Set-offs.

(a) The Borrowers shall make each payment required to be made by them hereunder (whether of principal, interest or fees, or of amounts payable under Sections 2.15, 2.16 or 2.17, or otherwise) prior to 3:00 p.m., New York time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Administrative Agent's Payment Office, or as otherwise directed by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan, and all other payments hereunder and under each other Loan Document, shall be made in U.S. Dollars.

(b) Any proceeds of Collateral received by the Administrative Agent (i) not constituting a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrowers) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably first, to pay any fees, indemnities, or expense reimbursements including amounts then due to the Administrative Agent from the Borrowers, second, to pay any fees or expense reimbursements then due to the Lenders from the Borrowers, third, to pay interest due in respect of the Protective Advances, fourth, to pay the principal of the Protective Advances, fifth, to pay interest then due and payable on the Loans (other than the Protective Advances), ratably, sixth, to prepay principal on the Loans (other than the Protective Advances) ratably, and seventh, to the payment of any other Secured Obligation. Notwithstanding the foregoing, amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party. Notwithstanding anything to the contrary contained in this Agreement, (i) unless so directed by the Borrower Representative, or unless an Event of Default is in existence, and except as otherwise provided in Section 2.11, neither the Administrative Agent nor any Lender shall apply any

payment which it receives to any Loan, except on the expiration date of the Interest Period applicable thereto and (ii) the foregoing shall not be construed to apply to payments to Affiliates of Administrative Agent in connection with the Consignment Agreements, the inventory purchase facility or other services provided by such Affiliates to Borrowers that have been paid by or on behalf of Borrowers in accordance with the terms of the applicable agreements. The Administrative Agent and the Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Secured Obligations.

(c) At the election of the Administrative Agent, all payments of principal, interest, fees, premiums, reasonable and documented reimbursable expenses (including, without limitation, all reimbursement for fees, costs and expenses pursuant to Section 9.03), and other sums payable under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder whether made following a request by the Borrower Representative pursuant to Section 2.03 or a deemed request as provided in this Section, provided that, in the case of any deemed request (other than a payment of principal, interest and fees due under this Agreement), the Administrative Agent shall have provided the Borrower Representative prior written notice that such sums are due and payable, the amount thereof and the date payment is requested to be made. Each Borrower hereby irrevocably authorizes the Administrative Agent to make a Borrowing for the purpose of paying each payment referred to in the preceding sentence on or after the date any of the same becomes due and payable (regardless of whether the other conditions to such Borrowing are satisfied) and agrees that all such amounts charged shall constitute Loans (including Protective Advances, but such a Borrowing may only constitute a Protective Advance if it is to reimburse costs, fees and expenses as described in Section 2.04 and Section 9.03) and that all such Borrowings shall be deemed to have been requested pursuant to Section 2.03 or 2.04, as applicable.

(d) If, except as otherwise expressly provided herein, any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than its applicable proportion as provided herein, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender or a Disqualified Institution), or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrowers or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may, subject to Section 9.08, exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(e) Unless the Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the

Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it hereunder, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations hereunder until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender hereunder. Application of amounts pursuant to (i) and (ii) above shall be made in any order determined by the Administrative Agent in its discretion.

(g) The Administrative Agent may from time to time provide the Borrowers with billing statements or invoices with respect to any of the Secured Obligations (the "Billing Statements"). The Administrative Agent is under no duty or obligation to provide Billing Statements, which, if provided, will be solely for the Borrowers' convenience. The Billing Statements may contain estimates of the amounts owed during the relevant billing period, whether of principal, interest, fees or other Secured Obligations. If the Borrowers pay the full amount indicated on a Billing Statement on or before the due date indicated on such Billing Statement, the Borrowers shall not be in default; provided, that acceptance by the Administrative Agent, on behalf of the Lenders, of any payment that is less than the payment due at that time shall not constitute a waiver of the Administrative Agent's or the Lenders' right to receive payment in full at another time.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to such Lender.

(b) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with paragraph (a) of this Section, or if any Lender becomes a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) if the assignee is not already a Lender, an Affiliate of a Lender or an Approved Fund, the Borrowers shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for

compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

SECTION 2.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) such Defaulting Lender shall not have the right to vote on any issue on which voting is required (other than to the extent expressly provided in Section 9.02(b)) and the Commitment and Term Loan Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.02) or under any other Loan Document; provided, that, except as otherwise provided in Section 9.02, this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender directly affected thereby; and

(c) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of any Defaulting Lender or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, [reserved]; third, [reserved]; fourth, as the Borrower Representative may request (so long as no Default or Event of Default exists), to the funding of any Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower Representative as a result of any judgment of a court of competent jurisdiction obtained by the Borrower Representative or any other Loan Party against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Term Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Term Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to sub-section (c) above. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.20(c) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

SECTION 2.21 Returned Payments. If after receipt of any payment which is applied to the payment of all or any part of the Obligations (including a payment effected through exercise of a right of setoff), the Administrative Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion), then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent or such Lender. The provisions of this Section 2.21 shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.21 shall survive the termination of this Agreement.

SECTION 2.22 [Reserved].

SECTION 3.04 No Conflict; Material Agreements; Consents. Neither the execution and delivery of this Agreement or the other Loan Documents by any Loan Party nor the consummation of the transactions herein or therein contemplated or compliance with the terms and provisions hereof or thereof by any of them will conflict with, constitute a default under or result in any breach of (i) the terms and conditions of the articles or certificate of incorporation, code of regulations, bylaws, certificate of limited partnership, partnership agreement, certificate of formation, operating agreement, limited liability company agreement or other organizational documents of any Loan Party, (ii) any Requirement of Law or any agreement or instrument or order, writ, judgment, injunction or decree to which any Loan Party or any of its Restricted Subsidiaries is a party or by which it or any of its Restricted Subsidiaries is bound or to which it is subject, in each case under clause (ii), except as would not result in a Material Adverse Effect, or (iii) result in the creation or enforcement of any Lien, charge or encumbrance whatsoever upon any property (now or hereafter acquired) of any Loan Party or any of its Restricted Subsidiaries (except Liens created pursuant to the Loan Documents or the ABL Loan Documents). None of the Loan Parties or their Restricted Subsidiaries is bound by any contractual obligation, or subject to any restriction in any organization document, or any Requirement of Law which results in a Material Adverse Effect. No consent, approval, exemption, order or authorization of, or a registration or filing with, any Governmental Authority or any other Person is required by any Requirement of Law or any agreement in connection with the execution, delivery and carrying out of this Agreement and the other Loan Documents other than those which have been obtained or made and are in full force and effect and except for filings necessary to perfect Liens created pursuant to the Loan Documents.

(w) [Reserved];

(x) [Reserved];

(y) Indebtedness of any Person that becomes a Restricted Subsidiary after the date hereof; provided that such Indebtedness exists at the time such Person becomes a Restricted Subsidiary and is not created in contemplation of or in connection with such Person becoming a Restricted Subsidiary;

(z) Indebtedness in respect of the financing of insurance premiums in the ordinary course of business or consistent with past practice or industry practice;

- (aa) Indebtedness to customs brokers, freight forwarders, common carriers, landlords and similar Persons, in each case incurred in the ordinary course of business or consistent with past practice;
- (bb) to the extent constituting Indebtedness, Indebtedness arising under the Consignment Agreement;
- (cc) Indebtedness owed on a short-term basis to banks and other financial institutions incurred in the ordinary course of business of the Company and its Restricted Subsidiaries with such banks or financial institutions that arises in connection with ordinary banking arrangements, including cash management, cash pooling arrangements and related activities to manage cash balances of the Company and its Subsidiaries, including treasury, depository, overdraft, credit, purchasing or debit card, electronic funds transfer and other cash management arrangements and Indebtedness in respect of netting services, overdraft protection, credit card programs, automatic clearinghouse arrangements and similar arrangements.

For purposes of determining compliance with this Section 6.01, at the time of incurrence, the Company will be entitled to divide and classify an item of Indebtedness in more than one of the categories of Indebtedness described above (or any portion thereof) (other than clause (b) with respect to Other Secured Debt Obligations or clause (p) with respect to Indebtedness under the ABL Loan Documents) without giving pro forma effect to the Indebtedness Incurred pursuant to any other clause or paragraph of this Section (or any portion thereof) when calculating the amount of Indebtedness that may be Incurred pursuant to any such clause or paragraph (or any portion thereof).

Accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, amortization of original issue discount, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 6.01. In addition, Guaranties of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 6.01.

For purposes of determining compliance with any U.S. Dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. Dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. Dollar equivalent), in the case of revolving credit debt. However, if the Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and the refinancing would cause the applicable U.S. Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of the refinancing, the U.S. Dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount of the refinancing Indebtedness does not exceed the principal amount of the Indebtedness being refinanced.

Notwithstanding any other provision of this Section 6.01, the maximum amount of Indebtedness that the Loan Parties and Restricted Subsidiaries may Incur pursuant to this Section 6.01 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, will be

calculated based on the currency exchange rate applicable to the currencies in which the respective Indebtedness is denominated that is in effect on the date of the refinancing.

ARTICLE VII.

EVENTS OF DEFAULT

If any of the following events shall occur and shall not have been waived in accordance with Section 9.02, it shall constitute an “Event of Default” (it being understood and agreed that such events shall give effect to the grace period, if any, explicitly provided for such event as set forth below):

(a) any Loan Party (i) shall fail to pay any principal of any Loan when and as the same shall become due and payable, and in the currency required hereunder or (ii) shall fail to pay any interest on any Loan, fees or any other amounts hereunder or under any other Loan Document within three (3) Business Days after the same become due and payable by it; or

(b) any representation or warranty made or deemed made by or on behalf of any Loan Party in any Loan Document (whether made on behalf of itself or otherwise) or by any Loan Party (or any of its officers) in connection with any Loan Document, or in any certificate, other instrument or statement furnished pursuant to the provisions hereof or thereof (including, without limitation, any representation made in any Borrowing Base Certificate), shall prove to have been incorrect in any material respect when made or deemed made (other than a representation, warranty, certification or statement qualified by materiality or reference to the absence of a Material Adverse Effect, in which event such representation, warranty, certification or statement shall prove to have been false or misleading in any respect); or

(c) (i) any Loan Party shall fail to perform or observe any covenant contained in Section 5.01, 5.02(a), 5.03 (solely as to the existence of each Borrower), 5.07, 5.10, 5.11, 5.16, 5.17, 5.18, Article VI, Section 6(j) of the Security Agreement, (ii) any Loan Party shall fail to perform or observe any covenant contained in Section 5.02 (other than 5.02(a)), 5.05 or 5.15 if the failure to perform or observe such covenant shall continue unremedied for five (5) Business Days; and (iii) any Loan Party shall fail to perform or observe such other term, covenant or agreement contained in any other Section of this Agreement or any Loan Document on its part to be performed or observed if the failure to perform or observe such other term, covenant or agreement shall remain unremedied for 30 days after the earlier to occur of (x) the Administrative Agent’s (given at the request of any Lender) notifying a Responsible Officer of the Borrower Representative of such default, or (y) the obtaining of knowledge of such default by any Responsible Officer of any Loan Party; or

(d) a default or breach shall occur under any (i) the ABL Loan Documents, (ii) Other Secured Debt Document, or (iii) other agreement, document or instrument to which any Loan Party is a party that is not cured within any applicable grace period therefor, and such default or breach (A) involves the failure to make any payment when due in respect of any Indebtedness (other than the Obligations) of any Loan Party in an aggregate amount of not less than \$55,000,000, or (B) causes or permits any holder of such Indebtedness or a trustee thereof, with the giving of notice, if required, to cause such Indebtedness or a portion thereof in excess of \$55,000,000 in the aggregate outstanding principal amount to become due prior to its stated maturity, or cash collateral in respect thereof (in excess of \$55,000,000) is demanded as a result of any such breach or default, in each case, regardless of whether such right is exercised, by such holder or trustee; provided that this clause (d)(iii)(B) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; or as a result of damage destruction or taking by fire, casualty or eminent domain or agreement in lieu thereof and provided, that, notwithstanding anything in the ABL Loan Documents at any time in the contrary, or any waiver or amendment thereto, in the event that at any time the establishment or increase of the Term Loan Push-Down Reserve results in the Aggregate Credit Exposure (as defined in the ABL Credit Agreement) then outstanding exceeding the ABL Borrowing Base (after giving effect to the Term Loan Push-Down Reserve), the failure to prepay such excess shall constitute an Event of Default; or

(e) any Loan Party shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against any Loan Party seeking to adjudicate it bankrupt or insolvent, or seeking receivership, interim receivership, liquidation, winding up, reorganization, arrangement, adjustment, rescheduling, protection, relief, or composition, of it or its debts under any Insolvency Laws, or seeking the entry of an order for relief or the appointment of a receiver, interim receiver, monitor, trustee, custodian, sequestrator, conservator or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it), either such proceeding shall remain undismissed or unstayed for a period of sixty (60) days, or any of the actions sought in such proceeding (including, without limitation, the entry of an order for relief against, or the appointment of a receiver, interim receiver, monitor, trustee, custodian or other similar official for, it or for any substantial part of its property) shall occur; or any Loan Party shall take any corporate action to authorize any of the actions set forth above in this subsection (e); or

(f) one or more judgments or orders for the payment of money in excess of \$55,000,000 in the aggregate shall be rendered against any Loan Party and either (i) enforcement proceedings shall have been commenced by any creditor upon such judgment or order or (ii) there shall be any period of forty-five (45) consecutive days during which a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, shall not be in effect; provided, however, that any such judgment or order shall not give rise to an Event of Default under this subsection (f) if and so long as (A) the amount of such judgment or order which remains unsatisfied is covered by a valid and binding policy of insurance between the respective Loan Party and a third-party insurer covering full payment of such unsatisfied amount and (B) such insurer has been notified, and has not disputed the claim made for payment, of the amount of such judgment or order; or

(g) a Change in Control shall have occurred; or

(h) any of the following events or conditions shall have occurred and such event or condition, when aggregated with any and all other such events or conditions set forth in this subsection (h), has resulted or is reasonably expected to result in liabilities of the Loan Parties and/or the ERISA Affiliates in an aggregate amount that would have a Material Adverse Effect:

(i) any ERISA Event shall have occurred with respect to a Plan; or

(ii) any of the Loan Parties or any of the ERISA Affiliates shall have been notified by the sponsor of a Multiemployer Plan that it has incurred Withdrawal Liability to such Multiemployer Plan; or

(iii) any of the Loan Parties or any of the ERISA Affiliates shall have been notified by the sponsor of a Multiemployer Plan that such Multiemployer Plan is insolvent or is being terminated, within the meaning of Title IV of ERISA, or has been determined to be in "endangered" or "critical" status within the meaning of Section 432 of the Code or Section 305 of ERISA and, as a result of such insolvency, termination or determination, the aggregate annual contributions of the Loan Parties and the ERISA Affiliates to all of the Multiemployer Plans that are insolvent, being terminated or in endangered or critical status at such time have been or will be increased over the amounts contributed to such Multiemployer Plans for the plan years of such Multiemployer Plans immediately preceding the plan year in which such reorganization, insolvency or termination occurs; or

(iv) any failure to satisfy the applicable minimum funding standards under Section 412(a) of the Code or Section 302(a) of ERISA, whether or not waived, shall exist with respect to one or more of the Plans; or

(v) any Lien shall exist on the property and assets of any of the Loan Parties or any of the ERISA Affiliates in favor of the PBGC; or

(i) (i) any provision of any Loan Document, at any time after its execution and delivery and for any reason, ceases to be in full force and effect (other than as a result of the gross negligence or willful misconduct of the Administrative Agent); or any Loan Party or any Affiliate thereof contests in writing the validity or enforceability of any provision of any Loan Document; or any Loan Party denies in writing that it has any or further liability or obligation under any provision of any Loan Document, or purports to revoke, terminate or rescind in writing any provision of any Loan Document or seeks to avoid or limit any Lien purported to be created under any Collateral Document; or (ii) any Lien purported to be created under any Collateral Document shall cease to be, or shall be asserted by any Loan Party or any Affiliate thereof not to be, a valid and perfected Lien on a material portion of the Collateral, with the priority required by the applicable Collateral Document (other than as a result of the gross negligence or willful misconduct of the Administrative Agent); or

(j) there shall occur any material uninsured damage (for the avoidance of doubt, for purposes hereof, any loss insured by self-insurance or subject to a deductible or combination of deductibles not in excess of \$5,625,000 with respect to any otherwise insured occurrence shall not constitute uninsured damage) to or loss, theft or destruction of any of the Collateral with a book value (determined in accordance with GAAP) in excess of \$22,500,000 in the aggregate, as to which the Loan Parties do not repair, restore or replace the damaged or destroyed property within one hundred eighty (180) days after the occurrence of such damaged or destruction, or any of the Loan Parties' assets with a book value (determined in accordance with GAAP) in excess of \$22,500,000 in the aggregate are attached, seized, levied upon or subjected to a writ or distress warrant; or such come within the possession of any receiver, manager, receiver and manager, trustee, custodian or assignee for the benefit of creditors and the same is not cured within forty-five (45) days thereafter; or

(k) (i) any intercreditor agreement entered into by the Administrative Agent in accordance with the terms hereof (including, without limitation, any ABL Intercreditor Agreement or any Acceptable Intercreditor Agreement), or any material provision thereof, or the subordination provisions of the documents evidencing or governing any Subordinated Indebtedness (the "Intercreditor Provisions"), shall,

in whole or in part, terminate, cease to be effective or cease to be legally valid, binding and enforceable against, any Loan Party, any holder of the Indebtedness (other than the Secured Obligations), or any agent (including the ABL Agent) for any such holder, as applicable, or (ii) any Loan Party shall, directly or indirectly, disavow or contest in any writing or in any case or proceeding, (A) the effectiveness, validity or enforceability of any such intercreditor agreement or any Intercreditor Provisions or that the Secured Obligations or the Liens securing the same for any reason shall not have the priority contemplated by this Agreement, the other Loan Documents, such intercreditor agreement or such Intercreditor Provisions, (B) that the intercreditor agreement and Intercreditor Provisions exist for the benefit of the Secured Parties, or (C) in the case of Subordinated Indebtedness, that all payments of principal of or premium and interest on the applicable Subordinated Indebtedness, or realized from the liquidation of any property of any Loan Party, shall be subject to the applicable intercreditor agreement or any of the Intercreditor Provisions, as applicable; or

then, and in every such Event of Default (other than an Event of Default with respect to the Loan Parties described in clause (e) of this Article), and at any time thereafter during the continuance of such Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower Representative, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, whereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Loan Parties accrued hereunder, shall become due and payable immediately, in each case without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Loan Parties; and in the case of any event with respect to the Loan Parties described in clause (e) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Loan Parties accrued hereunder, shall automatically become due and payable, in each case without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Loan Parties. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, increase the rate of interest applicable to the Loans and other Obligations to the extent set forth in this Agreement and exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC.

ARTICLE VIII.

THE ADMINISTRATIVE AGENT

SECTION 8.01 Appointment. Each of the Lenders, on behalf of itself and any of its Affiliates that are Secured Parties hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the U.S., each of the Lenders hereby grants to the Administrative Agent any required powers of attorney to execute any Collateral Document governed by the laws of such jurisdiction on such Lender's behalf. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and the Loan Parties shall not have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" as used herein or in any other Loan Documents (or any similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market

custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Administrative Agent to, without any further consent of any Lender or any other Secured Party, enter into any ABL Intercreditor Agreement, any Acceptable Intercreditor Agreement and any other intercreditor agreement with the collateral agent or other representatives of the holders of Indebtedness that is permitted to be secured by a Lien on the Collateral that is permitted (including with respect to priority) under this Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof (any of the foregoing, an "Intercreditor Agreement"). The Lenders and the other Secured Parties irrevocably agree that (x) the Administrative Agent may rely exclusively on a certificate of a Responsible Officer of the Borrower Representative as to whether any such other Liens are permitted and (y) the ABL Intercreditor Agreement or any Acceptable Intercreditor Agreement or any other intercreditor agreement referred to in the foregoing sentence, entered into by the Administrative Agent, shall be binding on the Secured Parties, and each Lender and other Secured Party hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, the ABL Intercreditor Agreement, any Acceptable Intercreditor Agreement or any other intercreditor agreement referred to above.

SECTION 8.02 Rights as a Lender. The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with any Loan Party or any Subsidiary or any Affiliate thereof as if it were not the Administrative Agent hereunder.

SECTION 8.03 Duties and Obligations. The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02), and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary that is communicated to or obtained by the bank serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct as determined by a final nonappealable judgment of a court of competent jurisdiction. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower Representative or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The Administrative Agent shall not be responsible or have any liability for, or have any duty to

ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

SECTION 8.04 Reliance. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05 Actions through Sub-Agents. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

SECTION 8.06 Resignation. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by notifying the Lenders and the Borrower Representative. Upon receipt of any such resignation, the Required Lenders shall have the right, in consultation with the Borrower Representative and with the consent of the Borrower Representative (unless an Event of Default shall have occurred and be continuing), to appoint a successor; provided, however, in no event shall any successor Administrative Agent be a Disqualified Institution without the prior written consent of the Borrower Representative. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by its successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor, unless otherwise agreed by the Borrowers and such successor. Notwithstanding the foregoing, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders and the Borrowers, whereupon, on the date of effectiveness of such resignation stated in such notice, (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents, provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Collateral Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties and, in the case of any Collateral in the possession of the Administrative

Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Collateral Document, including any action required to maintain the perfection of any such security interest) and (b) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, provided that until the time the Required Lenders appoint a successor Administrative Agent as provided herein, (i) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (ii) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article, Section 2.17(d) and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (a) above.

SECTION 8.07 Non-Reliance.

(a) Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and not investments in a business enterprise or securities. Each Lender further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender shall, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrowers and their Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder and in deciding whether or to the extent to which it will continue as a Lender or assign or otherwise transfer its rights, interests and obligations hereunder.

(b) Each Lender hereby agrees that (i) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (ii) the Administrative Agent (A) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (B) shall not be liable for any information contained in any Report; (iii) the Reports are not comprehensive audits or examinations, and that any Person performing any field examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (iv) it will keep all Reports confidential and strictly for its internal use and it will not share the Report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (v) without limiting the generality of any other indemnification provision contained in this Agreement, (A) it will hold the Administrative Agent and any such other Person preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any extension of credit that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans; and (B) it will pay and protect, and indemnify, defend, and hold the Administrative Agent

and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorneys' fees) incurred by the Administrative Agent or any such other Person as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

SECTION 8.08 [Reserved].

SECTION 8.09 Not Partners or Co-Venturers; Administrative Agent as Representative of the Secured Parties.

(a) The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender. The Administrative Agent shall have the exclusive right on behalf of the Lenders to enforce the payment of the principal of and interest on any Loan after the date such principal or interest has become due and payable pursuant to the terms of this Agreement.

(b) In its capacity, the Administrative Agent is a "representative" of the Secured Parties within the meaning of the term "secured party" as defined in the Ohio Uniform Commercial Code. Each Lender authorizes the Administrative Agent to enter into each of the Collateral Documents to which it is a party and to take all action contemplated by such documents. Each Lender agrees that no Secured Party (other than the Administrative Agent) shall have the right individually to seek to realize upon the security granted by any Collateral Document, it being understood and agreed that such rights and remedies may be exercised solely by the Administrative Agent for the benefit of the Secured Parties upon the terms of the Collateral Documents. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent on behalf of the Secured Parties.

SECTION 8.10 [Reserved].

SECTION 8.11 No Reliance on Administrative Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on the Administrative Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended or replaced, the "CIP Regulations"), or any Sanctions or other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any of their Borrowers, their Affiliates or their agents, the other Loan Documents or the transactions hereunder or contemplated hereby: (i) any identity verification procedures, (ii) any recordkeeping, (iii) comparisons with government lists, (iv) customer notices or (v) other procedures required under the CIP Regulations or such Sanctions or Anti-Terrorism Laws.

SECTION 8.12 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender or Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party such Lender (any such Lender, Secured Party or other recipient, a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient

(whether or not known to such Lender, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender or Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party such Lender, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.12(b).

(c) Each Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an “Erroneous Payment Return Deficiency”), upon the Administrative Agent’s notice to such Lender at any time, (i) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which

such Erroneous Payment was made (the “Erroneous Payment Impacted Class”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the “Erroneous Payment Deficiency Assignment”) at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrowers) deemed to execute and deliver an Assignment and Assumption with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrowers or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the “Erroneous Payment Subrogation Rights”).

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrowers or any other Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable Law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 8.12 shall survive the resignation or replacement of the Administrative Agent, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by Electronic Systems pursuant to procedures approved by the Administrative Agent. Each of the Administrative Agent and the Borrower Representative (on behalf of the Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by Electronic Systems pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. In the case of notices from the Borrower Representative to the Administrative Agent, such acceptable and approved Electronic Systems include email to the Administrative Agent at the email addresses identified above or as otherwise designated in writing pursuant to Section 9.01(c) below. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(d) Electronic Systems.

(i) Each Loan Party agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Administrative Agent is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrowers or the other Loan Parties, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Borrower's, any Loan Party's or the Administrative Agent's transmission of communications through an Electronic System (other than for direct or actual damages resulting from the gross negligence, bad faith or willful misconduct of, or the material breach of the Loan Documents by, such Person, in each case, as determined by a final and non-appealable judgment of a court of competent jurisdiction). "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender by means of electronic communications pursuant to this Section, including through an Electronic System.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders (or the Administrative Agent acting at the direction of the Required Lenders) or (y) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (including any such Lender that is a Defaulting Lender), (ii) reduce or forgive the principal amount of any Loan or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender (including any such Lender that is a Defaulting Lender) directly affected thereby (except (1) in connection with the waiver of applicability of any post-default increase in interest rates, which waiver shall be effective with the consent of the Required Lenders and (2) that any amendment or modification of defined terms used in the determination of the Borrowing Base shall not constitute a reduction in the rate of interest or fees for purposes of this clause (ii)), (iii) postpone any scheduled date of payment of the principal amount of any Loan, or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender (including any such Lender that is a Defaulting Lender) directly affected thereby (except (1) in connection with the waiver of applicability of any post-default increase in interest rates, which waiver shall be effective with the consent of the Required Lenders and (2) that any amendment or modification of defined terms used in the determination of the Borrowing Base shall not constitute a reduction in the rate of interest or fees for purposes of this clause (iii)), (iv) change Section 2.11(h), 2.18(b) or 2.18(d) in a manner that would alter the manner in which payments are shared or the order of payments, without the written consent of each Lender (other than any Defaulting Lender), (v) increase the advance rates set forth in the definition of either Borrowing Base or change the definition of the term "Borrowing Base" or any component definition thereof if as a result thereof the amounts available to be borrowed by the Borrowers would be increased without the written consent of each of the Lenders, provided that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves, (vi) change any of the provisions of this Section or the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of the Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (other than any Defaulting Lender) directly affected thereby, (vii) change Section 2.20, without the consent of each Lender (other than any Defaulting Lender), (viii) release any Borrower from the Obligations or Loan Party from its obligation under its Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender (other than any Defaulting Lender), or

(ix) except as provided in clause (c) of this Section or in any Collateral Document, release or subordinate any Liens granted to the Administrative Agent for the benefit of the Secured Parties on all or substantially all of the Collateral or subordinate the Obligations without the written consent of each Lender (other than any Defaulting Lender); provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent (it being understood that any amendment to Section 2.20 shall require the consent of the Administrative Agent). The Administrative Agent may also amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.04, and this Agreement may be amended without any additional consents in connection with a successor Benchmark Replacement in the manner contemplated by Section 2.14(d). Additionally, without the consent of any Lender, the Loan Parties and the Administrative Agent may (in their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document. Notwithstanding the foregoing, the Fee Letter and any other fee letters entered into after the date hereof may be amended in accordance with the terms thereof.

(c) The Secured Parties hereby irrevocably authorize the Administrative Agent, without any further consent of the Secured Parties, (i) to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (A) upon the payment in full of all Secured Obligations, (B) constituting property being sold or disposed of to a Person that is not (and is not required to become) a Loan Party in a transaction permitted by this Agreement (and the Administrative Agent may rely conclusively on any certificate to that effect, without further inquiry), and, to the extent that the property being sold or disposed of constitutes one hundred percent (100%) of the Equity Interest of a Subsidiary, the Administrative Agent is authorized to release any Loan Guaranty provided by such Subsidiary, (C) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction not prohibited under this Agreement, (D) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII, (E) constituting property of a Loan Party that is being released as a Loan Party as provided below, (F) constituting property which is or becomes an Excluded Asset, and (G) constituting ABL Priority Collateral as to which the Administrative Agent is required to release such Lien pursuant to the ABL Intercreditor Agreement, and (ii) to release any Loan Guaranty provided by any Loan Party (A) that is dissolved as permitted under Section 6.08 in connection with a voluntary liquidation or dissolution thereof permitted by such Section, (B) upon the disposition of all of the outstanding Equity Interests of a Subsidiary of the Company to a Person other than a Loan Party or a Subsidiary or Affiliate of a Loan Party in a transaction permitted by Section 6.05 (and the Administrative Agent may rely conclusively on any such certificate to that effect provided by any Loan Party without further inquiry), or (C) that becomes an Excluded Subsidiary, so long as such Person becomes an Excluded Subsidiary pursuant to transaction or series of related transactions permitted hereunder consummated for a bona fide business purpose and not in contemplation of adversely affecting the Secured Parties' interests in the Guarantees and Collateral (and the Administrative Agent may rely conclusively on any such certificate to that effect provided by any Loan Party without further inquiry). Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral. In connection with the foregoing, the Lenders and the other Secured Parties hereby authorize the Administrative Agent to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Loan Party or Collateral pursuant to the foregoing provisions of this Section

9.02(c), all without the further consent or joinder of any Lender or any other Secured Party. In connection with any release hereunder, the Administrative Agent shall promptly (and the Lenders and the Secured Parties hereby authorize the Administrative Agent to) take such action and execute any such documents as may be reasonably requested by the Loan Parties and at the Loan Parties' expense in connection with the release of any Liens created by any Loan Document in respect of such Subsidiary, property or asset, as applicable; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower Representative containing such certifications as the Administrative Agent shall reasonably request

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender affected thereby," the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but has not been obtained being referred to herein as a "Non-Consenting Lender"), then the Borrowers may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrowers and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of clause (b) of Section 9.04, and (ii) the Borrowers shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrowers hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(e) Notwithstanding anything to the contrary herein the Administrative Agent may, with the consent of the Borrower Representative only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) Except as otherwise provided in this Agreement, the Loan Parties shall, jointly and severally, pay all (i) reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and its Affiliates, including the reasonable and documented fees, charges and disbursements of counsel (in each case limited to one primary law firm in the U.S. and one law firm in any other relevant jurisdiction, except in the case of actual or perceived conflicts of interest, in which case, such additional counsel for the affected persons) for the Administrative Agent, in connection with the syndication and distribution (including, without limitation, via the internet or through an Electronic System) of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or any Lender, including the reasonable fees, charges and disbursements of any counsel (in each case limited to one primary law firm in the U.S. and one law firm in any other relevant jurisdiction, except in the case of actual or perceived conflicts of interest, in which case, such additional counsel for the affected persons) for the Administrative Agent or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made hereunder, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans (in each case limited to one primary law

firm in the U.S. and one law firm in any other relevant jurisdiction, except in the case of actual or perceived conflicts of interest, in which case, such additional counsel for the affected persons). Subject to Section 5.07, such reasonable and documented out-of-pocket expenses being reimbursed by the Loan Parties under this Section may include, without limiting the generality of the foregoing, fees, costs and expenses incurred in connection with:

- (i) appraisals and insurance reviews;
- (ii) field examinations and the preparation of Reports based on the fees charged by a third party retained by the Administrative Agent or the reasonable and documented internally allocated fees for each Person employed by the Administrative Agent with respect to each field examination;
- (iii) fees and other charges for lien and title searches, filing financing statements and continuations, and other actions to perfect, protect, and continue the Administrative Agent's Liens;
- (iv) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and
- (v) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral.

All of the foregoing fees, costs and expenses may be charged to the Borrowers as Term Loans or to another deposit account, all as described in Section 2.18(c).

(b) The Loan Parties shall, jointly and severally, indemnify the Administrative Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable and documented fees, charges and disbursements of any outside counsel for any Indemnitee (in each case limited to one primary law firm in the U.S. and one law firm in any other relevant jurisdiction, except in the case of actual or perceived conflicts of interest, in which case, such additional counsel for the affected persons), incurred by any Indemnitee or asserted against any Indemnitee by any Person arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement and the other Loan Documents or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by a Loan Party or a Subsidiary, or any Environmental Liability related in any way to a Loan Party or a Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation or proceeding is brought by the Loan Parties or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith, or willful misconduct of such Indemnitee or (y) arise from any claim, litigation, investigation, arbitration or proceeding (a "Proceeding") that does not directly or primarily involve an act or omission of the Company or any of its Affiliates and that is brought by an Indemnitee against any other Indemnitee (other than any Proceeding against any Indemnitee solely in its capacity or in fulfilling its role as the Administrative Agent,

bookrunner, arranger or any similar role hereunder). This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

(c) To the extent that any Loan Party fails to pay any amount required to be paid by it to the Administrative Agent (or any sub-agent thereof), under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or any Related Party thereof, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood that the Loan Parties' failure to pay any such unpaid amount shall not relieve any Loan Party of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or against any Related Party thereof acting for the Administrative Agent in connection with such capacity.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) (other than for direct or actual damages resulting from the gross negligence, bad faith or willful misconduct of, or the material breach of the Loan Documents by, such Indemnitee, in each case, as determined by a final and non-appealable judgment of a court of competent jurisdiction) or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; provided that, nothing in this paragraph (d) shall relieve any Loan Party of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section shall be payable not later than ten (10) days after written demand therefor.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (in each case, such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower Representative, provided that the Borrower Representative shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof, and provided further that no consent of the Borrower Representative shall be required for an assignment to

a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, any other assignee; and

(B) the Administrative Agent shall be required for assignments in respect of the Term Loan if such assignment is to a Person that is not a Lender with a Commitment in respect of such Term Loan, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower Representative and the Administrative Agent otherwise consent, provided that no such consent of the Borrower Representative shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 and the tax forms required by Section 2.17(f); and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Company, the other Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

For the purposes of this Section 9.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

"Ineligible Institution" means a (a) natural person, (b) Defaulting Lender, (c) holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof; provided that, such holding company, investment vehicle or trust shall not constitute an Ineligible Institution if it (x) has not been established for the primary purpose of acquiring any Loans or Commitments, (y) is managed by a professional advisor, who is not such natural person or a relative thereof, having significant experience in the business of making or purchasing commercial loans, and (z) has assets greater than \$25,000,000 and a significant part of its activities consist of making or purchasing commercial loans and similar extensions of credit in the ordinary course of its business, (d) a Loan Party or a Subsidiary or other Affiliate of a Loan Party, or (e) subject to Section 9.04(e) below, a Disqualified Institution.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any part hereunder arising from that Lender's having been a Defaulting Lender). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its U.S. offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of and stated interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, 2.07(b), 2.18(d) or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") other than an Ineligible Institution in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section

9.02(b) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) and (g) (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts of (and stated interest on) each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as the Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Without limiting the foregoing, with respect to Disqualified Institutions:

(i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "Trade Date") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Company has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Institution"), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrowers of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment in

violation of this Section 9.04(e) shall not be void, but the other provisions of this Section 9.04(e) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Company's prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrowers may, at their sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Commitment of such Disqualified Institution and repay all obligations of the Borrowers owing to such Disqualified Institution in connection with such Commitment, and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interest, rights and obligations under this Agreement to one or more assignees permitted under this Section 9.04 at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (x) have the right to receive information, reports or other materials provided to the Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting any plan of reorganization or plan of liquidation pursuant to any Insolvency Laws (a "Relevant Plan"), each Disqualified Institution party hereto hereby agrees (1) not to vote on such Relevant Plan, (2) if such Disqualified Institution does vote on such Relevant Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the U.S. Bankruptcy Code (or any similar provision in any other Insolvency Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Relevant Plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code (or any similar provision in any other Insolvency Laws) and (3) not to contest any request by any party for a determination by the applicable bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Company hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Company and any updates thereto from time to time (collectively, the "DQ List") on Syndtrak or a substantially similar electronic transmission system, including that portion of such electronic transmission system that is designated for "public side" Lenders and/or (B) provide the DQ List to each Lender requesting the same.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended

hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 9.06 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby or thereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Loan Party against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured; provided that the foregoing authorization shall not entitle any Lender to apply any deposits to the extent that such deposit constitutes an Excluded Asset. The applicable Lender shall notify the Borrower Representative and the Administrative Agent promptly after any such set-off or application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of

setoff) which such Lender may have. In the event that any Defaulting Lender shall exercise any right of setoff under this Section, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions in Section 2.20 and pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent and Borrower Representative a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. NOTWITHSTANDING THE FOREGOING, NO LENDER AND NO PARTICIPANT SHALL EXERCISE ANY RIGHT OF SETOFF, BANKER'S LIEN, OR THE LIKE AGAINST ANY DEPOSIT ACCOUNT OR PROPERTY OF ANY LOAN PARTY HELD OR MAINTAINED BY SUCH LENDER WITHOUT THE WRITTEN CONSENT OF THE ADMINISTRATIVE AGENT.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) The Loan Documents (other than those containing a contrary express choice of law provision) shall be governed by and construed in accordance with the internal laws (and not the law of conflicts) of the State of Ohio, but giving effect to federal laws applicable to national banks; provided, however, that if the laws of any jurisdiction other than Ohio shall govern in regard to the validity, perfection or effect of perfection of any lien or in regard to procedural matters affecting enforcement of any liens in collateral, such laws of such other jurisdictions shall continue to apply to that extent.

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any U.S. Federal or Ohio State court sitting in Franklin County, Ohio and of the United States District Court for the Southern District of Ohio in any action or proceeding arising out of or relating to any Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such Ohio State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT

NO REPRESENTATIVE, OTHER AGENT (INCLUDING ANY ATTORNEY) OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over such Person (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by any Requirement of Law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Loan Parties and their obligations, (g) with the consent of the Borrower Representative or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent or any Lender on a non-confidential basis from a source other than any Loan Party and, as far as such recipient is aware, has not been made available as a result of a breach of any obligation of confidentiality of such source with respect to such information; provided that, in the case of clause (c), the party disclosing such information shall provide to the Borrower Representative prior written notice (except where prohibited by applicable law or where not reasonably commercially practicable, in which case, prompt written notice shall be provided) of such disclosure to the extent permitted by applicable law and, in the case of a subpoena, the applicable Governmental Authority has not otherwise requested that the disclosing party refrain from disclosing to the Borrower Representative the existence of such subpoena, and, in each case if requested by the Borrower Representative in writing, such disclosing party shall cooperate with the Borrower Representative to the extent commercially reasonable with respect to a protective order for, or other confidential treatment of, such disclosure. For the purposes of this Section, "Information" means all information received from the Loan Parties relating to the Loan Parties or their business, other than any such information that is available to the Administrative Agent or any Lender on a non-confidential basis prior to disclosure by the Loan Parties under circumstances in which, as far as such recipient is aware, such information has not been made available as a result of a breach of any obligation of confidentiality of such source with respect to such information. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE COMPANY, AND ITS

AFFILIATES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE LOAN PARTIES OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE COMPANY, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE LOAN PARTIES AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Each Lender hereby represents that it is not relying on or looking to any margin stock (as defined in Regulation U of the Board) for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to the Borrowers in violation of any Requirement of Law.

SECTION 9.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the USA PATRIOT Act.

SECTION 9.15 Reserved.

SECTION 9.16 Disclosure. Each Loan Party and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

SECTION 9.17 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the other Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession or control. Should any Lender (other than the Administrative Agent) obtain possession or control of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.18 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the

maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Lenders are arm’s-length commercial transactions between such Borrower and its Affiliates, on the one hand, and the Lenders and their Affiliates, on the other hand, (B) such Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) such Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Lenders and their Affiliates is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for such Loan Party or any of its Affiliates, or any other Person and (B) no Lender or any of its Affiliates has any obligation to such Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except, in the case of a Lender, those obligations expressly set forth herein and in the other Loan Documents; and (iii) each of the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of such Loan Party and its Affiliates, and no Lender or any of its Affiliates has any obligation to disclose any of such interests to such Loan Party or its Affiliates. To the fullest extent permitted by law, each Loan Party hereby waives and releases any claims that it may have against each of the Lenders and their Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.20 Authorization to Distribute Certain Materials to Public-Siders. The Borrowers hereby acknowledge that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, “Borrower Materials”) and (b) Public-Siders may have personnel who do not wish to receive material non-public information with respect to any Borrower or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons’ securities. The Loan Parties shall be deemed to have authorized the Administrative Agent and its Affiliates and the Lenders to treat Borrower Materials marked by an authorized representative of the Borrower Representative as “PUBLIC” or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Loan Parties or their securities for purposes of United States federal and state securities laws. All Borrower Materials marked “PUBLIC” are permitted to be made available by the Administrative Agent or its Affiliates on Syndtrak or a substantially similar electronic transmission system, including that portion of such electronic transmission system that is designated for Public-Siders. The Administrative Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” or that are not at any time filed with the SEC as being suitable only for posting on a portion of Syndtrak or a substantially similar electronic transmission system which is not marked as being available for “Public Investors” or “Public-Siders” (or such other similar terms). Notwithstanding the foregoing, the Borrower Representative shall be under no obligation to mark any Borrower Materials “PUBLIC.”

SECTION 9.21 Obligations of Non-Loan Party Excluded Domestic Subsidiaries and Foreign Subsidiaries. Notwithstanding anything in this Agreement or any other Loan Document to the contrary, none of any Excluded Domestic Subsidiary nor any Foreign Subsidiary of the Company (which entities, for the avoidance of doubt, shall not be Loan Parties) shall be liable or in any manner responsible for, or be deemed to have guaranteed, directly or indirectly, whether as a primary obligor, guarantor, indemnitor, or otherwise, and none of their assets shall secure, directly or indirectly, any obligations (including principal, interest, fees, penalties, premiums, expenses, charges, reimbursements, indemnities or any other Obligations) in respect of any Loan Party under this Agreement, any other Loan Document or any other agreement executed and/or delivered in connection with any of the foregoing.

SECTION 9.22 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the "Original Currency") into another currency (the "Second Currency"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase the Original Currency with the Second Currency on the date two Business Days preceding that on which judgment is given. Each Loan Party agrees that its obligation in respect of any Original Currency due from it hereunder shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased or could have been so purchased is less than the amount originally due in the Original Currency as a result of such judgment, each Loan Party agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss. The term "rate of exchange" in this Section means the dollar amount on the relevant date, and shall include any premium and costs of exchange payable in connection with such purchase.

SECTION 9.23 Waiver of Immunity. To the extent that any Loan Party has, or hereafter may be entitled to claim or may acquire, for itself, any Collateral or other assets of the Loan Parties, any immunity (whether sovereign or otherwise) from suit, jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution or otherwise) with respect to itself, any Collateral or any other assets of the Loan Parties, such Loan Party hereby waives such immunity in respect of its obligations hereunder and under any promissory notes evidencing the Loans hereunder and any other Loan Document to the fullest extent permitted by applicable law and, without limiting the generality of the foregoing, agrees that the waivers set forth in this Section shall be effective to the fullest extent now or hereafter permitted under the Foreign Sovereign Immunities Act of 1976 (as amended, and together with any successor legislation) and are, and are intended to be, irrevocable for purposes thereof.

SECTION 9.24 [Reserved].

SECTION 9.25 Termination and Release of Collateral.

(a) Liens in Collateral will be released, and applicable Loan Parties shall be released of their obligations under the Loan Documents, in accordance with the terms of Section 9.02(c) hereof.

(b) In connection with the termination of all Commitments and payment in full of all Secured Obligations, the Administrative Agent, on behalf of the Lenders, agrees to negotiate in good faith with the Borrower Representative, and to execute and deliver, a customary payoff letter in form and substance reasonably satisfactory to the Administrative Agent and the Borrower Representative, which payoff letter shall provide for, among other things, (i) an acknowledgment of the termination of all Loan Documents,

other than any terms thereunder that expressly survive termination, (ii) delivery to the Borrower Representative or its designee of all property pledged to the Administrative Agent or any Lender then in its possession (including without limitation stock or other certificates, notes receivable, certificates of title, change of address forms and other instruments) or, if applicable, lost collateral affidavits with respect thereto, (iii) delivery to the Borrower Representative of the original promissory notes executed in connection with the Obligations marked "CANCELLED", (iv) delivery to the Borrower Representative or its designee of mortgage or deed of trust releases against any real property of any Loan Party or property subject to any title laws and other like releases, revocations of direct pay notices to account debtors, Credit Card Notifications, releases of deposit account control agreements, Collateral Access Agreements and similar instruments or documents, (v) delivery to the Borrower Representative or its designee of UCC-3 termination statements with respect to the UCC discharge filings made by the Administrative Agent in respect of each Loan Party, as applicable, and (vi) a release of liability from the Loan Parties in favor of the Secured Parties.

SECTION 9.26 Publicity. Each Loan Party and each Lender hereby authorizes the Administrative Agent, at its sole expense, after providing prior notice thereof to the Borrower Representative, to reference this Agreement and the syndication and arrangement of the loan facility contemplated herein (but not the individual Lenders, bookrunners or arrangers) in connection with marketing, press release or other transactional announcements or updates; provided that the content of any such marketing, press release or other transactional announcements or updates shall be reasonably acceptable to the Borrower Representative (it being understood that tombstones used in pitchbooks by the Administrative Agent (as opposed to public announcements) referencing the syndication and arrangement of this Agreement and the loan facility contemplated herein, or inclusion of same on lists or in other formats (other than public announcements), in each case providing the same information as is typically included on tombstones, shall not require prior notice thereof to, or acceptance by, the Borrower Representative).

SECTION 9.27 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an Affected Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable (i) a reduction in full or in part or cancellation of any such liability, (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

SECTION 9.28 Certain ERISA Matters. Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, to and for the benefit of

the Administrative Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of any Borrower or any other Loan Party, that at least one of the following is and will be true:

- (i) such Lender is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more U.S. Benefit Plans in connection with the Loans or the Commitments,
- (ii) the transaction exemption set forth in one or more prohibited transaction exceptions (or “PTEs”), such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith,
- (iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or
- (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

SECTION 9.29 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreement Obligations or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

- (a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may

be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.29, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following:

a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §252.82(b);

a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §47.3(b); or

a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

SECTION 9.30 Intercreditor Agreement Governs. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIENS AND SECURITY INTERESTS GRANTED TO THE ADMINISTRATIVE AGENT FOR THE BENEFIT OF THE SECURED PARTIES PURSUANT TO THE LOAN DOCUMENTS AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE ADMINISTRATIVE AGENT WITH RESPECT TO ANY COLLATERAL HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY DIRECT CONFLICT BETWEEN THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND ANY OF THE LOAN DOCUMENTS WITH RESPECT TO (i) THE PRIORITY OF LIENS GRANTED TO ADMINISTRATIVE AGENT IN THE COLLATERAL PURSUANT TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS OR (ii) THE RIGHTS OF ADMINISTRATIVE AGENT OR ANY SECURED PARTY UNDER THIS AGREEMENT WITH RESPECT TO CERTAIN COLLATERAL AFTER THE OCCURRENCE AND DURING THE CONTINUANCE OF AN EVENT OF DEFAULT, THE TERMS AND PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL. NOTHING IN THIS SECTION 9.30 SHALL BE CONSTRUED TO PROVIDE THAT ANY LOAN PARTY IS A THIRD PARTY BENEFICIARY OF THE PROVISIONS OF THE INTERCREDITOR AGREEMENT OTHER THAN AS EXPRESSLY SET FORTH THEREIN.

ARTICLE X.

LOAN GUARANTY

SECTION 10.1 Guaranty. Each Loan Party hereby agrees that it is jointly and severally liable for, and, as a primary obligor and not merely as surety, absolutely, unconditionally and irrevocably guarantees to the Secured Parties, the prompt payment and performance when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all reasonable and documented costs and expenses, including, without limitation, all court costs and attorneys' and paralegals' fees (subject to the limitations set forth in Section 9.03) and expenses paid or incurred by the Administrative Agent and the Lenders in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, any Borrower, any Loan Party or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, collectively the "Guaranteed Obligations"; provided, however, that the definition of "Guaranteed Obligations" shall not create any guarantee by any Loan Party of (or grant of security interest by any Loan Party to support, as applicable) any Excluded Swap Obligations of such Loan Party for purposes of determining any obligations of any Loan Party). Each Loan Party further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Guaranty apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender that extended any portion of the Guaranteed Obligations.

SECTION 10.2 Guaranty of Payment. This Guaranty is a guaranty of payment and not of collection. Each Loan Party waives any right to require the Administrative Agent or any Lender to sue any other Loan Party, any other guarantor of, or any other Person obligated for, all or any part of the Guaranteed Obligations (each, an "Obligated Party"), or to enforce its rights against any collateral securing all or any part of the U.S. Guaranteed Obligations.

SECTION 10.3 No Discharge or Diminishment of Loan Guaranty. Except as otherwise provided for herein, the obligations of each Loan Party hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Loan Party or any other Obligated Party liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party or their assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other rights which any Loan Party may have at any time against any Obligated Party, the Administrative Agent, any Lender or any other Person, whether in connection herewith or in any unrelated transaction.

(a) The obligations of each Loan Party hereunder are not subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(b) Further, the obligations of any Loan Party hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent or any Lender to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for the obligations of any Loan Party for all or any part of the Guaranteed Obligations or any obligations of any other Obligated Party liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent or any Lender with respect to any collateral securing any part of the Guaranteed

Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Party or that would otherwise operate as a discharge of any Loan Party as a matter of law or equity (other than the indefeasible payment in full in cash of the Guaranteed Obligations).

SECTION 10.04 Defenses Waived. To the fullest extent permitted by applicable law, each Loan Party hereby waives any defense based on or arising out of any defense of any Loan Party or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Loan Party or any other Obligated Party, other than the indefeasible payment in full in cash of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Loan Party irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party or any other Person. Each Loan Party confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Administrative Agent may, at its election, foreclose on any Collateral securing all or a part of the Guaranteed Obligations and held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any such Collateral, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Loan Party under this Guaranty except to the extent the Guaranteed Obligations have been fully and indefeasibly paid in cash. To the fullest extent permitted by applicable law, each Loan Party waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Party against any Obligated Party or any security.

SECTION 10.05 Rights of Subrogation. No Loan Party will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification, that it has against any Obligated Party or any Collateral, until the Loan Parties have fully performed all their obligations to the Administrative Agent, the Lenders, and the other Secured Parties.

SECTION 10.06 Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations (including a payment effected through exercise of a right of setoff) is rescinded, or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Loan Party or otherwise (including pursuant to any settlement entered into by a Secured Party in its discretion), each Loan Party's obligations under this Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the Lenders, or the other Secured Parties are in possession of this Guaranty. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Loan Party, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Loan Parties forthwith on demand by the Administrative Agent.

SECTION 10.07 Information. Each Loan Party assumes all responsibility for being and keeping itself informed of each Loan Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Loan Party assumes and incurs under this Guaranty, and agrees that none of the Administrative Agent or any Lender shall have any duty to advise any Loan Party of information known to it regarding those circumstances or risks.

SECTION 10.08 [Reserved.]

SECTION 10.09 [Reserved.]

SECTION 10.10 Maximum Liability. The provisions of this Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Loan Party under this Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of Loan Party's liability under this Guaranty, then, notwithstanding any other provision of this Guaranty to the contrary, the amount of such liability shall, without any further action by the Loan Party or the Lenders, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Loan Party's "Maximum Liability"). This Section with respect to the Maximum Liability of each Loan Party is intended solely to preserve the rights of the Lenders to the maximum extent not subject to avoidance under applicable law, and no Loan Party nor any other Person or entity shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Loan Party hereunder shall not be rendered voidable under applicable law. Each Loan Party agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Loan Party without impairing this Guaranty or affecting the rights and remedies of the Lenders hereunder; provided that nothing in this sentence shall be construed to increase any Loan Party's obligations hereunder beyond its Maximum Liability.

SECTION 10.11 Contribution. In the event any Loan Party (a "Paying Loan Party") shall make any payment or payments under this U.S. Guaranty or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this U.S. Guaranty, each other Loan Party (each a "Non-Paying Loan Party") shall contribute to such Paying Loan Party an amount equal to such Non-Paying Loan Party's Applicable Share of such payment or payments made, or losses suffered, by such Paying Loan Party. For purposes of this Section, each Non-Paying Loan Party's "Applicable Share" with respect to any such payment or loss by a Paying Loan Party shall be determined as of the date on which such payment or loss was made by reference to the ratio of (a) such Non-Paying Loan Party's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Loan Party's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Loan Party from the other Loan Parties after the date hereof (whether by loan, capital infusion or by other means) to (b) the aggregate Maximum Liability of all Loan Party hereunder (including such Paying Loan Party) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Loan Party, the aggregate amount of all monies received by such Loan Parties from the other Loan Parties after the date hereof (whether by loan, capital infusion or by other means). Nothing in this provision shall affect any Loan Party's several liability for the entire amount of the Guaranteed Obligations (up to such Loan Party's Maximum Liability). Each of the Loan Parties covenants and agrees that its right to receive any contribution under this Guaranty from a Non-Paying Loan Party shall be subordinate and junior in right of payment to the payment in full in cash of the Guaranteed Obligations. This provision is for the benefit of both the Administrative Agent, the Lenders and Loan Parties and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

SECTION 10.12 Liability Cumulative. The liability of each Loan Party under this Article X is in addition to and shall be cumulative with all liabilities of each Loan Party to the Administrative Agent and the Lenders under this Agreement and the other Loan Documents to which such Loan Party is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to

amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

SECTION 10.13 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of a Swap Obligation (provided, however, that each such Qualified ECP Guarantor shall only be liable under this Section 10.13 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 10.13 or otherwise under this Guaranty voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Except as otherwise provided herein, the obligations of each such Qualified ECP Guarantor under this Section 10.13 shall remain in full force and effect until the termination of all Swap Obligations. Each such Qualified ECP Guarantor intends that this Section 10.13 constitute, and this Section 10.13 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18) (A)(v)(II) of the Commodity Exchange Act.

SECTION 10.14 Common Enterprise. Each Loan Party represents and warrants that the successful operation and condition of each of the Loan Parties is dependent on the continued successful performance of the functions of the group of the Loan Parties as a whole and the successful operation of each of the Loan Parties is dependent on the successful performance and operation of each other Loan Party. Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (i) successful operations of each of the other Loan Parties and (ii) the credit extended by the Lenders to the Borrowers hereunder, both in their separate capacities and as members of the group of companies. Each Loan Party has determined that execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, in furtherance of its direct and/or indirect business interests, will be of direct and/or indirect benefit to such Loan Party, and is in its best interest.

ARTICLE XII.

THE BORROWER REPRESENTATIVE

SECTION 12.01 Appointment; Nature of Relationship. The Company is hereby appointed by each of the Borrowers as its contractual representative (herein referred to as the “Borrower Representative”) hereunder and under each other Loan Document, and each of the Borrowers irrevocably authorizes the Borrower Representative to act as the contractual representative of such Borrower with the rights and duties expressly set forth herein and in the other Loan Documents. The Borrower Representative agrees to act as such contractual representative upon the express conditions contained in this Article XII. Additionally, the Borrowers hereby appoint the Borrower Representative as their agent to receive all of the proceeds of the Loans in the Funding Account(s), at which time the Borrower Representative shall promptly disburse such Loans to the appropriate Borrower(s). The Administrative Agent and the Lenders, and their respective officers, directors, agents or employees, shall not be liable to the Borrower Representative or any Borrower for any action taken or omitted to be taken by the Borrower Representative or the Borrowers pursuant to this Section 12.01.

SECTION 12.02 Powers. The Borrower Representative shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Borrower Representative by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Borrower Representative shall have no implied duties to the Borrowers, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Borrower Representative.

SECTION 12.03 Employment of Agents. The Borrower Representative may execute any of its duties as the Borrower Representative hereunder and under any other Loan Document by or through Responsible Officers.

SECTION 12.04 Notices. Each Loan Party shall promptly notify the Borrower Representative of the occurrence of any Default or Event of Default hereunder referring to this Agreement describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Borrower Representative receives such a notice, the Borrower Representative shall give notice thereof to the Administrative Agent and the Lenders pursuant to Section 5.02.

SECTION 12.05 Successor Borrower Representative.
