## Outline of Coverage Delta Dental PPO plus Premier Network

It is therefore important that you **READ YOUR POLICY CAREFULLY!** Not all time limitations and exclusions are shown herein. Benefit percentages shown are based on the actual charges submitted up to the Maximum Allowable Charge for participating dentists, or Delta Dental's allowance for non-participating dentists.*

### Delta Dental PPO plus Premier Network

You will get the best value from your Delta Dental Plan when you receive your dental care from one of our PPO (greatest savings) or Premier network participating dentists:

- ✓ **No Balance Billing:** Because participating dentists accept Northeast Delta Dental's allowed fees for services, you will typically pay less when you visit a participating dentist.
- ✓ **No Claims Paperwork:** Participating dentists will prepare and submit claims for you.
- ✓ **Direct Payment:** Northeast Delta Dental pays participating dentists directly, so you don't have to pay the covered amount up front and wait for a reimbursement check.

To find out if your dentist participates in our PPO or Premier network, you can: call your dentist, visit our website at [nedelta.com](http://nedelta.com), or call **Customer Service at 1-800-832-5700**.

### Claim Process for Participating Dentists

Your participating dentist will submit your claim to Northeast Delta Dental (claims for any of your covered dependents should be submitted under *your* Subscriber ID number). Northeast Delta Dental will produce an Explanation of Benefits (available through our Benefit Lookup site at [nedelta.com](http://nedelta.com)) detailing what has been processed under your plan's coverage. You are responsible to pay any outstanding balance directly to the dentist.

### Non-Participating Dentists

If you visit a non-participating dentist, you may be required to submit your own claim and pay for services at the time they are provided. Claim forms are available by calling Northeast Delta Dental or visiting [nedelta.com](http://nedelta.com). Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignments of benefits be honored and Northeast Delta Dental receives written notice of such assignment. Payment for treatment performed by a non-participating dentist will be limited to the lesser of the dentist's actual submitted charge or Delta Dental's allowance for non-participating dentists in the geographic area in which services are provided. It is your responsibility to make full payment to the dentist.

### Predetermination of Benefits

Northeast Delta Dental recommends that you ask your dentist to submit a *pre-treatment estimate* for any dental work involving costly or extensive treatment plans. Predeterminations helps avoid any potential confusion and enable us to help you estimate any out-of-pocket expenses you may incur.

### Coordination of Benefits

When an individual covered under this plan has additional group coverage, the Coordination of Benefits (COB) provision described in your Dental Plan Description booklet will determine the sequence and extent of payment. If you have any questions about COB, please contact our **Customer Service Department at 1-800-832-5700**.

### Identification Cards

Identification cards will be produced and distributed shortly after your initial enrollment. Any future cards will be issued electronically via our Benefit Lookup site accessible through [nedelta.com](http://nedelta.com). You can also use the Delta Dental mobile app and enjoy access to dentist search, claims and coverage, and your ID card.

### Health through Oral Wellness® (HOW)

A healthy mouth is part of a healthy life, and Northeast Delta Dental's innovative Health through Oral Wellness program (HOW) works with your dental benefits to help you achieve and maintain better oral wellness. HOW is all about YOU because it's based on your specific oral health risk and needs. Best of all, it's secure and confidential. Here's how to get started:

#### 1. REGISTER

Go to [healththroughoralwellness.com](http://healththroughoralwellness.com) and click on "Register Now."

#### 2. KNOW YOUR SCORE

After you register, please take the free oral health risk assessment by clicking on "Free Assessment" in the Know Your Score section of the website.

#### 3. SHARE YOUR SCORE WITH YOUR DENTIST

The next step is to share your results with your dentist at your next dental visit. Your dentist can discuss your results with you and perform a clinical version of the risk assessment. Based on your risk, you may be eligible for additional preventive benefits (after January 1, 2019).\*

*\*Additional preventive benefits are subject to the provisions of your Northeast Delta Dental policy.*

### Dental Plan Description Booklet

Your Dental Plan Description booklet describes your dental benefits and explains how to use them. Please read it carefully to understand the benefits and provisions of your Northeast Delta Dental plan.

### Who is Eligible?
