

Enrich the patient, staff and visitor experience.

The Wall. Make a bold statement.

The Wall is in a class of its own, showcasing breathtaking visuals that leave a lasting impression in any healthcare environment. Unrivaled picture quality delivers the ultimate viewing experience, while easy installation and management make operating The Wall for Business effortless.

Healthcare providers can make an immediate visual impact and showcase their facilities — from mission-critical ER and control rooms to donor walls — in ways that are as advanced as their approach to patient care. Help your clients bring their mission and vision to life in vivid detail, and highlight donors and community support brilliantly, with The Wall.

Why the Wall?

The ultimate visual brand experience

Distinguish your healthcare facility with industry-leading technology engineered to defy the limits of visual innovation.

Big impact, small lift

Configure The Wall how you want in any environment with turnkey installation and flexible design without size, shape and structure limits.

Easy to manage and secure

Advanced usability and seamless integration with existing systems allow you to securely manage content your way.

Benefits

- From the deepest blacks to the brightest whites, The Wall brings your business to life through immaculate colors in their purest form.
- Immerse viewers in AI-optimized picture quality that delivers the ultimate viewing experience to enhance your brand.
- Speed deployment and lower installation costs with architecture and factory features that reduce on-site calibration.
- Leverage Samsung's partnership and white glove service and support to ease installation every step of the way.
- Operate with peace of mind knowing your business data is protected by Knox down to the chip.
- Ensure a safe viewing experience by protecting against blue light and electromagnetic waves.
