

Requests for Stakeholder Feedback for 2024 Long-Term Plan

June 8, 2023

The Illinois Power Agency is issuing the second of two sets of requests for stakeholder feedback as the Agency prepares to develop its 2024 Long-Term Renewable Resources Procurement Plan. The linked documents below provide background on the various requests and pose numerous questions for stakeholder input.

Stakeholders may respond to any of these subjects or submit feedback on any other topic related to the Agency's work. Feedback on the second group of subjects outlined below are due by 5:00 p.m. Thursday, June 29, 2023. Details for how to submit responses are found in each individual document. Responses will be made public and published on the 2024 Long-Term Plan page of the Agency's website.
