DEPARTMENT OF LICENSING

[Filed December 4, 2023, 1:27 p.m.]

**Semi-Annual Rule-Making Agenda
January through June 2024**

This report details current and anticipated rule-making activities for the department of licensing (DOL). This agenda is sent to you as a requirement of RCW 34.05.314. If you have any questions regarding this report or DOL rule-making activities, please contact Ellis Starrett at 360-902-3846 or rulescoordinator@dol.wa.gov.

This agenda is for information purposes, and the noted dates of anticipated rule-making actions are estimates. Any errors in this agenda do not affect the rules and rule-making notices filed with the office of the code reviser and published in the Washington State Register. There may be additional DOL rule-making activities that cannot be forecasted as DOL initiates rule making to implement new state laws, meet federal requirements, or meet unforeseen circumstances. See the "Key" below for explanations of terms and acronyms.

Key:

CR means "code reviser" on notice forms created by the office of the code reviser for use by all state agencies.

CR-101 is a preproposal statement of inquiry filed under RCW 34.05.310.

CR-102 is a proposed rule-making notice filed under RCW 34.05.320 or 34.05.340.

Proposal is exempt under RCW 34.05.310(4) means a rule that does not require the filing of a CR-101 notice under RCW 34.05.310(4).

CR-105 is an expedited rule-making notice filed under RCW 34.05.353. This is an accelerated rule adoption process with no public hearing required.

CR-103P is a rule-making order permanently adopting a rule, and filed under RCW 34.05.360 and 34.05.380.

CR-103E emergency rules are temporary rules filed under RCW 34.05.350 and 34.05.380 by using a CR-103E rule-making order. Emergency rules may be used to meet certain urgent circumstances. These rules are effective for 120 days after the filing date, and may be extended in certain circumstances.

Blank cells in tables mean the anticipated filing date is not known at the time this rules agenda is filed.

RCW is the Revised Code of Washington.

WSR number is the Washington State Register official filing reference number given by the office of the code reviser when a notice is filed.

ATTORNEY GENERAL'S OFFICE

[Filed December 5, 2023, 8:51 a.m.]

**NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION
WASHINGTON ATTORNEY GENERAL**

The Washington attorney general routinely publishes notice of an opportunity to comment for opinion requests that we receive from the heads of state agencies, state legislators, and county prosecuting attorneys if we anticipate publishing a formal opinion in response to the request. We do so in order to provide members of the public with a chance to provide any legal analysis that they would like us to consider as we develop our opinion. In preparing any comments, please be aware that our opinion will provide our considered legal analysis of the question presented, and therefore comments that address the interpretation of the law are more helpful than comments that express an opinion as to what the law should be.

You may provide your comments to the attorney general's office (AGO) by email to OpinionComments@atg.wa.gov or by writing to the Office of the Attorney General, Solicitor General Division, Attention Opinions Chief, P.O. Box 40100, Olympia, WA 98504-0100. We will consider any comments we receive before we complete our opinion. Although there is no deadline for submitting comments, comments are the most helpful if received within 30 days of this notice. Comments focused solely on what the law should be are less helpful than comments that interpret current law. You may also request a copy of the opinion request in which you are interested and information about the attorney general's opinion process.

If you are interested in receiving notice of new formal opinion requests via email, you may visit the attorney general's website at <http://www.atg.wa.gov/ago%E2%80%90opinions> for more information on how to join our AGO opinions list.

AGO seeks public input on the following opinion request(s):

Opinion Docket No. 23-12-01**Request by Representative Jim Walsh, District 19****QUESTION(S) :**

1. May owners may sell assault weapons to pawnbrokers pursuant to subsection 3(2)(c) outside the context of an unredeemed pledge?
2. May pawnbrokers may sell firearms acquired in this way online or in person to nonresidents?
3. May an owner of a pawned assault weapon offer to sell that firearm to the pawnbroker, prior to the loan period expiring, for the purpose of selling or transferring the assault weapon to a person who does not reside in this state?

Project background: In 2019, the Washington state legislature directed ecology to implement a regulatory program to reduce toxic chemicals in consumer products under chapter 70A.350 RCW. The implementation program is called safer products for Washington. The law requires ecology, in consultation with Washington department of health, to determine regulatory actions that will increase transparency and reduce the use of priority chemicals in priority consumer products.

In 2022, the Washington state legislature amended chapter 70A.350 RCW to require ecology to make regulatory determinations on additional products containing PFAS as part of our work under the safer products for Washington implementation program. The amended law allows ecology to consider firefighting PPE and products identified in the 2021 PFAS CAP as priority products without taking the actions outlined in RCW 70A.350.030. We are required to make an initial set of regulatory determinations on these products by June 2024 and adopt rules by Decem-

ber 2025. As this work falls between the due dates for our first two review cycles, we are referring to this new review as "Cycle 1.5."

Ecology contact: If you have any questions, please contact the safer products for Washington communications consultant, Autumn Falls, Hazardous Waste and Toxics Reduction Program, email Autumn.Falls@ecy.wa.gov.

HEALTH CARE AUTHORITY

[Filed December 6, 2023, 11:59 a.m.]

NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 24-0006
Third Party Liability Update.

Effective Date: January 1, 2024.

Description: In compliance with Title 42, Chapter IV, Subchapter C, Part 433 C.F.R., Washington pursues reimbursement from liable third parties, other than health insurance or medicare, when medicaid has paid for certain services provided to a medicaid client when that client has primary insurance coverage. A casualty case to recover such costs is opened when the medicaid costs exceed a certain cumulative amount. Currently, the state opens a casualty case for a medicaid client when the cumulative cost for claims related to an accident/injury is \$50.00 and for ambulance claims is \$2,200.00. Also, ProviderOne automatically reviews the paid amount on an accident- or injury-related claim and sends a treatment questionnaire (TQ) to the client if the total claim payment is \$110.00 or more. The health care authority (HCA) intends to submit SPA 24-0006 to increase the cumulative paid amount on all types of claims to \$250.00 to open a casualty case and total claims payment to \$250.00 to send a TQ.

SPA 24-0006 is expected to have no effect on annual aggregate expenditures/reimbursement/payment.

A copy of SPA 24-0006 is available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy of the SPA or submit comments, please contact the person named below (please note that all comments are subject to public review and disclosure, as are the names of those who comment).
