Cheers to Innovation

Introducing the first wine column built for the Technicurean™ cook

Ultimate Vibration Control

Vibration is one of wine's biggest threats, so we've engineered our wine columns with an ingenious inverter linear compressor to help minimize vibration to less than 2 gal (cm/s²).

True Sommelier™ App

Powered by Wine Ring, our app manages your entire collection with photos of wine labels, noting shelf placement. The app also learns individual preferences and makes recommendations.

Protect & Display

To protect wine from damaging UV light we've installed dark-tinted, triple-pane glass doors. To showcase your collection with Touch Display Lighting, a gentle tap of the glass, or our mobile app, activates LED lights throughout.

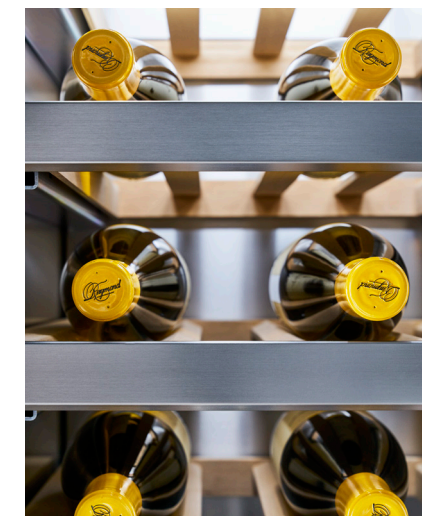

Independent Temperature Zones

Red, white and sparkling wines have their own temperature needs, so we've given them their own spaces. And precise temperature controls keep fluctuations the lowest among leading brands. Our 24-inch column features three zones, and the 18-inch has two.

Unfinished Wood Shelves

Beyond sliding smoothly, our shelves take things a step further by featuring unfinished beech wood to eliminate any possibility of oils, odors or other wood byproducts altering the purity of your wine.

Optimal Humidity Preservation

To keep harmful oxygen out of wine, corks need to be protected from drying out. Our humidity control boosts conditions to optimum levels, helping to preserve quality and taste of your favorite wines.

24-inch Wine Column

Features

Compressor Type **Inverter Linear**
 Maximum Sound Level **38 dBA**
 Interior Cabinet Finish **Metal**
 Temperature Zones **3**
 Operating Temperatures **41° to 64°F**
 Door Style **Panel-Ready**
 Door Swing **Reversible**
 Hidden LED Lighting **Yes**
 WiFi-Enabled **Yes**
 Wine Inventory App **Yes**
 Touch Display Lighting **Yes**
 Digital Touch Controls **Yes**

Capacity and Storage

Bottle Capacity (750 ml) **113**
 Storage Shelves **11**
 Shelf Material **Unfinished Beech Wood with Metal Accents**
 Presenter Shelf **2**

Dimensions

Overall Width **23³/₄"**
 Overall Height **83¹/₂" Min. — 84¹/₂" Max.**
 Overall Depth w/o Panel or Handles **23⁷/₈"**

Warranty

Limited Warranty, Parts & Labor **2 Years**
Additional 1 Year when product registration is completed online
 with owner opt-in for WiFi monitoring
 Limited Warranty on Sealed System, Parts & Labor **5 Years**
 Limited Warranty on Sealed System, Parts Only **12 Years**

18-inch Wine Column

Features

Compressor Type **Inverter Linear**
 Maximum Sound Level **38 dBA**
 Interior Cabinet Finish **Metal**
 Temperature Zones **2**
 Operating Temperatures **41° to 64°F**
 Door Style **Panel-Ready**
 Door Swing **Reversible**
 Hidden LED Lighting **Yes**
 WiFi-Enabled **Yes**
 Wine Inventory App **Yes**
 Touch Display Lighting **Yes**
 Digital Touch Controls **Yes**

Capacity and Storage

Bottle Capacity (750 ml) **71**
 Storage Shelves **11**
 Shelf Material **Unfinished Beech Wood with Metal Accents**
 Presenter Shelf **1**

Dimensions

Overall Width **17¹/₂"**
 Overall Height **83¹/₂" Min. — 84¹/₂" Max.**
 Overall Depth w/o Panel or Handles **23⁷/₈"**

Warranty

Limited Warranty, Parts & Labor **2 Years**
Additional 1 Year when product registration is completed online
 with owner opt-in for WiFi monitoring
 Limited Warranty on Sealed System, Parts & Labor **5 Years**
 Limited Warranty on Sealed System, Parts Only **12 Years**
