General Pest Control Service Specifications

Contract Customers on a Monthly, Bi-monthly or Weekly service program can expect the following:

- ✚ **Most Structural and Commensal Pests are covered under regular monthly service,** including but not limited to: Ants, Cockroaches, Waterbugs, Silverfish, Earwigs, Firebrats, Centipedes, Springtails, Psosids, Mice and Rats.
- ✚ **If problems arise between regularly scheduled services a limited-area spot treatment will be made at *no additional charge*.**
- ✚ **Pests *not* covered: Termites, Fleas, Bed Bugs and Flying Insects (including flies, mosquitoes, bees, wasps and hornets).** These services will be available to you if necessary at a **10-15% discount from standard rates.**
- ✚ **Employees of a contract customer business will be eligible for a *10% discount* on all services that might be necessary at their home.**

Bayonne Exterminating is a family owned and operated company and has been serving Hudson County and Northern New Jersey for over 90 years. We're proud members of both the National and New Jersey Pest Management Associations and we were recently admitted into the **US Environmental Protection Agency's Pesticide Environmental Stewardship Program (PESP)**. We are not your run of the mill service company. *We do more.*
