Executive Directive #44-10042021-01

Stipends for Executive Commissions Boards and Committees

The Little Traverse Bay Bands of Odawa Indians Tribal Constitution adopted February 1st, 2005 creates the Executive Branch of the Tribal Government and the Tribal Chairperson is the elected official who exercises Executive Authority under the Constitution.

Article VIII, Section C, Paragraph 5 places the following responsibility on the Tribal Chairperson: "To oversee all Tribal Executive departments, boards, commissions and committees created by Tribal Council."

Through this Executive Directive the amounts for stipends will be raised to \$200.00 per meeting for the Gaming Regulatory Commission, and \$150.00 per meeting for all other Commissions, Boards and Committees overseen by the Executive as long as the body approves a motion at a regularly scheduled meeting and the legislation creating the commission, board or committee does not provide an approved amount for stipend. These are daily maximums. Commissioner, Board and Committee members can only receive one stipend per day even if there are multiple meetings of the same entity in the same day. Stipends will only be paid if the Commission Board or Committee has funds available through the Fiscal Year budget approval process.

This Executive Directive, will remain in effect until rescinded by a subsequent Executive action.
