

**Aanii I am Doug Emery**, 66 years old, currently reside in Harbor Springs, Michigan. My great grandparents are Patrick and Sarah Naganashe. MY grandmother is Angeline Naganashe. I am Thunder Clan.

**My education\ experience:** I have a master's degree in Leadership Administration, and an associate degree in Hospitality\Casino Management. I am experienced working in departments within the tribal administration and the casino. My understanding and knowledge of the operations and current progress of our nation provides insight for the future. My professional background is 25 years' in Business management and Leadership Administration. With life's experience, education, and work experience, I'm confident to serve the people on a Tribal Council seat.

Asking for your support to serve. A vote for me is a vote for you! My purpose on tribal council will be to work for advancement of our nation. A fresh vision with prioritizing the people is the first step for change.

I won't make false promises to you and then not be able to fulfill them when elected. I do want to see a plan implemented to increase per cap in the future. I will work with all to get a youth center built. Develop ways to expand services for out of area citizens. Evaluate services for duplication and find new use for those funds to better serve everyone.

These endeavors won't happen overnight, but they will never happen if not sought by leadership. We need to hear our citizens and your values.

***The Tribal Citizen 's voice is important. The people are the tribe and council works for the people.***

I will work to:

1. Seek guidance from the Creator always.
2. Build unity and trust, through transparency, honesty, integrity.
3. Work together to advance our Nation's future.
4. Examine investment proposals and be cautious with support.
5. Ask for the voice of our citizens within our nation.

Working to improve the quality of life for everyone. Security and care of the people is the success of our nation!

***Vote: Doug Emery***
