Reviews, Comments, Communications, and other content

You may post reviews, comments, photos, videos, and other content; send e-cards and other communications; and submit suggestions, ideas, comments, questions, or other information, so long as the content is not illegal, obscene, threatening, defamatory, invasive of privacy, infringing of intellectual property rights (including publicity rights), or otherwise injurious to third parties or objectionable, and does not consist of or contain software viruses, political campaigning, commercial solicitation, chain letters, mass mailings, or any form of "spam" or unsolicited commercial electronic messages. Amazon has the right but not the obligation to monitor and edit or remove any activity or content. Amazon takes no responsibility and assumes no liability for any content posted by you or any third party.

Intellectual Property Complaints

Amazon respects the intellectual property of others. If you believe that your intellectual property rights are being infringed, please follow our [Notice and Procedure for Making Claims of Copyright Infringement](#)

Risk of Loss

All purchases of physical items from Amazon are made pursuant to a shipment contract. This means that the risk of loss and title for such items pass to you upon our delivery to the carrier.

Returns, Refunds and Title

For information about our returns and refunds, please see our [Returns Centre](#).

Product Descriptions

Amazon attempts to be as accurate as possible. However, Amazon does not warrant that product descriptions or other content of any Amazon Service is accurate, complete, reliable, current, or error-free. If a product offered by Amazon itself is not as described, your sole remedy is to return it in unused condition.

Pricing

"List Price" means the suggested retail price of a product as provided by a manufacturer, supplier, or Selling Partner. We regularly check List Prices against prices recently found on Amazon and other retailers. Certain products may have a "Was Price" displayed, which is determined using recent price history of the product on Amazon.

With respect to items sold by Amazon, we cannot confirm the price of an item until you order. Despite our best efforts, a small number of the items in our catalogue may be mispriced. If the correct price of an item sold by Amazon is higher than our stated price, we will, at our discretion, either contact you for instructions before shipping or cancel your order and notify you of such cancellation. Other merchants may follow different policies in the event of a mispriced item.

APP Permissions

When you use apps created by Amazon, such as the Amazon App or Kindle App, you may grant certain permissions to us for your device. Most mobile devices provide you with information about these permissions. To learn more about these permissions, [click here](#).

You may not use any Amazon Service if you are the subject of U.S. sanctions or of sanctions consistent with U.S. law imposed by the governments of the country where you are using Amazon Services. You must comply with all U.S. or other export and re-export restrictions that may apply to goods, software (including Amazon Software), technology, and services.

Other Businesses

Parties other than Amazon operate Stores, provide services or software, or sell product lines through the Amazon Services. In addition, we provide links to the sites of affiliated companies and certain other businesses. If you purchase any of the products or services offered by these businesses or individuals,

you are purchasing directly from those third parties, not from Amazon. We are not responsible for examining or evaluating, and we do not warrant, the offerings of any of these businesses or individuals (including the content of their Web sites). Amazon does not assume any responsibility or liability for the actions, product, and content of all these and any other third parties. You should carefully review their privacy statements and other conditions of use.
