

## **COBB COUNTY SCHOOL DISTRICT**

**SPECIAL PURPOSE LOCAL OPTION SALES TAX (ED-SPLOST V)  
2019 - 2023**

---

**October 27, 2016**

**Mr. Chris Ragsdale**

**Superintendent**

**CONCURRENT RESOLUTIONS OF THE BOARDS OF EDUCATION FOR COBB  
COUNTY AND THE CITY OF MARIETTA SCHOOL SYSTEM  
TO PROVIDE FOR THE CALLING OF AN ELECTION TO DETERMINE THE  
REIMPOSITION OR NONIMPOSITION OF A ONE PERCENT SALES AND USE TAX  
WITHIN COBB COUNTY FOR EDUCATIONAL PURPOSES:**

**WHEREAS**, the Board of Education of Cobb County (the “Cobb County Board of Education”) is charged with the duties of contracting debts and managing the affairs of the Cobb County School District, which embraces all the territory within Cobb County, Georgia (the “County”), with the exception of all territory lying within the City of Marietta School System; and

**WHEREAS**, the City of Marietta (the “City”) constitutes an independent school district (the “Marietta City Schools”) which is operated for and on behalf of the City by the Board of Education of the City of Marietta; and

**WHEREAS**, the Board of Education of the City of Marietta is charged with the duty of managing the affairs of Marietta City Schools, which embraces the territory within Cobb County, Georgia (the “County”), contained within the limits of the City; and

**WHEREAS**, Article VIII, Section VI, Paragraph IV of the Constitution of the State of Georgia and the Official Code of Georgia Sections 48-8-140 *et seq.* authorize the imposition within each school district of each county and each independent school district located within such county in the State of Georgia of a 1 percent (1%) sales and use tax (the “SPLOST”) to be used by school districts for educational purposes conditioned upon approval by a majority of the qualified voters within the boundaries of the local taxing jurisdiction voting in an election held therein; and

**WHEREAS**, the SPLOST for educational purposes is currently being imposed in the County and is proposed to expire on December 31, 2018; and

**WHEREAS**, Georgia law requires the Board of Education of each county school district and the Board of Education of each independent school district within such county to adopt concurrent resolutions with respect to the imposition, levy and collection of any one percent (1%) sales and use tax conditioned upon approval by a majority of the qualified voters residing within the limits of the local taxing jurisdiction voting in a referendum thereon; and

**WHEREAS**, the Cobb County Board of Education and the Board of Education of the City of Marietta have determined that the most feasible means of funding certain expenditures for educational purposes within the Cobb County School District and Marietta City Schools is by reimposing, levying and collecting a special one percent (1%) sales and use tax within Cobb County as authorized by law; and

**WHEREAS**, the net proceeds of the SPLOST shall be distributed between the Cobb County School District and the Marietta City Schools on the basis of the latest FTE count prior to the referendum on imposing the tax; and

**WHEREAS**, the Cobb County Board of Education has determined that it is in the best interests of the citizens of the Cobb County School District that the proceeds of the SPLOST, if authorized, be used to pay or to be applied toward the cost of the projects set forth herein, and the payment of expenses incidental to accomplishing the projects set forth herein; and

**WHEREAS**, the Board of Education of the City of Marietta has determined that it is in the best interests of the citizens of Marietta City Schools that the proceeds of the SPLOST, if authorized, be used to pay or to be applied toward the cost of the projects set forth herein, and the payment of expenses incidental to accomplishing the projects; and

**WHEREAS**, each of the projects set forth herein is a project authorized by law to be financed through the imposition of a SPLOST; and

**WHEREAS**, pursuant to the provisions of the Constitution and laws of the State of Georgia, and pursuant to this resolution, it is necessary to submit to the qualified voters of the County the question of whether or not the one percent (1%) sales and use tax for educational purposes shall be reimposed.

**NOW, THEREFORE, BE IT RESOLVED** by the Cobb County Board of Education, and Board of Education of the City of Marietta, and it is hereby resolved by authority of the same, as follows:

*Section 1. **Authorization of Sales and Use Tax.*** There shall be reimposed, levied and collected in Cobb County, Georgia, a one percent (1%) sales and use tax for educational purposes, subject to approval by a majority of the qualified voters residing within the limits of Cobb County voting on the referendum therein, as authorized by Article VIII, Section VI, Paragraph IV of the Constitution of the State of Georgia, and by Article 3, Part 2 of Chapter 8 of Title 48 of the Official Code of Georgia Annotated, as amended (collectively, the “Act”), such tax to be imposed on all sales and uses (the “Sales Tax”) in Cobb County for a period of twenty quarters (60 months), commencing on January 1, 2019, upon the expiration of the current Sales Tax, and said election to be held on March 21, 2017. Such tax shall raise the maximum amount of net proceeds of \$859,508,000.00. Pursuant to the Act, the net proceeds of the Sales Tax shall be distributed between the Cobb County School District and Marietta City Schools according to the ratio that student enrollment in the Cobb County School District and Marietta City Schools bears to the total student enrollment in both school systems, based on the latest FTE count prior to the March 21, 2017 referendum imposing the Sales Tax. The Sales Tax shall be expended for the following educational purposes:

For the Cobb County School District:

- (A) The following capital outlay projects at a total maximum cost of \$797,022,000.00:

(i) Acquiring and preparing land for the construction of new or replacement schools and the expansion of existing schools.

(ii) Constructing and equipping four (4) new or replacement schools, specifically:

Eastvalley Elementary  
Harmony Leland Elementary  
King Springs Elementary

*Section 2. **Call for Election.*** The Cobb County School District and the Marietta City Schools hereby call, and request that the Board of Elections and Registration of Cobb County call an election to be held in all the voting precincts in Cobb County on the 21st day of March, 2017, for the purposes of submitting to the qualified voters of Cobb County the question set forth in Section 3 below.

*Section 3. **Form of Ballot.*** The ballots to be used in such election should have written or printed thereon substantially the following language or such other language as may be required by law:

- ( ) **YES**      Shall the special 1 percent sales and use tax for educational purposes currently imposed in Cobb County be reimposed on January 1, 2019, upon the expiration of
- ( ) **NO**        the current sales and use tax, for not longer than 20 consecutive calendar quarters, to raise not more than \$859,508,000.00 to be used for the following educational purposes:

For the Cobb County School District:

- (1) For renovations, modifications and additions to new and existing schools and other facilities, construction and equipping of new schools, construction and equipping of new classrooms, upgrading buildings and facilities, infrastructure improvements, acquisition and preparation of land, and acquisition of equipment, safety and security and technology systems at a total maximum cost of \$797,022,000.00 for the Cobb County School District as described in the Notice of Election.

For the City of Marietta Schools:

- (1) For renovations, modifications and additions to new and existing schools and other facilities, construction and equipping of new schools, upgrading buildings and facilities, infrastructure improvements, acquisition and preparation of land, acquisition of equipment, and security and technology systems and systemwide support vehicles, at a total maximum cost of \$62,486,000.00 for the City of Marietta Schools, as described in the Notice of Election.

*Section 4. **Manner of Election.*** In accordance with O.C.G.A. § 21-2-540, the date of such election shall be, and the election is hereby set for March 21, 2017. The polls of each election district of the County shall open at 7 a.m. and close at 7 p.m. The election shall be held in accordance with the election laws of the State of Georgia and the returns of said election shall be made to the Cobb County Board of Education and to the Board of Elections and Registration for the County, who shall, in the presence of and together with the several managers of the polls, bring up the returns, consolidate the returns and declare the results of the election in the manner required by law.

*Section 5. **Publication of Notice of Election.*** The Cobb County Board of Elections shall be, and is hereby, authorized and instructed to publish notice of said election as required by law in the newspaper in which sheriff's advertisements of the County are published, once a week for Five (5) weeks immediately preceding the date of the election, i.e., March 21, 2017, and the notice of election shall be in substantially the form attached hereto as Exhibit A, and, by this reference thereto, made a part hereof.

*Section 6. **Notice to Board of Elections and Registration.*** The Secretary of the Cobb County Board of Education and the Secretary of the Board of Education of the City of Marietta are hereby authorized and directed to deliver a copy of this resolution to the Chairman of the Board of Elections and Registration of Cobb County with a request that the Chairman of the Cobb County Board of Elections and Registration order the call of this election.

*Section 7. **Further Authority.*** The proper officers and agents of the Cobb County School District and the Marietta School System are hereby authorized to take any and all further actions as may be required in connection with the imposition of such sales and use tax, the acquisition, constructing, and equipping of the projects as described herein.

*Section 8. **General Repeal.** Any and all Resolutions or parts thereof in conflict herewith are hereby repealed.*

*Section 9. **Effective Date.** These Concurrent Resolutions shall take effect immediately upon adoption.*

The ballots to be used in such election should have written or printed thereon substantially the following language or such other language as may be required by law:

- ( ) YES      Shall the special 1 percent sales and use tax for educational purposes currently imposed in Cobb County be reimposed on January 1, 2019, upon the expiration of the current sales and use tax, for not longer than 20 consecutive calendar quarters, to raise not more than \$859,508,000.00 to be used for the following educational purposes:
- ( ) NO

For the Cobb County School District:

- (1) For renovations, modifications and additions to new and existing schools and other facilities, construction and equipping of new schools, construction and equipping of new classrooms, upgrading buildings and facilities, infrastructure improvements, acquisition and preparation of land, and acquisition of equipment, safety and security and technology systems at a total maximum cost of \$797,022,000.00 for the Cobb County School District as described in the Notice of Election.

For the City of Marietta Schools:

- (1) For renovations, modifications and additions to new and existing schools and other facilities, construction and equipping of new schools, upgrading buildings and facilities, infrastructure improvements, acquisition and preparation of land, acquisition of equipment, and security and technology systems and systemwide support vehicles, at a total maximum cost of \$62,486,000.00 for the City of Marietta Schools, as described in the Notice of Election.

**Pursuant to O.C.G.A. § 20-2-491, the Cobb County School District and Marietta City Schools will continue to ensure that performance audits or performance reviews on capital outlay projects funded by local sales tax are performed by an independent auditor, consultant or other provider to ensure proceeds are expended efficiently and economically.**

The several places for holding said election shall be at the regular and established voting precincts of all of the election districts of Cobb County, and the polls will be open from 7 a.m.

until 7 p.m. on the date fixed for the election.

Pursuant to O.C.G.A. § 21-2-224 (b), the registration deadline for taking applications from persons desiring to register to vote in this election will be the close of business on the fifth Monday prior to the date of the Special Election, or if such Monday is a legal holiday, by the close of business the following business day.

All residents of Cobb County qualified to vote at such election shall be determined in all respects in accordance with the election laws of the State of Georgia.

This notice is given by the Cobb County Board of Registration and Elections, as election superintendent under O.C.G.A. 21-2-540(d) and 21-2-2(35), pursuant to concurrent resolutions of the Board of Education of Cobb County and the Board of Education of the City of Marietta Schools.

**School Security Improvements - Exterior**

CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**School Security Improvements - Interior**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**SAFETY, SECURITY, AND SUPPORT SUMMARY**

**Initiative Name**

**Surveillance Cameras**

Digital surveillance recording equipment

**Transportation Infrastructure**

Fueling Systems replacement, Additional Bus Parking with fuel station, Paint Booth replacement, Electric Entrance Gates for Baker Rd. & Mars Hill bus shops, Sanders Rd bus shop upgrades, Warehouse lift.

**Undesignated Classrooms**

Unassigned Classrooms

**Warehouse Needs**

Support items for Warehouse activities. Pave existing parking lot and add additional parking

**Total: \$150,022,000.00**

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**ACADEMIC/ TECHNOLOGY SUMMARY**

**Initiative Name**

**ADA Compliance-required and Safety Modifications**

Make buildings ADA compliant as well as accessible and functional for students with disabilities.

**Assistive Technology Equipment**

Technology equipment to support the learning needs of students with disabilities (i.e. hearing aids, braille machines, etc.)

**Centralized Video System**

Enhance the district's coaxial network

**Data Center Disaster Recovery/Business Continuity**

Provide capability to recover from a disaster within the main data center

**Data Center Equipment Replacement**

Replace data center equipment

**District Network Enhancement/Maintenance**

Maintain the district network

**District Phone System Enhancement/Replacement**

Replace and maintain the district's telephony and network equipment

**District Servers Replacement**

Replace school servers

**Equipment & Software for Students with Disabilities**

Equipment for students who are deaf or hard of hearing, students with visual impairments, and students with other disabilities.

**Equipment to Support Physical Disabilities**

Equipment for students with physical disabilities that is required for them to access transportation and the school building.

**Financial Systems Enhancement/Equipment Replacement**

Replace and maintain Financial Services applications and equipment

**Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment**

Musical instruments, digital music technologies, kilns, and visual arts equipment

**Human Resources/Payroll Systems Enhancement/Equipment Replacement**

Replace and maintain Human Resources and Payroll applications and equipment

**Language Systems**

Language systems for World Language classrooms

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

ACADEMIC/ TECHNOLOGY SUMMARY

Initiative Name

Learning Commons

Transition media centers to learning commons.

Learning Management System

Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports

Learning Resources

Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.

Maintenance of Fine Arts Performance Facilities

Theater updates, choral room updates, sound and lighting systems

Network Access Control

Provide network security

Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms

Replace and maintain audio visual equipment for classrooms

Obsolete Computing Device Replacement - District

Replacement of computing devices for students, teachers, and staff

Obsolete Computing Device Replacement - Teachers & Staff

Replacement of computing devices for teachers.

Obsolete Interactive Classroom Devices Enhancement/Replacement

Replace and maintain interactive devices in classroom

Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance

Replace and maintain duplication equipment

Robotics Lab

Establish a dedicated space for the establishment of a robotics program in high schools.

Student Information Systems Enhancement/Replacement

Replace and maintain student information and recording systems

Student Learning, STEM, College and Career and/or Innovation Spaces

Transition current spaces to innovation labs, STEM labs, engineering, or comparable student learning spaces.

Total: \$173,000,000.00

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Acworth ES**

**Facility No.: 0302**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 14 School Security Improvements - Interior  
Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

15 Specialties - Prefabricated Canopies

Replace canopy at car drop-off line

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Addison ES**

**Facility No.: 0289**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Electrical - Fire Alarm  
Replace existing fire alarm system
- 6 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 7 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 8 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 9 Mechanical - HVAC  
Replace HVAC and controls
- 10 Network Access Control  
Provide network security
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 15 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**FACILITY SUMMARY OF APPROVED PROJECTS**

16 School Security Improvements - Interior

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Adult Education Center**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 6 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 7 Mechanical - HVAC - Controls  
Replace HVAC controls
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 Renovation - Toilet Room Renovation  
Renovate Toilet Rooms
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 15 School Security Improvements - Interior  
Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Allatoona HS**

**Facility No.: 0209**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Electrical - Lighting - Interior - High Bay  
Replace existing gymnasium light fixtures with high bay LED fixtures
- 6 Electrical - Lighting - Site - Pole  
Replace existing exterior light fixtures with LED fixtures
- 7 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 8 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 9 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 10 Mechanical - Plumbing - Sewer Lift Station  
Replace sewer lift station
- 11 Network Access Control  
Provide network security
- 12 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 13 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 14 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 15 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 16 School Security Improvements - Exterior

**FACILITY SUMMARY OF APPROVED PROJECTS**

Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 8 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 9 Network Access Control  
Provide network security
- 10 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 11 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 12 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 13 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 15 School Security Improvements - Interior

**FACILITY SUMMARY OF APPROVED PROJECTS**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Brown Facility**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 Renovation - Add Adult Toilet Rooms  
Renovate existing facility to add adult toilet rooms
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 15 School Security Improvements - Interior  
Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Brumby ES**

**Facility No.: 0808**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 School Security Improvements - Exterior

**FACILITY SUMMARY OF APPROVED PROJECTS**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

16 Sitework - Playground Equipment

Replace existing playscape and surfacing

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Campbell HS**

**Facility No.: 1054**

**Projects:**

- 1 Addition - HS (Larger than 20,000 GSF)  
Additional classrooms to accommodate increase in student enrollment
- 2 Addition - HS Theater  
Construct new 750 seat theater and black box Drama classroom
- 3 Addition - Site Elements Relocation  
Relocate underground utilities for theater
- 4 Centralized Video System  
Enhance the district's coaxial network
- 5 Conveying Systems - Elevator  
Replace elevator
- 6 District Network Enhancement/Maintenance  
Maintain the district network
- 7 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 8 District Servers Replacement  
Replace school servers
- 9 Electrical - Fire Alarm  
Replace existing fire alarm system
- 10 Electrical - Lighting - Interior - High Bay  
Replace existing gymnasium light fixtures with high bay LED fixtures
- 11 Electrical - Lighting - Site - Pole  
Replace existing exterior light fixtures with LED fixtures
- 12 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 13 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 14 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 15 Network Access Control  
Provide network security
- 16 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms

**FACILITY SUMMARY OF APPROVED PROJECTS**

Replace and maintain audio visual equipment for classrooms

17 Obsolete Computing Device Replacement - Teachers & Staff

Replacement of computing devices for teachers.

18 Obsolete Interactive Classroom Devices Enhancement/Replacement

Replace and maintain interactive devices in classroom

19 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance

Replace and maintain duplication equipment

20 School Security Improvements - Exterior

CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

21 School Security Improvements - Interior

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

22 Sitework - Athletic & Recreational Surfacing - Artificial Turf

Replace artificial turf on football field

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Campbell MS**

**Facility No.: 0290**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Replace and maintain duplication equipment
- 15 Renovation - MS  
Renovate existing Media Center/Learning Commons into classrooms and supporting spaces.
- 16 School Security Improvements - Exterior

**FACILITY SUMMARY OF APPROVED PROJECTS**

CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**17 School Security Improvements - Interior**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Dodgen MS**

**Facility No.: 0275**

**Projects:**

- 1 Addition - MS (Less than 20,000 GSF)  
Additional classroom to accommodate increase in student enrollment
- 2 Addition - Site Elements Relocation  
Relocation of existing underground utilities
- 3 Centralized Video System  
Enhance the district's coaxial network
- 4 District Network Enhancement/Maintenance  
Maintain the district network
- 5 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 6 District Servers Replacement  
Replace school servers
- 7 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 8 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 9 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 10 Network Access Control  
Provide network security
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 15 Renovation - MS  
Renovate existing Media Center/Learning Commons for 6 classrooms and supporting spaces. Net increase of 6 IUs.
- 16 School Security Improvements - Exterior

**FACILITY SUMMARY OF APPROVED PROJECTS**

CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. **Facility Name: Dowell ES**

**Facility No.: 0190**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Electrical - Main Switchgear & Panel Upgrades  
Replace main switchgear
- 6 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 7 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 8 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 9 Mechanical - HVAC  
Replace HVAC & Controls
- 10 Network Access Control  
Provide network security
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment

**FACILITY SUMMARY OF APPROVED PROJECTS**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

16 Thermal & Moisture Protection - Roofing - Built Up

Replace roof

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Harmony Leland ES Replacement

**Facility No.:** N/A

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 New School - Adverse Site Conditions  
Unforeseen adverse site conditions: Rock, Soil, Water, Utilities
- 10 New School - Elementary  
Construct new Elementary School
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 15 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**FACILITY SUMMARY OF APPROVED PROJECTS**

16 School Security Improvements - Interior

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Harrison HS**

**Facility No.: 0192**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Electrical - Lighting - Interior - High Bay  
Replace existing gymnasium light fixtures with high bay LED fixtures
- 6 Electrical - Lighting - Site - Pole  
Replace existing exterior light fixtures with LED fixtures
- 7 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 8 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 9 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 10 Network Access Control  
Provide network security
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 15 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**FACILITY SUMMARY OF APPROVED PROJECTS**

16 School Security Improvements - Interior

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

17 Sitework - Athletic & Recreational Surfacing - Artificial Turf

Replace artificial turf on football field

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Hayes ES**

**Facility No.: 0194**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Electrical - Main Switchgear & Panel Upgrades  
Replace main switchgear
- 6 Finishes - Painting  
Repaint interior and exterior of building
- 7 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 8 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 9 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 10 Network Access Control  
Provide network security
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 15 School Security Improvements - Exterior

Replace and maintain duplication equipment
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 15 School Security Improvements - Interior

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**FACILITY SUMMARY OF APPROVED PROJECTS**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

16 Thermal & Moisture Protection - Roofing - Built Up

Replace roof on Buildings 2010 & 2030

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Lassiter HS**

**Facility No.: 0381**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Finishes - Flooring - VET & Carpeting  
Replace flooring
- 6 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 7 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 8 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 9 Mechanical - HVAC  
Replace HVAC in building 5020
- 10 Network Access Control  
Provide network security
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 15 Renovation - HS  
Renovate existing theater
- 16 School Security Improvements - Exterior

**FACILITY SUMMARY OF APPROVED PROJECTS**

CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**17 School Security Improvements - Interior**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**18 Sitework - Athletic & Recreational Surfacing - Artificial Turf**

Replace artificial turf on football field

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Lewis ES**

**Facility No.: 0287**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Mechanical - HVAC  
Replace HVAC & Controls
- 9 Network Access Control  
Provide network security
- 10 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 11 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 12 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 13 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 14 School Security Improvements - Exterior

Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 14 School Security Improvements - Interior  
Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

FACILITY SUMMARY OF APPROVED PROJECTS

Facility Name: **Murdock ES**

Facility No.: **0375**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Mechanical - Plumbing - Fixtures  
Replace toilet fixtures
- 9 Network Access Control  
Provide network security
- 10 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 11 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 12 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 13 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 15 School Security Improvements - Interior

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**FACILITY SUMMARY OF APPROVED PROJECTS**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

FACILITY SUMMARY OF APPROVED PROJECTS

Facility Name: **Nicholson ES**

Facility No.: **0391**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Mechanical - HVAC  
Replace HVAC & Controls
- 9 Network Access Control  
Provide network security
- 10 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 11 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 12 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 13 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 15 School Security Improvements - Interior

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

**FACILITY SUMMARY OF APPROVED PROJECTS**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**16 Specialties - Toilet Partitions & Accessories**

Replace toilet partitions in Building 2010

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Nickajack ES**

**Facility No.: 0199**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 Renovation - Toilet Room Renovation  
Renovate existing toilet rooms
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 15 School Security Improvements - Interior

**FACILITY SUMMARY OF APPROVED PROJECTS**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: North Cobb HS**

**Facility No.: 2056**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 Conveying Systems - Elevator  
Replace elevators
- 3 District Network Enhancement/Maintenance  
Maintain the district network
- 4 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 5 District Servers Replacement  
Replace school servers
- 6 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 7 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 8 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 9 Network Access Control  
Provide network security
- 10 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 11 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 12 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 13 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 14 Renovation - HS  
Renovate existing CTAE classrooms
- 15 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**FACILITY SUMMARY OF APPROVED PROJECTS**

16 School Security Improvements - Interior

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

17 Sitework - Athletic & Recreational Surfacing - Artificial Turf

Replace artificial turf on football field

18 Thermal & Moisture Protection - Roofing - Built Up

Replace roof on buildings 5010, 5011, & 5012

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Norton Park ES**

**Facility No.: 1066**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. 16 School Security Improvements - Interior

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Pebblebrook HS**

**Facility No.: 4066**

**Projects:**

- 1 Addition - HS (Larger than 20,000 GSF)  
Additional classrooms to accommodate increase in student enrollment
- 2 Addition - HS Gymnasium  
Addition of new Gymnasium
- 3 Addition - HS Theater  
Addition of 750 seat theater and support spaces for Performing Arts Center
- 4 Addition - Site Elements Relocation  
Relocation of existing underground utilities
- 5 Addition - Site Elements Relocation  
Relocation of existing underground utilities
- 6 Centralized Video System  
Enhance the district's coaxial network
- 7 District Network Enhancement/Maintenance  
Maintain the district network
- 8 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 9 District Servers Replacement  
Replace school servers
- 10 Electrical - Sub-Panel Upgrades  
Replace old electrical panel in main building. Install new electrical panels in each hallway.
- 11 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 12 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 13 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 14 Network Access Control  
Provide network security
- 15 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 16 Obsolete Computing Device Replacement - Teachers & Staff

---

**FACILITY SUMMARY OF APPROVED PROJECTS**

Replacement of computing devices for teachers.

**17 Obsolete Interactive Classroom Devices Enhancement/Replacement**

Replace and maintain interactive devices in classroom

**18 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance**

Replace and maintain duplication equipment

**19 School Security Improvements - Exterior**

CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**20 School Security Improvements - Interior**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**21 Sitework - Athletic & Recreational Surfacing - Artificial Turf**

Replace artificial turf on football field

**22 Sitework - Demolition - Building**

Demolish existing theater building

**23 Sitework - Demolition - Building**

Demolish existing gymnasium (5020)

**24 Sitework - Demolition - Slab, Footings, & Foundation**

Demolish slab, footings, foundation, & underground utilities at existing theater

**25 Sitework - Demolition - Slab, Footings, & Foundation**

Demolish slab, footings, foundation, and underground utilities of gymnasium

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Pickett's Mill ES**

**Facility No.: 0109**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Network Access Control  
Provide network security
- 9 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 10 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 11 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. - 12 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 13 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.
- 14 School Security Improvements - Interior  
Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Riverside ES**

**Facility No.: 0102**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 6 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 7 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 8 Mechanical - HVAC - Controls  
Replace HVAC controls
- 9 Network Access Control  
Provide network security
- 10 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 11 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 12 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 13 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 14 Renovation - Toilet Room Renovation  
Renovate existing toilet rooms
- 15 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

All budgetary costs are planning estimates, and changes in circumstances or innovations may require modification. Items listed are in no particular order.

Replacement of computing devices for teachers.
- 14 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 15 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 16 Renovation - HS

**FACILITY SUMMARY OF APPROVED PROJECTS**

Renovate existing facility for Weight Lifting and Storage; Renovate existing CTAE building

**17 School Security Improvements - Exterior**

CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**18 School Security Improvements - Interior**

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**19 Sitework - Athletic & Recreational Surfacing - Artificial Turf**

Replace artificial turf on football field

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Still ES**

**Facility No.: 0180**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Finishes - Flooring - VET & Carpeting  
Replace flooring
- 6 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 7 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 8 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 9 Mechanical - HVAC  
Replace HVAC & Controls
- 10 Network Access Control  
Provide network security
- 11 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 12 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 13 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 14 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 15 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. This program will provide controlled access to only authorized personnel, identify any person or groups in the building when they enter as well as numerous other features.

**FACILITY SUMMARY OF APPROVED PROJECTS**

16 School Security Improvements - Interior

Provide security modifications and upgrades for schools by improving interior accessibility as well as strengthened infrastructure where appropriate. Such improvements will provide a greater level of safety and enhance the security within the school facilities.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Tapp MS**

**Facility No.: 0475**

**Projects:**

- 1 Centralized Video System  
Enhance the district's coaxial network
- 2 District Network Enhancement/Maintenance  
Maintain the district network
- 3 District Phone System Enhancement/Replacement  
Replace and maintain the district's telephony and network equipment
- 4 District Servers Replacement  
Replace school servers
- 5 Electrical - Main Switchgear & Panel Upgrades  
Replace main switchgear
- 6 Growth, Replacement, & Maintenance of Fine Arts Instruments and Equipment  
Musical instruments, digital music technologies, kilns, and visual arts equipment
- 7 Learning Management System  
Common digital platform for students, teachers, school leaders, and parents to access learning resources, content, & learning supports
- 8 Learning Resources  
Publisher produced and locally developed content to align with the instructional and learning needs of teachers and students as it aligns with the Cobb Teaching and Learning standards.
- 9 Network Access Control  
Provide network security
- 10 Obsolete Audio Visual Equipment Enhancement/Replacement - Classrooms  
Replace and maintain audio visual equipment for classrooms
- 11 Obsolete Computing Device Replacement - Teachers & Staff  
Replacement of computing devices for teachers.
- 12 Obsolete Interactive Classroom Devices Enhancement/Replacement  
Replace and maintain interactive devices in classroom
- 13 Obsolete Print/Copy/Duplicate Solution - Replacement/Maintenance  
Replace and maintain duplication equipment
- 14 School Security Improvements - Exterior  
CCSD facilities need to be accessible to many people during and after normal hours. Increased security needs require that staff members be confident that the doors, windows, and locks can completely control access to each facility.
