

Murder in a Small Town

Season 1

Based on the Edgar Award-winning, nine-book “Karl Alberg” series by the late Canadian author L.R. Wright, Murder in a Small Town follows Karl Alberg (Sutherland), who moves to a quiet coastal town to soothe a psyche that has been battered by big-city police work. But this gentle paradise has more than its share of secrets, and Karl will need to call upon all the skills that made him a world-class detective in solving the murders that, even in this seemingly idyllic setting, continue to wash up on his shore. Kristin Kreuk stars as Cassandra, a local librarian who becomes Alberg’s muse, foil and romantic interest.
