

Accused

Season 2

Based on the BBC's BAFTA-winning British crime anthology, comes a provocative series that takes you on the journey of the defendant. Each episode opens in a courtroom on the accused, with viewers knowing nothing about their crime or how they ended up on trial. Told from the defendant's point of view through flashbacks, ACCUSED holds a mirror up to the current times with evocative and emotional stories. In ACCUSED, viewers discover how an ordinary person gets caught up in an extraordinary situation, ultimately revealing how one wrong turn leads to another, until it's too late to turn back.
