*(as of March 21, 2022)*

## **COVID-19 Policies & Requirements**

### **Band Member Policy**

All individuals (band members and conductors) must be fully vaccinated to rehearse and perform with Medina Community Band. Proof of Vaccination (POV) must be provided to the Conductor Neiman and include dates that all vaccinations were administered. This information will not be shared.

### **Band Member Rehearsal Policy and Masking**

All individuals (band members and conductors) must wear appropriate masking upon entry and when not playing during rehearsals. When playing, masking should be removed. At this time, masking for instruments is not required.

At present, the seating for rehearsals has been set-up with musicians six feet apart and six feet front to rear and trombonist six feet apart and eight feet front to rear. Conductors will be set up at least six feet from the ensemble set-up.

### **New Cases of COVID-19**

All band members will communicate with Lu Ann Gresh (cell – 330.607.5068 or [lagresh@gmail.com](mailto:lagresh@gmail.com)) if exposed to COVID-19 or test positive for COVID-19. This information will be shared ONLY with the individual's section leader and Conductor Neiman.

### **Changes in policies and requirements**

A standing 'health committee' has been put in place, consisting of the conductor, president of Medina Community Band Association, and members within the band who are health care providers. The committee meets monthly to update and/or revise current policies and requirements.
