Do you book multiple events in one evening?

It is possible for multiple events to be scheduled on the same day, however we ensure the privacy of you and your guests in your specific venue.

How do I arrange for a tour of the rental space?

If you are interested in having your wedding at our venue, we strongly recommend scheduling an appointment to tour the space with a representative from our Special Events Team. To make an appointment, please call 513-765-7227.

How do I book the space?

If you decide to book the space, we will write a contract for you to sign and send back along with a room deposit. In order for the room to be officially booked and confirmed we need to have received a signed contract, room deposit and signed copy our terms and conditions.

What is the deposit?

Your wedding package rate will be the deposit for your event. Your rental fee must be paid in full to secure your date and event space.

May I select my own caterer?

Delaware North Company provides food and beverage for all events that occur within Great American Ball Park. Once your event is confirmed, you and your Special Events Coordinator will meet with a representative from Delaware North Company to plan the menu for your event. DNC must approve any gifts that may contain food or beverage.

When can I access the space?

All areas are rented for 4 hours per event, not including set up and tear down time. If you require additional time for your event, you will be contracted for additional hours plus any applicable labor charges. The rented space is available 2 hours prior to the event for setup

unless otherwise noted. Vendors and contacts have up to 1 hour to complete tear down at the end of the event.

May I use my own vendors?

Yes, but all vendors must be approved by the Reds and be able to provide proof of liability insurance. We have a list of preferred vendors that we recommend using because they are familiar with our event spaces and policies. Setup for any vendors must not exceed 2 hours prior to the event and tear down after an event may not take more than 1 hour past the end time of an event.

Is smoking permitted?

In accordance with Ohio Law, Great American Ball Park is a smoke-free facility. Event guests wishing to smoke must exit the ballpark.

Do you have parking available?

Yes. Central Riverfront Garage, owned by Hamilton County and managed by Central Parking System, is located directly below the ballpark. Please check with your Special Events Coordinator regarding cost and options for hosting parking.

What does my event coordinator do?

Your event coordinator will work with you on event details and logistics including timing, event entrance and parking options, audio visual requests, room setup, vendor directions and more. Additionally, your event coordinator will generally be your on-site contact the day of your event.

Will there be a Special Events staff member on site the day of the event?

A representative from the Special Events Department will be on site from set up through the end of the event. Catering staff will also be on site for the duration of your event.

Do you have a Bridal Room?

Based on availability, we can provide a room for the wedding party. This is a secure space for the Bridal Party to place personal belongings but is not a place to get ready for the wedding or reception.

To book a space with dinner, please contact our Special Events Department.
